1	It was really confusing.	5/7/2016 10:30 AM
2	I think there should be a separate website for DCON rather than attaching it to the floriday key club website. This way we don't have to find the DCON tab etc.	5/7/2016 9:29 AM
3	Please please provide Better food it was cold and nasty horrible food	5/6/2016 6:51 PM

11	It was a bit hard to navigate.	5/5/2016 4:34 PM
12	Please make the awards information clear: whether or not you have to scan and email or strictly email. I	5/5/2016 2:12 PM
13	Information on where to park and where to go upon arrival at the hotel could prove to be useful to first timers.	5/5/2016 9:41 AM
14	Should've had an accurate countdown this year.	5/5/2016 12:32 AM
15	Didn't use it too much, used the app	5/4/2016 11:08 PM
16	Make the webmaster training better and more educating and interactive	5/4/2016 9:58 PM
17	Information should have been available a lot sooner.	5/4/2016 9:56 PM
18	Very organized	5/4/2016 8:37 PM
19	Website was good but I found that not all	5/4/2016 7:10 PM

20	The Key club trivia section had no form to it so it was relatively boring	5/4/2016 7:09 PM
21	Everything was really late on the website. Registration didn't start until after winter break and it's always November 1st	5/4/2016 7:45 AM
22	The 2016 updated information was last minute. I felt my planning was pressured.	5/4/2016 1:56 AM
23	Links were provided for all of the necessary documents.	5/3/2016 9:23 PM
24	Seemed a little weird and was hard to find with the website layout	5/3/2016 7:05 PM
25	Count down timer shouldn't count up	5/3/2016 7:01 PM
26	The Program Book was my best friend, along with everyone on my club. I would really promote that more next year, just in case members who are going to DCON and don't know the proper attire, can further look into the book to answer their questions.	5/3/2016 4:09 PM
27	The DCON website was very informative and had everything listed out.	5/3/2016 3:44 PM
28	In my case, I did not have as much time as I wanted to access the information and process all of it. Being able to download the forms was a life-saver though.	5/3/2016 3:41 PM
29	Not very intuitive in design.	5/3/2016 10:52 AM
30	Some of the documents had incorrect information in regards to the dress code.	5/3/2016 9:37 AM

32	I found that it was hard to find forms and information a second time as they were not always neatly organized. Also, the new site layout caused issues with scrolling.	5/3/2016 8:14 AM
33	Must be updated earlier	5/3/2016 7:58 AM
34	Too many steps to find what was needed	5/3/2016 7:48 AM
35	Searching for the dress code seemed more difficult than it should be.	5/3/2016 7:47 AM
36	The website has been improved--it was very streamlined; however, necessary documents were not available in a timely manner, and old documents were not removed.	5/3/2016 7:38 AM
37	It could have been made easier to find certain documents attaining to DCON	5/3/2016 6:24 AM
38	Fund raising an awesome workshop! Webinar was excruciatingly boring. Key club 101 had good content. Service ideas wasted 30 minutes with a stupid game. Time for movement between "classes " should be added.	5/3/2016 4:56 AM
39	Not designed well	5/3/2016 2:33 AM
40	Add things sooner, like the theme and packing list.	5/2/2016 11:43 PM
41	Events were not exactly as described, packing list was not accurate I.E. Not enough casual outfits	5/2/2016 11:34 PM
42	Loved it!	5/2/2016 11:18 PM
43	I had to seek out what documents my club was required to turn in on my own. The website lead me fairly easily to finding these documents, but it would have been excellent had my club been emailed or contacted and told about what the exact forms were that were required to have been submitted.	5/2/2016 10:48 PM
44	Hialeah should not have won all those awards. They buy their hours by having members get 5 hours from donating one pack of crayons i.e. This is not service to the community in any way, it's just an easy tactic to get hours & win awards. Also, revise on distinguished awards. Certain "distinguished" officers won their award when they are not eligible nor successful in any way in their duty of their position.	5/2/2016 9:59 PM
45	Sometimes searching for keywords was difficult.	5/2/2016 9:44 PM
46	Very slick and well organized	5/2/2016 9:32 PM
47	It was hard to navigate and find information about the event	5/2/2016 9:01 PM

1	Everything I needed was all on the app.	5/7/2016 10:30 AM
2	If it weren't for the app I probably wouldn't have know what to do with my life.	5/7/2016 8:45 AM
3	Was unable to access it even though I tried.	5/6/2016 11:56 PM
4	Well made, fast, non glitchy, user friendly	5/6/2016 10:17 PM
5	Loved that I could set reminder	5/6/2016 7:33 PM
6	Really liked how I could make my own schedule, really helped organize what I was going day by day	5/6/2016 5:45 PM
7	Ability to make your own schedule was fantastic.	5/6/2016 5:42 PM
8	Great app, it was a good way to keep organized in where to go for workshops, time, and the appropriate clothing for each event. Every useful.	5/6/2016 5:26 PM
9	It gave me all the information I needed. I could see my whole schedule ahead of time and iit told me the dress code.	5/6/2016 5:13 PM
10	It never worked for me and a few other guys with me. We never were able to open the app to use it.	5/6/2016 5:13 PM
11	did not use	5/5/2016 10:51 PM
12	I really wish the app was better layed out. For the events, the placing of the times was sort of confusing. I saw that the app icon was updated just days before DCON.	5/5/2016 9:39 PM
13	Love it! It's convenient!	5/5/2016 9:35 PM
14	helped alot when i didn't have my schedule on me	5/5/2016 7:33 PM
15	I used the app a lot when I was preparing for DCON and especially during the actual event. It was easy to navigate through and answered any questions I had about the event.	5/5/2016 5:50 PM
16	Not everyone has phones and need to rely on the paper schedule. For example, on the paper schedule the talent show was casual but on the app it was business casual. Everyone was confused.	5/5/2016 4:12 PM
17	I couldn't tell when everything was	5/5/2016 11:26 AM

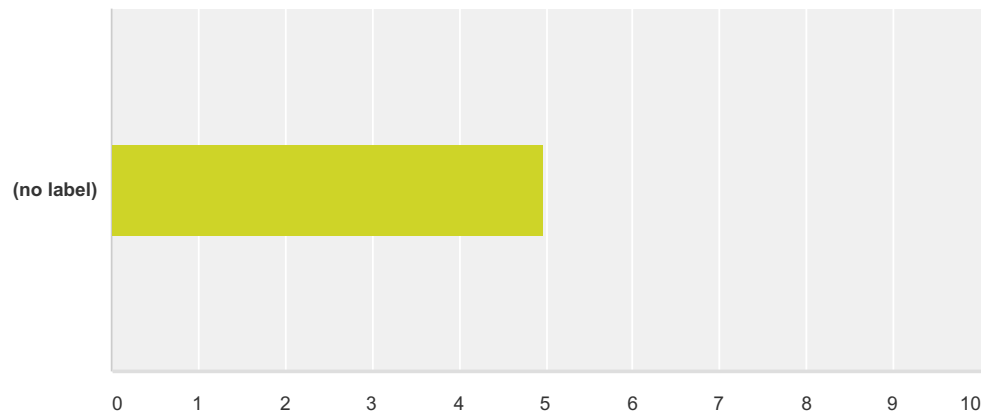

18	Make each photo for every person, clickable, maybe add a video talking about themselves (candidates). I loved how we could take notes though.	5/5/2016 10:43 AM
19	Without the app I would have been very lost. having a timer and notifications was very helpful.	5/5/2016 12:55 AM
20	Amazing as last year	5/5/2016 12:32 AM
21	The app was very slow when load up, and when trying to select an option.	5/4/2016 11:53 PM
22	Fantastic!!	5/4/2016 11:08 PM
23	Didn't really use it till the last day.	5/4/2016 9:59 PM
24	Can you find a way to let the app work without wifi	5/4/2016 9:58 PM
25	pdf files are annoying to open on mobile	5/4/2016 9:56 PM
26	This was a very good idea since everyone is in their phones a lot. I loved the whole layout and it was a great idea.	5/4/2016 9:31 PM
27	I was able to take notes while listening to all the candidates and workshops.	5/4/2016 8:56 PM
28	Could have more details on events	5/4/2016 8:37 PM
29	So helpful	5/4/2016 8:37 PM
30	Easily updated	5/4/2016 7:39 PM
31	Though I personally did not use the app. I knew many people who found it helpful.	5/4/2016 7:32 PM
32	SOOOOOO helpful	5/4/2016 7:09 PM
33	The ending times confused a lot of people. It's best to just have a start time	5/4/2016 7:45 AM
34	I do not have a smart phone.	5/4/2016 1:56 AM
35	The app was very confusing and caused many people to be late to the first few events. The starting time was listed above the event while the ending time was listed in bold next to or below the event. This caused many people to believe that the starting time was the bold time, making them show up at the end.	5/3/2016 9:23 PM
36	Very easy to access	5/3/2016 7:05 PM
37	Perfect, just amazingly helpful	5/3/2016 7:01 PM
38	was really really helpful in keeping me organized and on schedule!! loved it!!!	5/3/2016 6:59 PM
39	I would suggest adding the candidates/bylaws booklet, for those going to the House of Delegates, and forget the book.	5/3/2016 4:09 PM
40	It was a little confusing at first with the times because the time it ended was listed while the time it started was in light gray at the top. Maybe next year, make it easier for the start and end time.	5/3/2016 3:55 PM
41	I had forgotten my glasses, and it was nearly impossible for me to read without glasses.	5/3/2016 3:41 PM
42	I couldn't find the actual program for the assemblies within the application.	5/3/2016 2:15 PM
43	I would add a feature that would automatically eliminate sessions from the schedule once that time block is finished.	5/3/2016 10:52 AM
44	Some announcements weren't posted.	5/3/2016 9:15 AM
45	Sometimes I noticed either incorrect dates or information that had not been updated after 2015 DCON	5/3/2016 8:14 AM
46	all of our clubbers used it and our Kiwanis advisor-I delegated this to them, they loved it	5/3/2016 7:55 AM
47	A life savior	5/3/2016 7:45 AM
48	The hotel map feature should look maybe like a gps and show you where you are currently.	5/3/2016 7:11 AM
49	It would have been better for the app to get updated for DCON at the very least a week before not two days	5/3/2016 6:24 AM
50	Include attendee/club profiles and chat option, give incentive so everyone downloads it	5/3/2016 12:29 AM
51	Amazing.	5/2/2016 11:43 PM
52	Very helpful!	5/2/2016 11:18 PM
53	I love the addition of the note taking option to the app. It was a great tool to have during workshops.	5/2/2016 10:48 PM
54	The booklet given and the app were two different things which confused MANY people... Next year and the rest of the years, make everything the same seeing as some people do not have cellphones or did not have the app on their cellphones	5/2/2016 10:20 PM

55	It needs to be updated when changes occur.	5/2/2016 10:17 PM
56	Massively useful. Instead of having to carry around or flip through the booklet (which I enjoyed nevertheless), I was able to use my phone which was at the ready. Not to mention were those alarms that we could set. Those were tremendously handy!	5/2/2016 9:36 PM
57	List the starting and ending times right on the entire overview schedule instead of having to click the event to see what time it started.	5/2/2016 9:16 PM
58	Saved my bacon several times.	5/2/2016 8:59 PM
59	Update some of the descriptions since you're using the same app as last year. It said in one description "2014-2015 board is introduced" or something like that	5/2/2016 8:46 PM
60	The only thing was that it mentioned a scavenger hunt that I never found/heard about!	5/2/2016 8:40 PM
61	Some of the dress codes for the events were wrong	5/2/2016 8:38 PM
62	it's very cool	5/2/2016 8:37 PM
63	This app was fantastic. I had no problems with it and was very helpful.	5/2/2016 8:32 PM
64	Simple and efficient	5/2/2016 8:28 PM
65	The app is a wonderful idea but I would suggest checking the spelling and grammar before you take the app live. As a teacher it was very surprising that an App for an international organization had so many spelling errors. I love the app because when I registered I was not provided any of the necessary information that other clubs had so the app was the only way I knew what was going on.	5/2/2016 8:27 PM
66	Some of the information regarding times and locations were not updated as promised.	5/2/2016 8:24 PM
67	The schedule and notes tabs are the best.	5/2/2016 8:22 PM
68	Hard to access with low signal, which was most of the hotel	5/2/2016 5:45 PM
69	The lack of internet in the hotel made it difficult to use at times but it was still really good without internet.	5/2/2016 5:42 PM
70	lost and confused like me. I personally loved it.	5/2/2016 5:38 PM
71	I really like the app ??	5/2/2016 5:29 PM

1	Loved the guest speaker, Kevin Wanzer. My favorite part of the whole thing.	5/7/2016 3:53 AM
2	Put more seats	5/6/2016 6:22 PM
3	Good choice of Music.	5/6/2016 5:26 PM
4	Being only my second DCON, I'd say this year it was great to see all the other Key Clubbers in their shirt #BETHEKEY #KEYCLUBPRIDE. I liked how the dress code policy allowed schools that would get there late to not have to rush to get into formal wear	5/5/2016 9:39 PM
5	The opening session was really interesting and made me extremely excited for the rest of the conference.	5/5/2016 5:50 PM
6	Best guest speaker ever	5/5/2016 2:12 PM
7	Every Assembly seemed quite long.	5/5/2016 10:43 AM
8	The ceremony always stoness everyone up ♥???	5/5/2016 8:34 AM
9	Amazing keynote speaker but the spirit wear is meh. I still wore a business professional outfit but I wasn't too pleased with the spirit wear.	5/5/2016 12:32 AM
10	Was late because of a final at Valencia. :( But I heard from friends that it was really really funny.	5/4/2016 11:53 PM
11	The speaker was really entertaining, but the whole event was pretty long	5/4/2016 11:08 PM
12	So much fun and very eventful.	5/4/2016 8:56 PM
13	I heard it was a lot better than last year	5/4/2016 8:37 PM
14	The comedian was absolutely fabulous and he brightened my day! But it was a tad boring with all of the speeches drug out for that long	5/4/2016 8:08 PM
15	This years keynote speaker was absolutely fantastic	5/4/2016 7:09 PM
16	Loved it!!! Great way to start off the conference!	5/4/2016 8:45 AM
17	It was nice to see everyone in their school club shirts. I know that some schools get there right before the session begins, so it was nice that they didn't have to rush into professional wear straight off of their buses.	5/3/2016 9:23 PM

18	Entertaining, only thing that kept it alive was the speaker	5/3/2016 7:05 PM
19	Very professional, could see that a lot of time went into planning it	5/3/2016 7:01 PM
20	The guest speaker was amazing!	5/3/2016 6:03 PM
21	The music was okay. Maybe play more current songs. I wish that the zones would switch sections every now and then because every year I go, we always are in the back. I think it should be switched up every night.	5/3/2016 3:55 PM
22	We could not leave until Friday after school	5/3/2016 3:41 PM
23	LOVED the keynote speaker!	5/3/2016 10:52 AM
24	Professional dress would have been nicer, but I did love the costume contest. However, if there is a runoff between the zones that have the best costume it should NOT be decided by crowd cheers. (ie. Zone A versus Zones J or K... just not fair.)	5/3/2016 8:56 AM
25	But I would like all sessions to go back to business dress	5/3/2016 8:26 AM
26	Noise was too loud due to my hearing loss.	5/3/2016 8:14 AM
27	Was energetic and motivated everyone to be hungry for more!!	5/3/2016 7:55 AM
28	Speaker was great; the kids loved him.	5/3/2016 7:38 AM
29	The speaker was fantastic	5/3/2016 7:14 AM
30	The speaker was more entertaining than last year but you could tell that our trustee was being forced into saying y'all.	5/3/2016 6:24 AM
31	put zone j in the front more often ;)	5/3/2016 12:29 AM
32	Shouldn't have banned Zone I's whales :(	5/2/2016 11:43 PM
33	Loved the guest speaker Kevin. He kept the audience live.	5/2/2016 11:37 PM
34	After a long bus ride, we all did not enjoy sitting in a crowded room for that long period of time. It was not very exciting.	5/2/2016 11:34 PM
35	Loved the Keynote speaker and so did my students.	5/2/2016 11:01 PM
36	The seating... Should have had way more seats in the place, and began to get very boring until Kevin Wanzer started speaking	5/2/2016 10:20 PM
37	Kept the interest of the key Clubbers. So much better than last year	5/2/2016 9:34 PM
38	Music was on point, and the Whales were awesome too. Zone I, we're so fly!	5/2/2016 8:59 PM
39	ZONE J ALL THE WAY ZONE J ALL THE WAAAYYY. also more pumping music	5/2/2016 8:56 PM
40	it was annoying that some zones were really small so they never even had a chance to win the spirit stick	5/2/2016 8:37 PM
41	Can be too long	5/2/2016 8:35 PM
42	After a long day traveling three hours is too long to be sitting.	5/2/2016 8:34 PM
43	I thought that the guest speaker was fantastic and the opening session overall seemed very well organized.	5/2/2016 8:32 PM
44	I thought that you did a wonderful job of keeping the meeting moving.	5/2/2016 8:27 PM
45	I had a lot of fun. The music was awesome and it got me pumped.	5/2/2016 7:36 PM
46	I was only upset that they didn't call all the clubs which had just started this year.	5/2/2016 5:29 PM
47	The speaker spoke for too long.	5/2/2016 2:28 AM

4	Amazing!!! Get more speakers like him, great positivity :)	5/6/2016 5:45 PM
5	He potentially opened my eyes and gave me motivation to do the greater good to my community and my Key Club family. Also, Kevin was hilarious and is great speaker.	5/6/2016 5:26 PM
6	Loved his laugh and overall message!	5/6/2016 5:18 PM
7	It was inspirational yet funny.	5/6/2016 5:13 PM
8	Amazing. Favorite speaker there	5/6/2016 11:08 AM
9	AMAZING, AMAZING, AMAZING!! I'm still using the kazoo and his idea of the Key Club At Large inspired me so much our club is attempting to see if we can apply that into our school	5/5/2016 9:39 PM
10	could we have him back LOVE LOVE LOVED HIM!! :D	5/5/2016 7:33 PM
11	The keynote speaker was amazing and really kept me interested throughout the entire speech.	5/5/2016 5:50 PM
12	Excellent speaker, didn't love the sales pitch, but I guess that's part of the game.	5/5/2016 4:34 PM
13	AMAZING	5/5/2016 10:43 AM
14	He was fabulous! Both adults and students really enjoyed him! We want more of this type.	5/5/2016 8:34 AM

22	One of my favorite people on this earth. He was a very enthused comedian in my opinion.	5/4/2016 8:56 PM
23	It was incredible	5/4/2016 8:37 PM
24	But i feel like this was a bad substitute for a nice big event, like a few years ago where they had a magician and a psychic the year after.	5/4/2016 7:36 PM
25	Some of my students said he was the best speaker they had ever heard. They commented in particular on his effortless ability to appeal to multile audiences and to be both candid and inspirational without being didactic.	5/4/2016 7:14 PM
26	This speaker was a great improvement from last year's.	5/4/2016 7:14 PM

32	Hilarious, can't wait to go buy a grape	5/3/2016 7:01 PM

39	spoke too long, got off topic.	5/3/2016 9:23 AM
40	He clearly lost track of time, and parts of his middle section were too drawn out. Great overall, though!	5/3/2016 9:22 AM
41	HILARIOUS AND INSPIRING!!!	5/3/2016 8:56 AM
42	I laughed until I cried!	5/3/2016 8:17 AM

48	100% better than last year	5/3/2016 7:14 AM
49	He was AWESOME. Over my years I have been able to listen to Josh Sundquist, I Talk to Strangers guy, and John Shertzer. All amazing speakers.	5/3/2016 12:29 AM
50	Way better than last year- fabulous!	5/2/2016 11:43 PM

53	He was very engaging and hilarious while he delivered the message	5/2/2016 11:12 PM

1	Too many singing acts.	5/7/2016 9:29 AM
2	The talent was not very good. maybe have an app to have a audience vote	5/6/2016 7:03 PM
3	Very entertaining filled again, with great music. Amazing talent and unique Key Club members.	5/6/2016 5:26 PM
4	My only issue was that most if it was awards. I wouldn't have as much of an issue with this if there wasn't already a whole other event just for awards.	5/6/2016 5:13 PM
5	The music was extremely offensive and the dancing acts were highly inappropriate for a mixed-gender audience.	5/6/2016 4:55 PM
6	Next time you should get a professional entertainer instead of using every talent act	5/6/2016 4:37 PM
7	The hosts were great and really entertaining.	5/6/2016 12:32 PM
8	Did not like the awards in between. Could of waited till actual award ceremony	5/6/2016 11:08 AM
9	The performers chosen for the talent show got worse as the time progressed. But the actual award ceremony was really great	5/6/2016 7:38 AM
10	I liked the entertainment for the most part. However, the talent part, while still great, left me wondering how some performances were allowed on stage. While some were great, some were raunchy and downright not very Key Club	5/5/2016 9:39 PM
11	The dancers left a bit to be desired	5/5/2016 8:51 PM
12	Although the lights used in the session were blinding at times, the session was still enjoyable.	5/5/2016 5:50 PM
13	There were a lot of dance acts. We need a greater variety of acts.	5/5/2016 2:12 PM
14	Too many dancing acts. Needs more variety	5/5/2016 10:39 AM
15	I did feel like one of the talents was more for a "club" setting.	5/5/2016 9:16 AM
16	The talented students always amaze me.	5/5/2016 8:34 AM
17	Bring back the hired entertainment--some of those acts were baaaaaad. And too many musical numbers- this isn't American Idol.	5/5/2016 7:43 AM
18	So much better then I thought it was going to be.	5/5/2016 12:55 AM

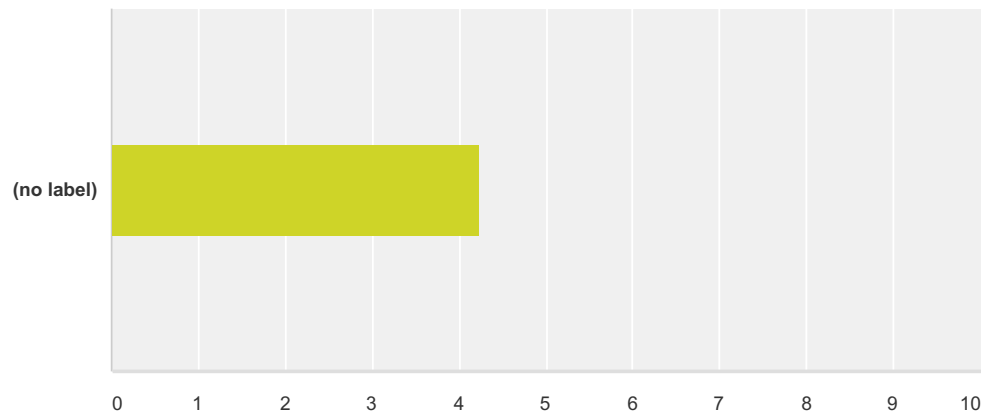

19	Last year was better but could've been judged harder, I think some people shouldn't have qualified	5/5/2016 12:32 AM
20	Can we have more people perform talents and not so many awards	5/4/2016 9:58 PM
21	My students said it was amazing and better than last year's	5/4/2016 9:56 PM
22	loved how fun the two ltg hosts were	5/4/2016 9:56 PM
23	The setup felt awkward; it kind of felt like a response to the question: "Hey what would happen if we were to just put teenagers in a dim-lit room with some music." The music selection could have been better.	5/4/2016 9:14 PM
24	Did not like the stoping I between each act	5/4/2016 8:08 PM
25	Bring back the voting. My students LOVED havign the ability to vote for talent and oratory.	5/4/2016 7:14 PM
26	The duet of the girls school, should've won.	5/4/2016 12:48 PM
27	Wonderful to see the kids show off their talents. I really enjoyed this.	5/4/2016 8:45 AM
28	Consider having a paid act like the hypnotist from years ago or the dance group.	5/4/2016 7:45 AM
29	I am extremely disappointed in the Entertainment session for SO many reasons. First of all, the attire should never have been switched to casual. It totally diminished the professionalism of Key Club. It was embarrassing to watch students in shorts and ripped jeans get up on stage to receive awards. That is not how Key Club portrays itself. Second of all, I am appalled that the judges in the preliminary session allowed two acts that were completely inappropriate and displayed behavior completely unbecoming of Key Club members. I understand the concept of letting kids be kids, but these two acts were unacceptable. The one girl who gyrated all over the stage with absolutely NO talent at all (but still won second place) was simply moving sexually by moving her hands up and down her body and thrusting her hips. Plus, she "danced" to a mix of songs that were all about sex. One of my officers turned to me during the dance and commented that the radio stations aren't even allowed to play that version of one of the songs on the radio but she can use it in her music. My Kiwanian whispered to me that all she needed was a pole and her act would be complete. I was completely embarrassed that Key Club would allow that. The other act was the two girls dressed the same with the red checkered shirts around their waists. Not only were they completely uncoordinated, but the song that they used was about two people having sex in the back of a limo! I would love for someone to explain to me how THAT was approved as acceptable for DCON. This idea of allowing the members to be the entertainment completely blew up in the board's faces this year because apparently they had to allow acts that truly did not deserve to make it. Bring back the hypnotist or the illusionist or a comedian or a professional dance group! Provide something that is worthy of the caliber that Key Club stands for.	5/3/2016 9:23 PM
30	Hosts were charismatic and a great duo but could have been more exciting/genuine. Great talent!	5/3/2016 7:05 PM
31	This isn't really in Kiwanis' control, but I think it would be cool to have more variety in the talent show acts. Most were arts based except for the Rubix Cube Guy.	5/3/2016 6:34 PM
32	I thought some of the acts were a bit risque in nature	5/3/2016 4:06 PM
33	Had fun for the talent show. I wish the zones could switch because again we were in the back the whole weekend.	5/3/2016 3:55 PM
34	These events are long; could use a break or intermission	5/3/2016 3:41 PM
35	The way that it was done was excellent. The students normally get restless after the talent portion is over. Anything after that is overkill.	5/3/2016 2:15 PM
36	I found some of the music in the featured talents acts to be inappropriate.	5/3/2016 1:37 PM
37	need more dance space for both dances, kids left due to the lack of space,	5/3/2016 9:23 AM
38	Love the talent contest, but some of the awards could have been put off until the Awards Ceremony the next day. Also, special guest entertainers are always a hit if the budget allows.	5/3/2016 8:56 AM
39	Danielle and her cohost were excellent.	5/3/2016 8:26 AM
40	Left early.	5/3/2016 8:14 AM
41	Some of the talents were inappropriate. As an adult I felt uncomfortable watching the inappropriate dancing and i felt it did not align with Key Club's core values.	5/3/2016 8:10 AM
42	Is there a way to just have the talent and do the awards at one of the other awards ceremonies?	5/3/2016 8:04 AM
43	I and everyone around us was apalled and embarressed of what appeared to be sleezy pole dancing by the single dancer who ended up actually winning one of the awards. It was the only negative comment I have about the conference. It was disgraceful and should have never been allowed in the first place. Key Club has better standards, C'mon!!!!!!	5/3/2016 7:55 AM
44	Showcase talent of board members - no judging	5/3/2016 7:48 AM

45	Students should be encouraged to select age appropriate songs & dances. 15 year old girls gyrating, while may be popular, should not be encouraged and certainly NOT win awards.	5/3/2016 7:44 AM
46	Need to keep in mind that the dances should be more appropriate.	5/3/2016 7:39 AM
47	A lot of singers this year, I would have enjoyed seeing some more variety	5/3/2016 7:38 AM
48	some of the acts were not very classy.	5/3/2016 7:14 AM
49	There were too many speeches in between so it took a way from the talent. "	5/3/2016 6:50 AM
50	Some of the talent acts were not key club appropriate and it would have been way better if there was an actual entertainer	5/3/2016 6:24 AM
51	Some acts were questionable	5/3/2016 2:33 AM
52	Great talent acts and recognition ceremony. The attire for the activities was unclear.	5/3/2016 12:29 AM
53	Some of the "entertainment" almost made my group uncomfortable. We were all quite un interested.	5/2/2016 11:34 PM
54	The Florida district has many talented key clubbers	5/2/2016 11:12 PM
55	My students said that it was a little boring.	5/2/2016 10:45 PM
56	It was very fun, but toward the end got boring and I just wanted to go sleep in my room	5/2/2016 10:20 PM
57	Good, but not as good as 2014-15	5/2/2016 10:07 PM
58	Would have preferred different acts other than singing and dancing. Less provocative dancing also.	5/2/2016 10:02 PM
59	to much talking in between performance	5/2/2016 9:57 PM
60	could have been better organized	5/2/2016 9:27 PM
61	I disagreed with the talent portion.	5/2/2016 9:01 PM
62	disappointed that the entertainers were not better- some were same as last year	5/2/2016 9:01 PM
63	Flowed well. Broken up so as to keep stop dents interested.	5/2/2016 9:00 PM
64	Great talent, though a little diversity would earn it a perfect score.	5/2/2016 8:59 PM
65	Awards made it boring	5/2/2016 8:58 PM
66	YAAAAAASSSSSSSSSS I HAVE NEVER DANCED THAT MUCH	5/2/2016 8:56 PM
67	For the price of the convention I expected to see professional entertainment	5/2/2016 8:52 PM
68	I would rather have all the awards at once and more talents that aren't just singing.	5/2/2016 8:46 PM
69	I wish the talent show wasn't interrupted with awards and speeches they should have been 2 different things	5/2/2016 8:38 PM
70	there were a lot of amazing singers but not any amazing	5/2/2016 8:37 PM
71	Can be too long	5/2/2016 8:35 PM
72	Such talent!	5/2/2016 8:34 PM
73	Off-site honor society induction	5/2/2016 8:25 PM
74	I got to perform so it was really cool	5/2/2016 8:23 PM
75	While I thought some performances were hands down amazing, two of them were inappropriate. Usually my advisor is pretty cool and chill with what is happening and she was covering her eyes saying what just happened.	5/2/2016 7:36 PM
76	Well organized and everyone was so talented.	5/2/2016 5:29 PM
77	Some of the entertainment was absolutely beautiful, however some of the dance numbers were absolutely embarrassing to Key Club International. The young lady from Hialeah High as well as the duo wearing tights and a plaid shirt tied around their waists were so trashy, I could barely stand to watch it. The fact that one of them actually received an award for her "dance" is beyond my comprehension. The lyrics to the songs and the nature of the dance should have never been approved by the individuals in charge of the talent auditions. It's truly makes me wonder what type of people are leading our district. Myself, my faculty advisor, and my Kiwanis advisor were in absolute shock that this organization was allowed to be belittled by the inappropriate conduct of the dancers.	5/2/2016 10:46 AM
78	Before letting the contestants go on stage it should be judged to see if they actually have "talent". It was horrible watching a girl dance to music that I can personally dance to in my bathroom. The fact the she won shows what the judges pay attention to.	5/2/2016 10:07 AM

1	Too long	5/7/2016 8:55 AM
2	Very drawn out	5/6/2016 7:33 PM
3	not organized. The Awards committee does not have information as to why an award was not received. They should be available on Thursday arrival for advisors to discuss why the award was received or not. This is a problem every year and Dawn is not approachable.	5/6/2016 7:03 PM
4	Seemed to be a lot of repetition. It felt like the majority was spent introducing the speakers that presented the awards	5/6/2016 5:38 PM
5	Great, the awards were very fantastic and gave me motivation for next year DCON to win many awards for home school of.	5/6/2016 5:26 PM
6	I liked the Awards Ceremony very much. Except that the dress code was dismal. For Awards, its social norm to be in your best professional wear. Some people were dressed in slashed-up jeans and sneakers.	5/5/2016 9:39 PM
7	A bit long	5/5/2016 4:34 PM
8	Kind of long	5/5/2016 10:43 AM
9	It is pretty long	5/5/2016 9:16 AM
10	A bit long.	5/5/2016 7:43 AM
11	I felt so proud of my club after that.	5/5/2016 12:55 AM
12	NOT BORING!!!! I say that in a good way	5/5/2016 12:32 AM
13	We're ready to win many awards next year!	5/4/2016 11:42 PM
14	It was going on to early for me to be awake an excited but it was still great	5/4/2016 9:58 PM
15	I thought an Awards Session in the morning would feel odd, but the way it was executed made it really great (regardless of the time).	5/4/2016 9:14 PM
16	The session ran on the longer side and people became rowdy	5/4/2016 8:37 PM
17	Really proud of everyone	5/4/2016 8:37 PM

18	It's extremely early and I was falling asleep because they called the same people over and over again.	5/4/2016 7:39 PM
19	Started too late	5/4/2016 7:22 PM
20	Included more information about the groups/ events/ projects that are winning. What did those groups do to earn the awards? OR publish a document later that provides that info.	5/4/2016 7:14 PM
21	Lots of hate on specific schools that win many awards. I feel like this shouldn't occur since it's about cooperation not competition.	5/4/2016 6:54 PM
22	When the talent show winners were announced, it would have been nice to have a small reminder of what their talent had been. It was hard to remember what everyone sang or did by the next morning. Maybe a little video clip from the night before (like 10 seconds) could be played after the announcement.	5/4/2016 8:45 AM
23	There was a lot of forging of awards and when questions were asked, we were dismissed by the adult advisor for the awards and contest committee. Allowing clubs to forge hours and claim they have attended events such as zone rallies and ICON just encourages this behavior to cheat and lie and brings dishonor to the prestigious name of Key Club and taints our integrity. The judging process should be much more in depth with verifications of Annual Achievement Reports and not have student judging but instead use an impartial committee of adults to judge.	5/4/2016 7:45 AM
24	I was happy to see that everyone was at least dressed professionally for this session. I was disappointed in the fact that an ICON video was not shown as it was in previous years. It also bothered me that the ICON chair was given the wrong information to say only to have the next person share the correct information. Those are things that should have been verified in the script before it was used. I was also disappointed in the awards in general. Many years ago, back when adults still judged, each judge had to review every item in a category. There were three judges for each category, and then those scores from all three judges were tallied and averaged to find a winner. After being disappointed in the t-shirt winners when clearly there were several other t-shirts who should have won, I inquired about the process and was told that each judge is given a separate set of shirts to judge and then they compare scores. That is completely unfair. If one judge rates harsher than another judge, then a shirt that was with the easier rating judge would win even though it really shouldn't have. All judges should judge ALL items in the category and then the scores should be averaged so that the scores are even and fair. There were also a lot of new awards this year that most people didn't know or understand. In the future, an email should be sent out (with the slew of other emails that are sent) to share "what's new" with this DCON, including awards. Also, many people felt that the Key Clubber of the Year was thrown out there to give an award to a Kiwanian's relative. I don't even know if that is true, but it's what I heard. I would suggest maybe adding a place on the pride report where each club can submit a name as a member of the month, and to be eligible for the Member of the Year award, he/she would have had to be a member of the month recipient. Those members can be celebrated in one of the newsletters or an email or whatnot. Also, many people were upset that they could not review their scores. How are clubs supposed to improve from year to year if they cannot review their scores? Where is the transparency? The awards should not be some hidden secret. Schools should be allowed to see how they did so that they can go back to their clubs and discuss changes to make for the future. When things are kept so secret, it creates a lot of unnecessary negative energy. My school's club walked away with several awards, but they wanted to know how they could improve upon those that did not win, and they left DCON without any direction which is a shame. Without an understanding of where they faltered, they will not be able to grow for the next year. And lastly, why were awards suddenly named after adults who are still active with Key Club. That seemed very odd. I feel that this 15-16 board had a free-for-all kind of year where anything goes, and that is disappointing. Yes, it is a student-led organization, but they are still students who need guidance from adults. Of all of the years that I've attended DCON (and I've been to many), this was the most disappointing.	5/3/2016 9:23 PM
25	Very long to sit through!	5/3/2016 7:05 PM
26	Great Concept, just difficult for us to get energized because of how early it was.	5/3/2016 6:34 PM
27	It was a little slow and a little boring at times. Maybe it would be better to do all the awards the clubs one at one time.	5/3/2016 3:55 PM
28	We did not receive our banner patch for enrollment growth.	5/3/2016 3:45 PM
29	These events are long; could use a break or intermission	5/3/2016 3:41 PM
30	Still, very long.	5/3/2016 11:15 AM
31	Boring if you aren't winning any awards.	5/3/2016 10:52 AM
32	Really long	5/3/2016 10:23 AM
33	to expedite the awards in general, have the people ready and less wait time. there was way too much sitting for the students	5/3/2016 9:23 AM
34	Looooonnnngggg.... but with the amount of awards being given it is understandable.	5/3/2016 8:56 AM
35	This felt redundant after the previous evening of award presentations.	5/3/2016 8:17 AM
36	Boring for those not receiving awards.	5/3/2016 8:14 AM

37	Started very late- GET THOSE SCRIPTS DONE♥□	5/3/2016 7:58 AM
38	Should have started on time though	5/3/2016 7:55 AM
39	It seemed to move along quicker than last years. It also seemed like there were less awards given than last year.	5/3/2016 7:47 AM
40	Their money is very long. It would be nice if we can interspersed that one with other things like the entertainment assembly .	5/3/2016 7:38 AM
41	It was good with its flow but there were many awards that were not advertised through out the year so no one knew about them, the contest awards seem to have been chosen very biasly and I recommend enforcing the you can't vote on something you have a club from your division ins	5/3/2016 6:24 AM
42	Very long	5/3/2016 12:29 AM
43	Very melancholy, also somewhat biased	5/2/2016 11:43 PM
44	Motivated my club and I to really try hard to get awards next year!	5/2/2016 11:18 PM
45	i was falling asleep through it... this was likely do to a lack of participation by my club as we were not informed of the many catagories, so there was a lack of interest. Next year this will change as I will be club President	5/2/2016 11:17 PM
46	I liked that some of the banner patches that used to be in our registration packets were given onstage instead. The kids were surprised when their name was called and it allowed them to be recognized on stage.	5/2/2016 11:01 PM
47	Some student awards were omitted.	5/2/2016 10:46 PM
48	My students were completely bored.	5/2/2016 10:45 PM
49	It was good, but there were practically no seats. My sister had to sit on the floor and ended up just sitting outside the entire time because of how annoying it was sitting on the floor.	5/2/2016 10:20 PM
50	I don't remember.	5/2/2016 10:09 PM
51	Very long!	5/2/2016 9:42 PM
52	It was significantly too long and drab. I saw many members sleeping and quite a few did not attend	5/2/2016 9:01 PM
53	very difficult to follow -	5/2/2016 9:01 PM
54	A little boring, but still cool.	5/2/2016 8:59 PM
55	Boring and too long	5/2/2016 8:58 PM
56	The district needs to make their own rubric for Club of the Year.. The AAR is flawed, even the new update.	5/2/2016 8:57 PM
57	really well organized and well done !!	5/2/2016 8:56 PM
58	It was so early though ??	5/2/2016 8:46 PM
59	Kind of boring. Maybe add a little excitement to it?	5/2/2016 8:46 PM
60	It felt like it was dragging on a bit and got slightly boring at times but overall it was fun.	5/2/2016 8:44 PM
61	it got boring at the end	5/2/2016 8:37 PM
62	Once again, the sessions are quite long	5/2/2016 8:35 PM
63	There was not enough seating in certain sections.	5/2/2016 8:34 PM
64	Awards committee needs to look into who they award club of the year to and fact check their achievement report	5/2/2016 8:30 PM
65	I won 1st place award	5/2/2016 8:23 PM
66	It could of been better my schools name was spelled wrong and the awards got mixed up.	5/2/2016 5:29 PM
67	I was made aware of the judging process and am upset about it. All the entries should have the same equal opportunity and should not be split into small groups within the contest category and judged by separate people. All entries of the same category needs to be judged by the same person/people.	5/2/2016 10:46 AM

1	Loved the board's passion.	5/7/2016 10:27 AM
2	OK but having nothing to drink but water is not good	5/7/2016 8:55 AM
3	Took too long for the board to say goodbye. We sat and watched them hug for 20 minutes...	5/6/2016 7:03 PM
4	The food as amazing, props to the chefs, and the speech the District Board gave was inspirational and aspiring to see a group of member helping and contributing to the world. Personally the emotional appeal the officers gave were sympathetic and I felt moved by it.	5/6/2016 5:26 PM
5	Food was not so good	5/6/2016 11:46 AM
6	The food same as last year. Service, pretty good. I almost cried during Shane's Farewell Address (President of the United Key Club #Meagher2032), and that was an accomplishment. Great!	5/5/2016 9:39 PM
7	i think it lagged a bit when some people were finished eating they were waiting for it start	5/5/2016 7:33 PM
8	Also a bit long	5/5/2016 4:34 PM
9	Some people didn't know that there was a ceremony after, so they left after they ate dinner.	5/5/2016 4:12 PM
10	Kind of long	5/5/2016 10:43 AM
11	Great, wonder how when the LG's are retired & new LG's welcomed the time spent hugging & crying (which is so sweet & understandable) could be hurried. I did notice the audience was a little restless waiting.	5/5/2016 9:16 AM
12	A little long because of all the crying...	5/5/2016 7:43 AM
13	The service could have been better. Took a while to just get a refill of water, after asking several times.	5/5/2016 7:27 AM
14	Food wasn't the best, kind of long, but touching.	5/5/2016 12:55 AM
15	SHANE WILL BE MISSED	5/5/2016 12:32 AM
16	I couldn't stop crying	5/4/2016 11:42 PM
17	there was bugs on the food tables	5/4/2016 10:45 PM
18	Food was delicious	5/4/2016 10:25 PM

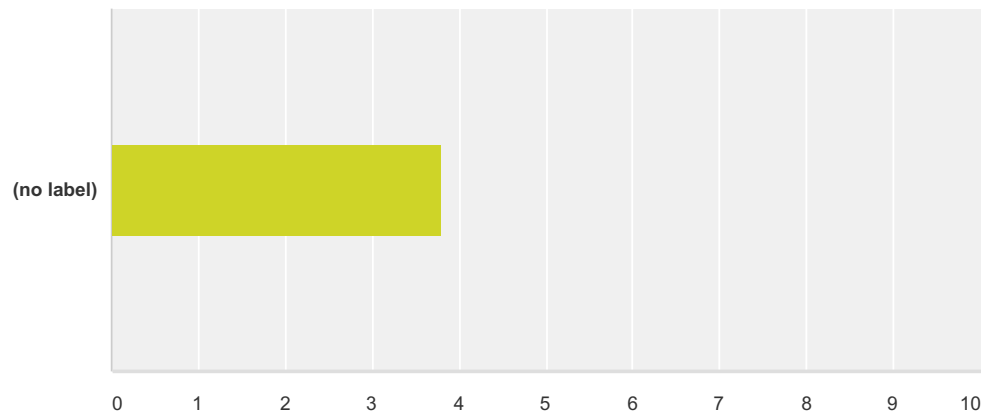

19	A few times the speeches were too long.	5/4/2016 9:59 PM
20	The food wasn't the best....	5/4/2016 9:58 PM
21	I personally enjoyed the heartfelt emotions and Shane's speech. It felt real and truly showcased his growth	5/4/2016 9:56 PM
22	almost cried	5/4/2016 9:56 PM
23	So Nice and Fancy	5/4/2016 8:53 PM
24	The	5/4/2016 8:37 PM
25	Great! The food was great for all people (vegetarians, vegan, etc)	5/4/2016 8:37 PM
26	Shane was great. Cried with him	5/4/2016 7:58 PM
27	Made me cry billions of times. The food was not in favor that evening.	5/4/2016 7:39 PM
28	People didn't get to walk with the escorts that were auctioned off	5/4/2016 9:36 AM
29	Although I appreciated the goodbyes between the old & new officers.....they hugged too long.	5/4/2016 1:56 AM
30	The farewell banquet is always nice. These kids work hard all year, and it's nice to see them end with happiness and tears. I was, however, disappointed that tea and coffee were not offered at dinner. In the past, the glasses/cups were already on the table. We asked several times for tea/coffee, and it was never brought. We didn't even get refills on our water! It just feels like the entire quality of DCON diminishes while the price goes up. Sad.	5/3/2016 9:23 PM
31	Governor Shane's speech was very touching and relatable. The video during the dinner was weird especially some parts that i guess were blanked out.	5/3/2016 7:05 PM
32	Food tasted great and everything had a nice flow to it.	5/3/2016 6:34 PM
33	When Shane started talking about his mom :(	5/3/2016 4:09 PM
34	When the LTGs entered they were going way too fast and someone should have let them go one at a time. The lady that was speaking couldn't say their names fast enough. I know last year they all came down the center walkway one at a time and I thought that was much better than having them all come down at once.	5/3/2016 3:55 PM
35	These events are long; could use a break or intermission	5/3/2016 3:41 PM
36	.	5/3/2016 2:15 PM
37	great but long and drawn out for a long time.	5/3/2016 1:30 PM
38	Much quicker than year's past.	5/3/2016 11:15 AM
39	Needs more food choices	5/3/2016 10:23 AM
40	Speeches too long. Should not be more than 5 minutes per speaker.	5/3/2016 9:55 AM
41	Start the goodbyes during the meal, too long again. spare the emotional goodbyes for after the club members leave. Dragged on and turned into an a private group up front instead of including the crowd	5/3/2016 9:23 AM
42	Too many points of "down time" for the audience sitting in the dark while board and others hugged and socialized on stage.	5/3/2016 9:22 AM
43	The chicken was tough.	5/3/2016 8:17 AM
44	Prior commitment	5/3/2016 8:14 AM
45	Shane's speech was inspiring and heart warming. His speech changed lives with that speech.	5/3/2016 8:10 AM
46	Cried too long	5/3/2016 7:58 AM
47	Enjoyed it all, even though we were far, far, far away in almost another galaxy. Our students had a wonderful dining experience and the pinning ceremony and farewells were very touching, not a dry eye at our table.	5/3/2016 7:55 AM
48	Love the stage back drop. Shane's speech probably better than Renee?	5/3/2016 7:48 AM
49	Great job with the seating it was very organized	5/3/2016 7:38 AM
50	They did not bring sweet tea, coffee, and only gave one glass of water with no refills. The salad was whatever and my friend that's a vegetarian did not like her option. Also some of the LTG awards shouldn't have been renamed.	5/3/2016 6:24 AM
51	There was a group of racist women behind our pre-dominantly colored school. The young women and their advisors were making very rude comments. However, the governor's farewell address was absolutely beautiful.	5/3/2016 5:48 AM

52	The many tear felt goodbyes should be done at another time. I was offended by the liberal political comments made by the exiting governor!	5/3/2016 4:56 AM
53	Very long. Food was amazing as always.	5/3/2016 12:29 AM
54	It was better last year where things were going on during dinner, instead of having to wait for the ball for a half hour.	5/2/2016 11:43 PM
55	The food was not as good as expected. For the price of the trip, we expected the food to have been much better, and did not like the long breaks between the Farwell for goodbyes and photos between the on stage members. That was unnecessary, and took up too much time.	5/2/2016 11:34 PM
56	Sitting in the back, many tables felt excluded and had a hard time seeing	5/2/2016 11:21 PM
57	Cried!	5/2/2016 11:18 PM
58	Shane's speech was just the most emotional yet funny thing ever	5/2/2016 11:12 PM
59	It was really difficult to see and pay attention while sitting all the way at the back.	5/2/2016 10:45 PM
60	I didn't even really know Shane or the board but their farewells made me cry plus, really good food.	5/2/2016 10:22 PM
61	It was interesting, but also sad... I cried so much and I wasn't even on the stage but it was a very special moment... Although the food was not the best, the ceremony was nice but they ended very late	5/2/2016 10:20 PM
62	Table seating for clubs winning Governor's Citation in past had been given better seats than we got this year.	5/2/2016 10:07 PM
63	Should sit LTG elects together with those closest to their division (i.e. seat divisions 25 and 26 together if they fit at one table).	5/2/2016 9:42 PM
64	I cried during Shane's speech	5/2/2016 9:22 PM
65	I teared up ??	5/2/2016 9:06 PM
66	terrible that it started late - did not enjoy pictures of BOARD on screen - liked seeing candid of people attending current DCON in past	5/2/2016 9:01 PM
67	Delicious!	5/2/2016 8:59 PM
68	Was hard to hear in the back, and difficult to get in and out since the tables went all the way to the back wall.	5/2/2016 8:58 PM
69	Boring at times	5/2/2016 8:58 PM
70	The hotel staff did an amazing job	5/2/2016 8:57 PM
71	Needs more member involvement, the board is great but club members are bored	5/2/2016 8:57 PM
72	I COULDNT KEEP CALM. SHANES SPEEECH AND HIM CRYING HAD ME BAWWLINNGGGG	5/2/2016 8:56 PM
73	It was hard to hear the speakers	5/2/2016 8:52 PM
74	I cried a couple times ngl	5/2/2016 8:46 PM
75	Though I waited for quite a long time, a waiter never visited us with a pitcher to refill water. It felt like we were ignored or didn't have a waiter at all	5/2/2016 8:40 PM
76	Portions of food were very small	5/2/2016 8:38 PM
77	the food could be a but better but overall it was great	5/2/2016 8:37 PM
78	SHANE'S SPEECH MADE ME CRY	5/2/2016 8:37 PM
79	It was very emotional and happy at the same time.	5/2/2016 8:35 PM
80	Some moments went on too long.	5/2/2016 8:34 PM
81	There was a long gap between when most people finished food and when program started	5/2/2016 8:30 PM
82	District Gov. Shane's speech was especially poignant and fitting for the evening.	5/2/2016 8:28 PM
83	Off-site event pre approved attendance	5/2/2016 8:25 PM
84	I was all the way in the back :( could barely see anything	5/2/2016 8:22 PM
85	Very long and a little confusing	5/2/2016 8:22 PM
86	My entire club was very emotional that night with the speeches and everything going on.	5/2/2016 7:36 PM
87	The food could have been better.	5/2/2016 5:57 PM

88	It took way too long, much of this could've been done in private	5/2/2016 11:02 AM
89	I kind of understood why, but the staff were a little rude	5/2/2016 10:58 AM
90	There was no iced tea this year and no one refilled our water. It was inappropriate for embarrassing pictures of the board to be displayed on a large screen for the entire district to see. It was unclear whether or not those people consented to having those pictures of themselves on there.	5/2/2016 10:46 AM
91	There was was no ice tea or coffee for people to drink. In addition the food was very bland.	5/2/2016 10:03 AM
92	The food was okay. The server never refilled our cups of water during dinner.	5/2/2016 10:02 AM
93	The food was great.	5/2/2016 2:28 AM

1	Too crowded and ran out of water	5/7/2016 8:55 AM
2	Let people chose what song to play. Please.	5/7/2016 8:45 AM
3	music wasnt loud enough! especially compared to the assemblies	5/6/2016 10:23 PM
4	The music choice did not inspire turning up	5/6/2016 10:17 PM
5	Shane is the first governor that made me cry ??	5/6/2016 8:22 PM
6	Music could be better. More water	5/6/2016 7:33 PM
7	Too crowded. It was not formal and was more like a club.	5/6/2016 6:49 PM
8	Need a better dj to play music the crowd wants	5/6/2016 6:22 PM
9	Popular, dance/club music is always preferable. More of it at the dances would be appreciated	5/6/2016 5:45 PM
10	Music wasn't very loud, lights were too bright	5/6/2016 5:38 PM
11	For the last day, the dance was splendid, amazing taste of music and filled of fun packed action in the dance floor!	5/6/2016 5:26 PM
12	The music was not diverse at all, it was only hip hop. The room was too small for all the people, and we were in formal dress so there wasn't much room to dance to hip hop. The music was so loud it gave me a headache. It could hardly be called a ball.	5/6/2016 5:13 PM
13	It was still a dance, but I wouldn't call it a ball, and there weren't any slow dances which was extremely disappointing. There needs to be some slow dances!	5/6/2016 5:13 PM
14	I feel that is needed a better selection of music.	5/6/2016 4:27 PM
15	Music was overall not music you dance to. For example, I'd love to see someone actually have fun to Stressed Out, and frankly at the ball I didnt. But overall, awesome	5/5/2016 9:39 PM
16	It was amazing!	5/5/2016 5:10 PM
17	Wasn't really a 'Ball', it was more of a high school dance...if you know what I mean.	5/5/2016 4:12 PM

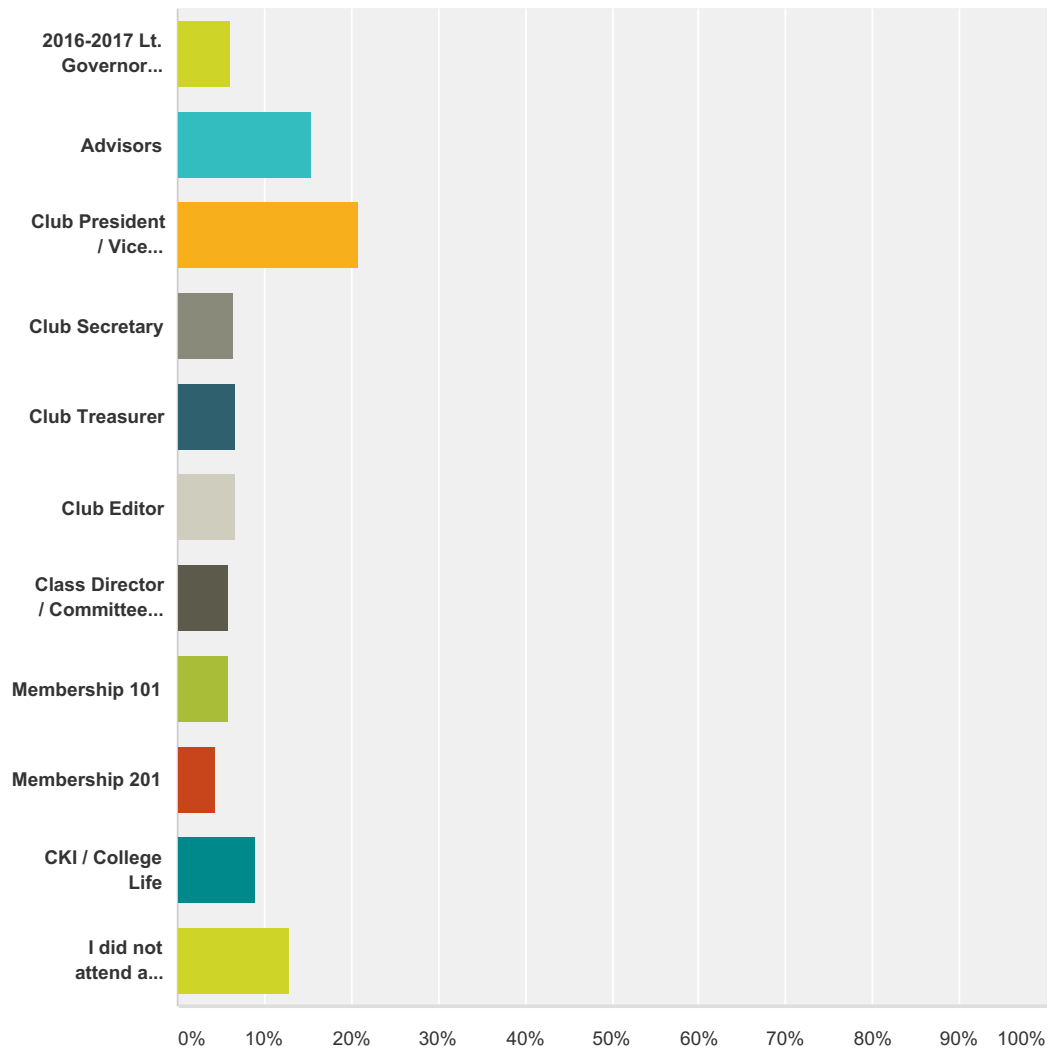

18	AMAZING, WAS BETTER THAN MY SCHOOL'S HOMECOMING. I LOVED HOW THERE WAS MUSIC FOR EVERY PERSON.	5/5/2016 10:43 AM
19	I did not go, but my students said it was better than last year & fun.	5/5/2016 9:16 AM
20	No lights and not very loud.	5/5/2016 7:43 AM
21	Dancing was not what I expected	5/5/2016 6:10 AM
22	To crowded, bad music, left after ten mins.	5/5/2016 12:55 AM
23	I didn't go because I was still crying over Shane	5/5/2016 12:32 AM
24	I heard it was really bad, my friends came back to the room right away	5/4/2016 11:08 PM
25	There was no dance designated for those who bought a person in the endowment fund auction	5/4/2016 10:45 PM
26	My roomies all said it was super fun.	5/4/2016 10:25 PM
27	The music was okay but not typically my music so I don't think people would like to just have a dance based off the music I like to hear at dances	5/4/2016 9:58 PM
28	My kids only stayed ten minutes	5/4/2016 9:56 PM
29	It felt just like the Friday Entertainment session. Both of the events were fun and interactive (I still think it's funny how there were rave sticks), but I think they had more potential as a fun session for bonding. In terms of the music selection, songs with inappropriate parts that were blurred out shouldn't have been set to play in the first place because everyone screamed the lyrics on the top of their lungs anyway and all that really did was make the adults nervous/shocked/uncomfortable/hesitant to play more upbeat, "danceable" music.	5/4/2016 9:14 PM
30	Played inappropriate music and was really crowded in a small room	5/4/2016 8:53 PM
31	The dance area was too small and caused me to get my foot jumped on by a high heel	5/4/2016 8:37 PM
32	The room was a bit crowded.	5/4/2016 8:37 PM
33	The space in which the ball was held was crowded.	5/4/2016 8:09 PM
34	DJ was horrible. Never get that DJ again. Didn't like the room it was in, made it feel even more packed Prefer that room they had it in in 2014	5/4/2016 7:58 PM
35	The only thing that I did not enjoy about the dance was the choice of music. Next year the Governor's Ball should have music that is more similar to all the sessions.	5/4/2016 7:32 PM
36	Less supervision in the space than normal. Some dancing was inappropriate and invasive. Students left for that reason.	5/4/2016 7:14 PM
37	Music choice was very poor.	5/4/2016 11:26 AM
38	Students mentioned it was really crowded, and I think many of them opted for the pool instead. But the ones who went seemed to have a great time.	5/4/2016 8:45 AM
39	Better music, better DJ	5/3/2016 10:03 PM
40	There should be more space for the kids to dance seeing as several hundred people total attend DCON. Also, DJ should be more open to music suggestions.	5/3/2016 9:49 PM
41	Could have been a more spacious dance floor and not end so early.	5/3/2016 7:05 PM
42	The DJs played almost all the same songs as the dance Thursday Night	5/3/2016 6:34 PM
43	The music choice could have been better.	5/3/2016 6:21 PM
44	Music could have been played better and the whole song didn't need to be played but the overall experience was great!	5/3/2016 4:11 PM
45	It was super lit	5/3/2016 4:09 PM
46	We only stayed for a few minutes because of the music. Barely any current music was played. People were just standing on the dance floor not dancing. The DJ also played a lot of Spanish music. Most of the non-Spanish people walked off the dance floor when this can on.	5/3/2016 3:55 PM
47	The best ball I have ever went to.	5/3/2016 3:44 PM
48	My students liked the music during the awards, banquet, and other events better than the dance music at the Governor's Ball.	5/3/2016 3:41 PM

49	Could have used a better dj	5/3/2016 2:54 PM
50	it was great but there couldve been better music and lots more space. it was really packed and hot	5/3/2016 1:30 PM
51	Not good music, too many kids, not nearly enough supervision.	5/3/2016 10:52 AM
52	From what I heard from students, there should be more inter-active activities. Maybe ice-breakers, or something to get the kids to mingle.	5/3/2016 9:55 AM
53	many kids left, not enough room. should offer refreshments	5/3/2016 9:23 AM
54	Sound needed to be cranked up a little more. We were on the dance floor and could not really hear what song was playing. Maybe ask the DJ for a clearer sound with amplified bass, instead of just bass and no tenor/higher sounds.	5/3/2016 8:56 AM
55	Prior commitment	5/3/2016 8:14 AM
56	too much hispanic music our students wanted to dance, but seemed every other song was from hispanic genre.	5/3/2016 7:55 AM
57	The DJ should've took into consideration other people's choice of selections.	5/3/2016 7:43 AM
58	The room was clearly way too small to fit everyone on the dance floor. We were literally on top of each other trying to dance.	5/3/2016 7:11 AM
59	For the love of god and all that is holy, please play better music.	5/3/2016 6:39 AM
60	It was very fun but the songs the put were un danceable and they were played for too long. Also in the ball and the meet and greet the water ran out in two minutes.	5/3/2016 6:24 AM
61	The rude group of racist young ladies and their advisor kept whispering to other key clubbers to stay away from us. So as president, I told my club members if they wish to leave they may. We all left.	5/3/2016 5:48 AM
62	Could not hear music and song choice was not very good	5/3/2016 5:28 AM
63	So many people for such a small room	5/3/2016 12:29 AM
64	Better than last year, but music selection was poor.	5/2/2016 11:43 PM
65	Music was not very good. Couldn't see in the room. Should have been set up more as a formal dance ( as expected with the name "ball")	5/2/2016 11:34 PM
66	The music could have been better, instead of being one sided ( mostly Spanish songs) play a variety of songs from different genres	5/2/2016 11:12 PM
67	Needed better modern music then rap	5/2/2016 10:46 PM
68	My students had fun but said the DJ could have been better.	5/2/2016 10:45 PM
69	Too many kids just huddled together. My friends and I went to the pool instead.	5/2/2016 10:22 PM
70	It was good, but the only complaint was that it started way too late and nobody thought of extending curfew time since we had a WAY too short amount of time to enjoy ourselves.	5/2/2016 10:20 PM
71	Some of my students left the Ball due to inappropriate dancing and music.	5/2/2016 10:17 PM
72	It was LIT	5/2/2016 9:22 PM
73	The music at the Governor's Ball was really good, but it wasn't very good at the Meet and Greet.	5/2/2016 9:16 PM
74	Why that music?	5/2/2016 9:01 PM
75	Not very interesting, and only appealing to a certain section of people.	5/2/2016 8:59 PM
76	Too cramped and bad music	5/2/2016 8:58 PM
77	The music was kind of bad. Would have liked to hear more music played from Friday night's entertainment session.	5/2/2016 8:57 PM
78	I HAD SO MUCH FUNNNNN	5/2/2016 8:56 PM
79	I'm from the Cayman Islands and the music that was playing at the ball was good, but myself as well as the others from Cayman would have liked some music from our background like soca (machel montano)	5/2/2016 8:52 PM
80	More room needed.	5/2/2016 8:46 PM
81	Too dark	5/2/2016 8:40 PM
82	The room the ball was held in was way to small	5/2/2016 8:38 PM
83	I love dancing so I enjoyed myself, but the songs weren't that great and it felt more like a school dance than a "ball"	5/2/2016 8:37 PM

84	Some of the songs weren't dancing songs, so maybe better music	5/2/2016 8:35 PM
85	Way too crowded with too many people dancing inappropriately for me to have a great time.	5/2/2016 8:34 PM
86	The music could have been better, but overall it was okay.	5/2/2016 8:30 PM
87	The dance could of be better like with slow songs	5/2/2016 8:29 PM
88	Off-site event pre approved attendance	5/2/2016 8:25 PM
89	Music was not the best.	5/2/2016 8:24 PM
90	Made new friends	5/2/2016 8:23 PM
91	I am not really one into raves. It wasnt fun for me being a socially awkward person. Not every song has to be one you jump up and down to.	5/2/2016 7:36 PM
92	It was out of control and not classy whatsoever so my freinds and I left early to go to the pool.	5/2/2016 5:57 PM
93	The song playlist could've been better	5/2/2016 5:45 PM
94	play better music	5/2/2016 5:38 PM
95	Very hard to talk to people with such loud music and dark lighting	5/2/2016 5:36 PM
96	The music Sucked and the dance floor was to small	5/2/2016 11:33 AM
97	The music was horrible, the past years I have been there were great. Then they change the Dj to music people can't even dance too.	5/2/2016 10:07 AM
98	Music was too quiet at the beginning and the music was to low.	5/2/2016 7:42 AM
99	The farewell banquet took too long and shorten our time in the dance. The music was also very bad and not something to dance to.	5/2/2016 2:28 AM

1	If I was a new advisor I would have left after the first one, which our new faculty advisor did. There was nothing that would help any of us there.	5/7/2016 8:55 AM
2	Very informative	5/6/2016 9:16 PM
3	Long	5/6/2016 8:22 PM
4	Always helpful for new secretaries :)	5/6/2016 5:45 PM
5	Great information.	5/6/2016 5:42 PM
6	Mira was EXTREMELY helpful and seemed very empowered, confident, and helpful	5/6/2016 5:38 PM
7	Such a great workshop, taught me the responsibility of being club treasurer and the duties I must do in order to expedite a successful year in the governor's project.	5/6/2016 5:26 PM
8	It gave me a lot of helpful tips that I WILL be using.	5/6/2016 5:13 PM
9	Not prepared, extremely non-informational.	5/6/2016 4:55 PM
10	Big thanks to Jose! He helped me understand the position much better.	5/6/2016 4:27 PM
11	Most of the information provided were things I already knew.	5/6/2016 12:32 PM
12	I didn't learn that much	5/5/2016 10:51 PM
13	I was auditioning for my oratorical contest	5/5/2016 9:39 PM
14	Helping with LTG Binders	5/5/2016 9:10 PM
15	The husband and wife team were a lovely couple; however, the presentation had an abundance of "common sense" information that even new advisors would know. The handout was great, though. Many people don't realize the resources available to the club and advisors on floridakeyclub.org. The handout was information taken from the website.	5/5/2016 9:09 PM
16	I really learned a lot about my duties for this upcoming year as well as what was expected of me after the conference.	5/5/2016 5:50 PM
17	There is a lot for first year advisors, but I'd like to see a few more options overall.	5/5/2016 4:34 PM

18	Really great speakers and information!	5/5/2016 4:12 PM
19	It was very interactive. I love it when they ask us questions instead of speaking the entire time	5/5/2016 2:12 PM
20	VERY INFORMATIVE.	5/5/2016 10:43 AM
21	I felt that the content was more about the organization and its background than information that would help advisors.	5/5/2016 9:41 AM
22	I learned about some important things about being a VP	5/5/2016 12:55 AM
23	I think it would have helped if there was a meet and greet with all the Presidents and VP's just so people could establish connections with other clubs	5/4/2016 10:52 PM
24	My kids said the officer workshops were too basic and were general things they already knew	5/4/2016 9:56 PM
25	i already knew most of the material from 101, Was basically a review.	5/4/2016 9:56 PM
26	More ice breakers, they're cute and help ease the tension in the room.	5/4/2016 9:14 PM
27	Seemed to run out of information, had periods of time with no stimulus	5/4/2016 8:37 PM
28	Very helpful	5/4/2016 8:37 PM
29	I really appreciated the current and incoming district secretaries being there, they gave a lot of helpful information because they had been in our positions before!!	5/4/2016 8:23 PM
30	Eye opening and helpful	5/4/2016 7:39 PM
31	Judging	5/4/2016 7:22 PM
32	I think that the workshop should have focused more on different actual key club events rather than just different service organizations by Kiwanis	5/4/2016 7:07 PM
33	The presenters were amazing! They were very relatable and kept the crowd engaged.	5/4/2016 11:26 AM
34	Need differentiated workshops. Not a one size fits all for new and seasoned advisors.	5/4/2016 9:14 AM
35	I didn't really learn anything new. Maybe took one or two gems of info, but that's it.	5/4/2016 8:45 AM
36	Having three presenters hasn't beneficial especially when there was only one pulling the weight. Also, I didn't understand why the candidates were presenting a workshop for a position they'd hope they would get elected into and would have the District Treasurer standing in the back.	5/4/2016 7:45 AM
37	I am afraid I was nodding off.	5/4/2016 1:56 AM
38	I ended up getting a migraine after the caucus session and had to go back to my room. :( I had never missed a session at any other DCON until this year.	5/3/2016 9:23 PM
39	I knew what I was taught already	5/3/2016 7:05 PM
40	Helpful, gave me lots of ideas and was absolutely wonderful	5/3/2016 6:59 PM
41	Speakers were familiar and very capable.	5/3/2016 6:34 PM
42	I was judging Oratory Prelims	5/3/2016 6:03 PM
43	A little dry but clear and informative informative.	5/3/2016 4:11 PM
44	The people speaking really knew what they were talking about	5/3/2016 4:09 PM
45	Way to long and they dragged it out. Being a teacher, I am used to efficiency, and that workshop could have been done in 30 minutes.	5/3/2016 3:55 PM
46	We could not leave until Friday after school	5/3/2016 3:41 PM
47	Information was geared towards brand new advisors. Powerpoint slides were read to audience. No chance opportunity for interaction with other advisors.	5/3/2016 1:37 PM
48	more prepared	5/3/2016 11:05 AM
49	BORING. Geared toward newly chartered clubs and very very slow moving. Couldn't stay awake.	5/3/2016 10:52 AM
50	I am a veteran advisor and they went over the basics of chartering a club and how to do stuff I already knew. It was not helpful.	5/3/2016 10:24 AM
51	The leaders of the workshop seemed to think that we were the Presidents/Vice Presidents this year and thus kept asking us questions we didn't know instead of giving us advice.	5/3/2016 9:40 AM

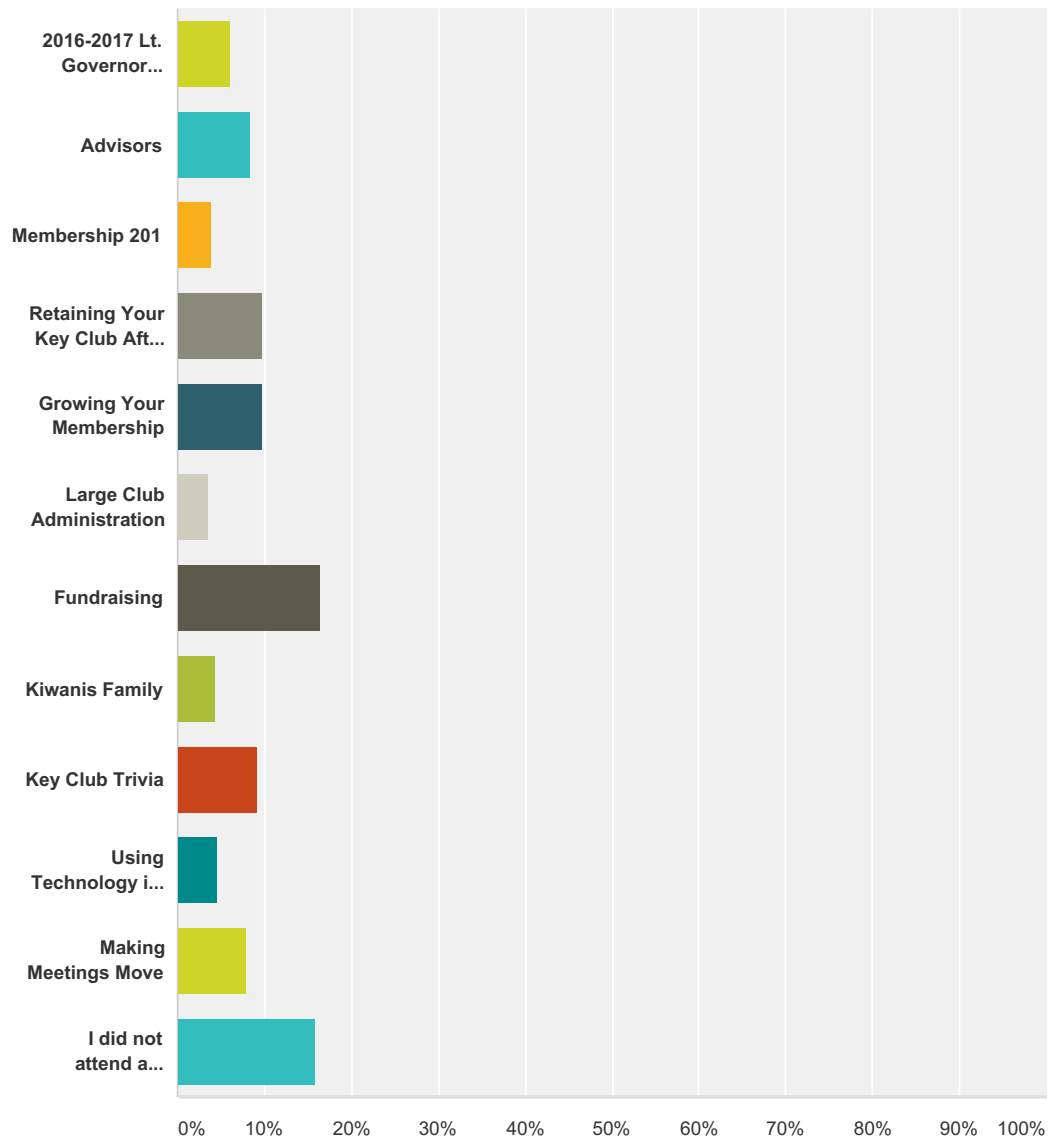

52	Was disappointed session was only for new advisors, took literature and left.	5/3/2016 9:16 AM
53	Not going to lie, I almost fell asleep. The information was great, but maybe there should be a "new advisors" workshop and a "seasoned advisors" workshop.	5/3/2016 8:56 AM
54	Jose was very helpful in teaching all of the club secretaries how to do their job!	5/3/2016 8:52 AM
55	Spouses were arguing with each other and simply read Power Points. Opposite of the teacher from last year, who came from Indianapolis. Even brand new advisors commented that it was a waste of their time.	5/3/2016 8:25 AM
56	The information was truly not helpful for me.	5/3/2016 8:17 AM
57	Good info about CKI and college life.	5/3/2016 8:14 AM
58	The advisors workshop was titled "First Year Advisors" but all of us were required to sit in this session. The presenters stood at the front of the room and read a script. I learned absolutely nothing. There was no opportunity for us to learn from one another or to share ideas. There was no energy or excitement in the room. It was a huge waste of time.	5/3/2016 8:10 AM
59	I knew most of the info. Was pretty generic	5/3/2016 8:07 AM
60	I got a lot of useful information for my club	5/3/2016 8:04 AM
61	Too much time for the workshop	5/3/2016 7:58 AM
62	Boring-did not get anything new	5/3/2016 7:55 AM
63	The presenter started by saying that she was a last minute addition, and that she didn't create any of the materials. She gave us a packet, and then proceeded to read to us from it. Presenters alluded to techniques by bragging about their own zone's accomplishments, but failed to provide any workable, helpful, and constructive solutions to issues that we may be facing. What we have to remember for next year is that we are speaking to a roomful of educators. We know when someone is unprepared and we don't have patience for being talked at. It would be nice to have time to speak to other advisors since they're the ones who do it everyday.	5/3/2016 7:38 AM
64	All of the information was basic, which I expected but once we were done, there was lots of time left and we sat and did nothing. Well we played a game which was boring.	5/3/2016 7:08 AM
65	Not very well organized	5/3/2016 6:50 AM
66	I would have attended, but it said for NEW advisors.	5/3/2016 6:46 AM
67	Although one out of the 3 people that headed our workshop seemed qualified, I feel it should have been our district treasurer Elieen teaching it because she has the most experience and is the best qualified	5/3/2016 6:24 AM
68	I was judging talent preliminaries during all the workshop sessions.	5/3/2016 12:29 AM
69	Not enough seats for everyone so I was forced to stand in the back.	5/2/2016 11:43 PM
70	Provided me with a lot of useful information	5/2/2016 11:21 PM
71	It was very basic even for a new advisor and very boring I am sorry to say.	5/2/2016 11:01 PM
72	The advice given at this work shop was invaluable. It taught me a lot about how I can lead my club.	5/2/2016 10:48 PM
73	The information provided was very good but the delivery was AWFUL - very slow and unorganized.	5/2/2016 10:45 PM
74	So boring I almost fell asleep on the stranger next to me	5/2/2016 10:20 PM
75	Since I have been a faculty advisor for three years, I did not gain much from the information provided as it was for new advisors.	5/2/2016 10:17 PM
76	learned a lot	5/2/2016 9:57 PM
77	Very informative and useful. I learned a lot of things due to this workshop that I didn't know I could ever know. It's opened me up to many opportunities and I'm glad I attended it.	5/2/2016 9:36 PM
78	Very very boring	5/2/2016 9:34 PM
79	Too long	5/2/2016 9:32 PM
80	Presenters almost read to us. Boring. Tedious. Little interaction. Several years ago, some of the workshops had Faculty Advisors from very active schools give presentations about their clubs....what they did..membership, meetings, awards, responsibilities, rules, etc. These workshops were outstanding. Questions were asked, audience participated. Best session ever. There needs to be more of those types.	5/2/2016 9:30 PM
81	nothing new for me	5/2/2016 9:15 PM
82	Because I'm not attending college in Florida, it really did not apply much to me on the Florida CKI level	5/2/2016 9:06 PM

83	The leaders will ill prepared and not informed.	5/2/2016 9:01 PM
84	same info we have heard many times before	5/2/2016 9:01 PM
85	Boring. Though Governor Shane was awesome!	5/2/2016 8:59 PM
86	Carly presented herself and her information well.	5/2/2016 8:57 PM
87	i was really well informed about CKI and will like to join it when i attend college	5/2/2016 8:56 PM
88	Shane is the best	5/2/2016 8:46 PM
89	The speaker did not have a microphone and did not speak loud enough, therefore people in the back such as myself could not hear them clearly.	5/2/2016 8:45 PM
90	boring and it it not apply to all the people in the room.	5/2/2016 8:44 PM
91	Learned new things I can bring back to my club	5/2/2016 8:40 PM
92	very good resources	5/2/2016 8:37 PM
93	Wasn't particularly helpful.	5/2/2016 8:34 PM
94	I loved the way the board presented their information, it was excellent.	5/2/2016 8:32 PM
95	Needed to know the basics not a history lesson	5/2/2016 8:22 PM
96	A lot of it was what I already knew about my position, but there were a few interesting points. However the students finished fast so they ended up just playing games like matchmaker which, while it is fun, can be slightly annoying because I went there to learn.	5/2/2016 7:36 PM
97	Get more into key club terminology so we can have a better understanding of positions and things of that nature.	5/2/2016 5:57 PM
98	It was kind of like duh answers but some of the tips were helpful especially for vice president. Most clubs dont know what to do with there club vice presidents.	5/2/2016 5:29 PM
99	Boring, I can read the rules myself	5/2/2016 11:02 AM
100	Didn't go in specific detail on filling out the prude report.	5/2/2016 10:58 AM
101	It was boring a repetitive, I learned nothing	5/2/2016 7:25 AM

1	The same as the first	5/7/2016 8:55 AM
2	the guy who presented was soo mean! :(	5/6/2016 10:23 PM
3	A bit redundant, gave many good points but was kinda common sense, didn't go too into detail as to how to get things done	5/6/2016 10:17 PM
4	Couldn't hear the speakers that well	5/6/2016 9:16 PM
5	Long	5/6/2016 8:22 PM
6	I spoke as a volunteer.	5/6/2016 6:49 PM
7	Very unorganized this year	5/6/2016 5:45 PM
8	Almost repetitive as Club Treasurer workshop. Might be my fault, could've predicted that.	5/6/2016 5:42 PM
9	It was just a little bit of PowerPoint, and a good 90% was spent with class members presenting their ideas	5/6/2016 5:38 PM
10	Amazing speakers, learn many great fundraising ideas for my school to raise for next year DCON. Fun activities and a great learning experience.	5/6/2016 5:26 PM
11	The first was so bad, I could not make myself go back.	5/6/2016 4:55 PM
12	It was good at helping me understand all the branches of Kiwanis.	5/6/2016 12:32 PM
13	I learned a lot	5/5/2016 10:51 PM
14	The information was sped through. I knew most of the material, and the icebreaker was ok	5/5/2016 9:39 PM
15	Helping with LTG Binders	5/5/2016 9:10 PM
16	The speaker was barely audible as his mic was too low and he would not pause for us to take notes. He was also just reading off of his presentation and had few technological skills to help us in advising us about the position.	5/5/2016 9:06 PM
17	wasn't as informative as i thought it would be	5/5/2016 7:33 PM
18	Ice breaker was really long and lost a lot of the members attention.	5/5/2016 4:12 PM
19	Very boring. Not interactive at all.	5/5/2016 2:12 PM

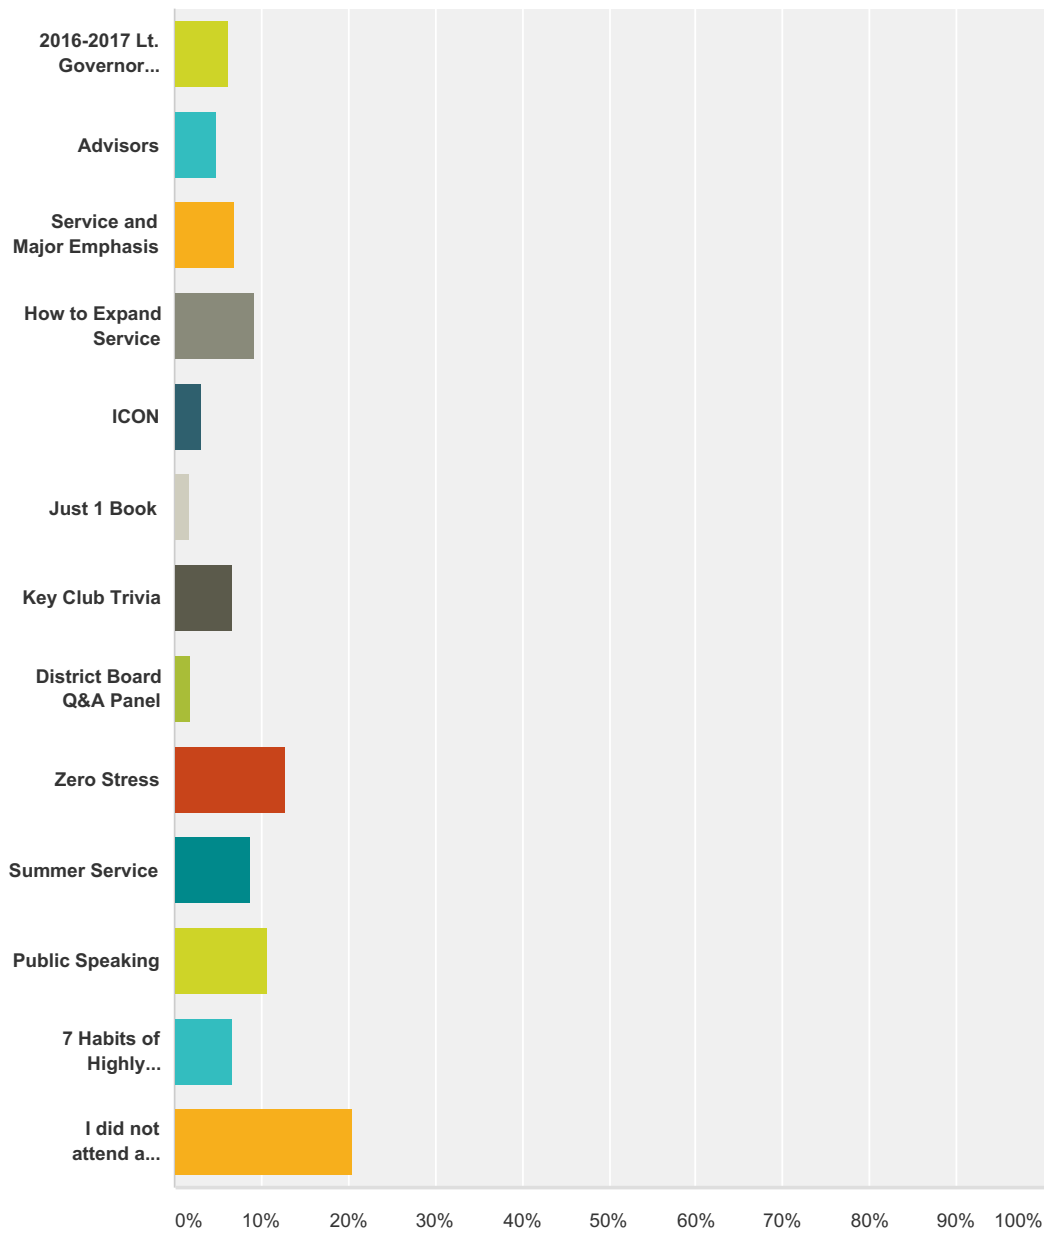

20	Not very relevant information.	5/5/2016 9:41 AM
21	Went by very quickly but good information	5/5/2016 6:10 AM
22	Very involved, it itself was an example and the /experience/ taught me, I didn't just listen to them talk	5/4/2016 11:08 PM
23	The speaker had a very low voice and it sounded like he didn't want to do it so he rushed through it and I didn't receive all the information	5/4/2016 9:58 PM
24	My students enjoyed fundraising and retaining our members	5/4/2016 9:56 PM
25	still knew most of the material	5/4/2016 9:56 PM
26	The points and steps described were very helpful	5/4/2016 8:37 PM
27	They were a bit unprofessional at times.	5/4/2016 8:37 PM
28	Most of the information I derived from this workshop was from comments from other Key Clubbers about how they've gotten members to stay, and the speaker giving his own ideas; the group brainstorming definitely helped me a lot!	5/4/2016 8:23 PM
29	EXTREMELY BORING most of us were on our phones. Not executed properly.	5/4/2016 7:39 PM
30	Judging	5/4/2016 7:22 PM
31	Could have used a bit more content, or gone through the notes a bit slower (wasn't able to write down notes fast enough to keep up with the presentation)	5/4/2016 7:07 PM
32	It just restated everything provided in my 2016-2017 webmaster booklet so I did not find it very useful for this coming year	5/4/2016 5:50 PM
33	Presenters were not very enthusiastic, but they did handle unexpected things that occurred during the presentation	5/4/2016 11:26 AM
34	Better information that had my interest.	5/4/2016 1:56 AM
35	The work shop gave me a lot of history on key club	5/3/2016 9:50 PM
36	I ended up getting a migraine after the caucus session and had to go back to my room. :( I had never missed a session at any other DCON until this year.	5/3/2016 9:23 PM
37	I have never been in a more energetic workshop! It was filled with good ideas, interactive and exciting to be in. I loved the presenters especially the guy who did it since he was doing well making sure everyone was engaged.	5/3/2016 7:05 PM
38	Had many good tips about keeping members and enticing people to stay.	5/3/2016 6:34 PM
39	The audience could be engaged a little more	5/3/2016 6:03 PM
40	Probably one of the most informative	5/3/2016 4:09 PM
41	Very fun	5/3/2016 2:54 PM
42	couldve had more examples and less wasted time. also could have given more fundrasing options	5/3/2016 1:30 PM
43	I understand we have a lot of new advisors, so I thought the ppt was meaningless to us old timers.	5/3/2016 11:15 AM
44	It seemed that the workshop presenters were lost/hadn't looked at the info before hand.	5/3/2016 10:31 AM
45	Didn't really give help on keeping kids active 2nd semester. But it was good information, found an APP that tracks service hours and events during this session.	5/3/2016 10:24 AM
46	It ended far too soon, and seemed as though little preparation was made for the presentation.	5/3/2016 10:06 AM
47	The leaders kept going off on tangents and did not really help in any way to about increasing our membership.	5/3/2016 9:40 AM
48	See 13	5/3/2016 9:16 AM
49	It was way crowded, and the speakers weren't loud enough.	5/3/2016 8:52 AM
50	The leaders rambled and repeated each other. This was not useful.	5/3/2016 8:17 AM
51	Sick friend. The sergeant at arms was slightly rude more so than required to keep us safe. My friend has three different diseases and she immediately needed her medicine and to lay down. We also were required to stay in groups, but he wanted to send her by herself when she looked ready to fall down.	5/3/2016 8:14 AM
52	The advisors workshop was titled "First Year Advisors" but all of us were required to sit in this session. The presenters stood at the front of the room and read a script. I learned absolutely nothing. There was no opportunity for us to learn from one another or to share ideas. There was no energy or excitement in the room. It was a huge waste of time.	5/3/2016 8:10 AM

53	Was disappointed that Advisors only had one workshop and it was basically the same packet of information for 3 hours.	5/3/2016 8:04 AM
54	great ideas and students did a phenomenal job. Lots of good sharing going on at this WS	5/3/2016 7:55 AM
55	20 mintue class, read the slides, rest of the time spent playing games	5/3/2016 7:39 AM
56	I learned about an app from a fellow key clubbed that will help my club with over 200 people.	5/3/2016 7:14 AM
57	It was, very good I got lots of information	5/3/2016 7:08 AM
58	It was wayyyy to crowed and I had to sit in the back were I could not here a world the LTGs were saying	5/3/2016 6:24 AM
59	Professional, well thought out, presentation	5/3/2016 4:56 AM
60	Exciting workshop! Got a lot of new ideas and loved that the persons in charge kept interacting with the crowd. It was nerve wrecking to see who he would call on.	5/3/2016 2:33 AM
61	Well done!	5/2/2016 11:43 PM
62	Some fun ideas	5/2/2016 11:01 PM
63	I couldn't hear most of the people who spoke, and there were very few fundraising ideas that were explained.	5/2/2016 10:48 PM
64	It helped a lot and gave me ideas to share with my club.	5/2/2016 10:22 PM
65	Could not hear anything, room was too big but yet crowded , I couldn't even see the PowerPoint	5/2/2016 10:20 PM
66	It wasn't any new information	5/2/2016 10:08 PM
67	While the speaker was not the most interactive, it was a very informative workshop. Lots I learned and was opened up to. Already getting started on plans for next year!	5/2/2016 9:36 PM
68	Lost some if the advisors from the first	5/2/2016 9:34 PM
69	Repeat answer for #12. Boring, uninteresting. Attendance dropped by 60% from first to second session.	5/2/2016 9:30 PM
70	I couldn't hear much from the back	5/2/2016 9:06 PM
71	too much time on "icebreaker" activities	5/2/2016 9:01 PM
72	I almost fell asleep.	5/2/2016 8:59 PM
73	Not as interactive or exciting as membership 101	5/2/2016 8:52 PM
74	Got sick	5/2/2016 8:46 PM
75	Basically just ice breakers. Could have more useful information but also tough to spread over a 55 minute period	5/2/2016 8:40 PM
76	Good interactions and sharing of ideas!	5/2/2016 8:40 PM
77	It was boring	5/2/2016 8:38 PM
78	It wasn't very specific, probably because the webmaster is a new position.	5/2/2016 8:37 PM
79	Wasn't particularly helpful.	5/2/2016 8:34 PM
80	Really needs to be a limited size, the bigger the crowd the less fun	5/2/2016 8:32 PM
81	This workshop was nice and I loved the board, but I wish it was more organized.	5/2/2016 8:32 PM
82	Well prepared speakers, but methods were not that enlightening.	5/2/2016 8:28 PM
83	Information was very basic/common sense. Ended early and didn't seem very organized. Simply read off of powerpoint.	5/2/2016 8:24 PM
84	Amazingly informative!	5/2/2016 5:57 PM
85	There weren't many tips shared. And they made people speak about what works for their club, rather than giving ideas	5/2/2016 5:45 PM
86	The Male LTG was bossy and rude to attendees.	5/2/2016 5:40 PM
87	Too many ice breakers	5/2/2016 5:36 PM
88	My club was ignored and wasnt allowed to share our ideas fof meetings.	5/2/2016 5:29 PM
89	This workshop felt like its only purpose was to fill time.	5/2/2016 1:39 PM
90	I didn't really learn a lot	5/2/2016 11:33 AM

91	The presenters are sweet but I didn't learn anything new	5/2/2016 7:25 AM
92	I got many more ideas to bring back to my home club. I look forward to raising more money to not only help our school and community more, but also bring more people to DCON.	5/2/2016 6:56 AM
93	The guy in charge was very boring and did not have any activities or icebreakers that could get everyone involved.	5/2/2016 2:28 AM

1	Nothing for us to share or learn	5/7/2016 8:55 AM
2	Long	5/6/2016 8:22 PM
3	It didn't anything new . Most of the information was common sense. I was expecting more out of it . Like deeper into the idea of public speaking. But it was just basics you could have learned by asking anyone or even by thinking of it.	5/6/2016 7:35 PM
4	Could have been more interactive and engaging	5/6/2016 5:45 PM
5	Not a lot of helpful information.	5/6/2016 5:42 PM
6	It was very helpful, and Neil knew how to add flare to something that would usually be boring	5/6/2016 5:38 PM
7	Quite dull, most of the tips to deal stress I already practiced, other than that it was educational.	5/6/2016 5:26 PM
8	My students came to me after the District Board Q and A panel and were shell-shocked by the inappropriate conversations that occurred during this adult-free session. I am appalled at the conversations that transpired by our supposed "upstanding" District Board.	5/6/2016 4:55 PM
9	It offered some good advice, but a lot of the information were things my key club could have come up with anyway.	5/6/2016 12:32 PM
10	I really liked how the speakers during the session (Martha Grace and Alyssa Frank) KNEW what she was saying	5/5/2016 9:39 PM
11	Lesson part was really short and the activity was very time consuming/uninteresting.	5/5/2016 4:12 PM
12	Speakers were a bit uncertain about the information that they were presenting	5/5/2016 2:12 PM
13	didn't learn much to be honest	5/5/2016 10:43 AM
14	This session was a Q&A session that was tremendously helpful. Maybe providing a session specific to first time faculty advisors?	5/5/2016 9:41 AM
15	I was exhausted & needed to take a small nap.	5/5/2016 8:34 AM
16	Did not help me at all	5/5/2016 6:10 AM
17	The presenter never showed up to present.	5/4/2016 11:53 PM
18	No one showed up to give the presentation	5/4/2016 11:08 PM

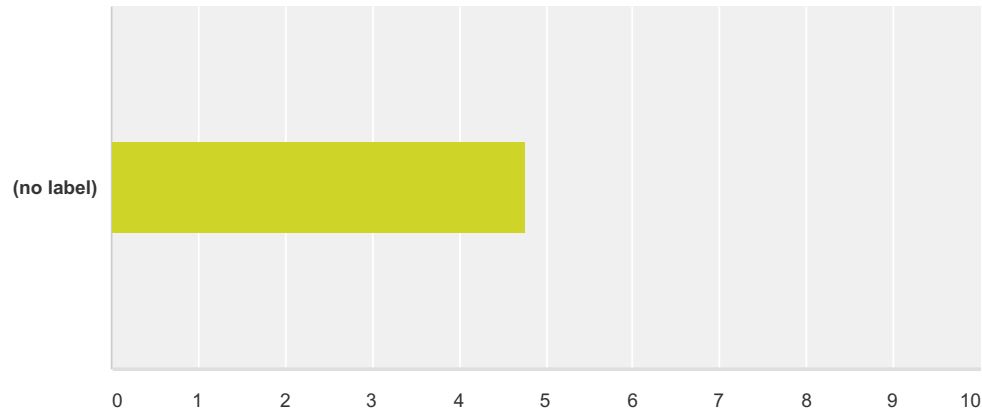

19	Pretty unorganized	5/4/2016 10:52 PM
20	I love the excessive/practice things we did it was great	5/4/2016 9:58 PM
21	My students did not attend the third workshop	5/4/2016 9:56 PM
22	it's not listed; but it was the March of dimes and UNICEF one; lots of time afterwards	5/4/2016 9:56 PM
23	The questions we're very interesting questions someone asked if Jose was a reptilian overlord....	5/4/2016 9:31 PM
24	The presenters could have been more thorough	5/4/2016 8:37 PM
25	I could've chosen a better one.	5/4/2016 8:37 PM
26	It was less competitive this year since last year it was a matter of defense of your gender, so a lot of people didn't really feel hyped enough to participate.	5/4/2016 8:23 PM
27	Hosts were good, very engaging	5/4/2016 7:58 PM
28	BORING. Extremely slow and uneventful.	5/4/2016 7:39 PM
29	Judging	5/4/2016 7:22 PM
30	The amount of time allotted for this workshop was too much. As the presenter of this workshop, I was easily done in 30 minutes and was forced to play matchmaker for the remaining 20 minutes. I even added additional information to the presentation and still could not meet the time requirement.	5/4/2016 7:14 PM
31	No structure was pretty pointless	5/4/2016 7:09 PM
32	Presentation got off to a slow start. Didn't discuss much trivia. Just a bunch of kids showing off their weird talents.	5/4/2016 11:26 AM
33	Overall, students mentioned that their sessions were too long. They said they could have all been about 30 minutes. That's how much time was filled with real information. After that, it seemed like time was being wasted. I would definitely shorten the sessions in the future.	5/4/2016 8:45 AM
34	Questions and answers were very helpful.	5/4/2016 1:56 AM
35	I ended up getting a migraine after the caucus session and had to go back to my room. :( I had never missed a session at any other DCON until this year.	5/3/2016 9:23 PM
36	I went to ICON last year and compared to the Public Speaking workshop they had, this one was sub-par. There should be more group public speaking practice activities.	5/3/2016 7:05 PM
37	The powerpoint was extremely short and we ended with about 20-30 minutes to spare.	5/3/2016 6:34 PM
38	We could not leave until Friday after school	5/3/2016 3:41 PM
39	Give more tips for public speaking	5/3/2016 2:54 PM
40	Icebreakers don't belong in conference sessions. Wasted most of the session on one icebreaker and then didn't get any new info when it did finally start. No new ideas or resources. Very disappointing.	5/3/2016 10:52 AM
41	Really pushed the Florida tour but had little information if you wanted to go by yourself.	5/3/2016 10:24 AM
42	She had no idea what she was doing	5/3/2016 10:23 AM
43	This workshop was very good and taught me a lot of service project opportunities!!	5/3/2016 9:40 AM
44	See 13	5/3/2016 9:16 AM
45	The speaker didn't show up. I left after 20 minutes.	5/3/2016 8:29 AM
46	The first two sessions led me to believe the third would be unproductive. I had papers to grade.	5/3/2016 8:17 AM
47	Puking friend.	5/3/2016 8:14 AM
48	The advisors workshop was titled "First Year Advisors" but all of us were required to sit in this session. The presenters stood at the front of the room and read a script. I learned absolutely nothing. There was no opportunity for us to learn from one another or to share ideas. There was no energy or excitement in the room. It was a huge waste of time.	5/3/2016 8:10 AM
49	Took board photos	5/3/2016 7:58 AM
50	Loved all the shared ideas	5/3/2016 7:55 AM
51	like the Q & A style to learn from other schools	5/3/2016 7:44 AM
52	Shane and Jose opened up about a lot of things	5/3/2016 7:14 AM

53	It was amusing but not all to helpfull.	5/3/2016 7:08 AM
54	Not really giving us the chance to try public speaking	5/3/2016 6:43 AM
55	No one showed up to talk about the workshop and I sat in a room for an hour doing nothing productive.	5/3/2016 6:24 AM
56	Too much teaching and not enough practicing. Then when it came to practice, only a few could practice. Find a way to incorporate everyone!	5/3/2016 2:33 AM
57	Very well done- with our new governor of course!	5/2/2016 11:43 PM
58	speaker didnt show up	5/2/2016 11:33 PM
59	Really fun and informative and good practice.	5/2/2016 10:46 PM
60	It was just being read off slides and I already knew everything she said.	5/2/2016 10:22 PM
61	The workshop made me stressed because of how much reading and preparation had to be made to have no stress	5/2/2016 10:20 PM
62	David is hard to beat....	5/2/2016 10:07 PM
63	This was also very informative. I learned a lot and was pretty surprised-- pleasantly, of course-- to find that we could actually work over the summer. As well was the information that pertained to maintaining the club over the summer useful! :)	5/2/2016 9:36 PM
64	we lost most of the advisors for this one because of the first two	5/2/2016 9:34 PM
65	I like the trivia, but there's a lot of people who go twice so they know all the answers/ tell their friends the answers by the second session.	5/2/2016 9:16 PM
66	It was short and didn't teach me much about what I already didnt know	5/2/2016 9:06 PM
67	We played matchmaker for over 30 minutes. It was ridiculous	5/2/2016 9:01 PM
68	Informative. Martha Grace was not a bad speaker.	5/2/2016 8:59 PM
69	Neil and the other presenter were really engaging and had fun ways to present their information.	5/2/2016 8:57 PM
70	I and about twenty other people showed up for this workshop, but the speaker never showed up. We did not figure out that the person was not coming at all until one of the student attendees went to talk to someone in charge. We were never apologized to or told the reason for the speaker's absence.	5/2/2016 8:53 PM
71	Got sick	5/2/2016 8:46 PM
72	It was lit bro	5/2/2016 8:46 PM
73	Drew was informative and had the audience involved. Unique points I can apply to my key club and life in general. Great!	5/2/2016 8:40 PM
74	Room needs to be larger, surgery felt unprepared and didn't keep audience engaged.	5/2/2016 8:40 PM
75	I had to study for AP and AICE exams	5/2/2016 8:37 PM
76	Good to have a question and answer question.	5/2/2016 8:34 PM
77	Neil was great	5/2/2016 8:33 PM
78	I loved the presentation and thought that it provided some great tips.	5/2/2016 8:32 PM
79	Speakers ended very early, providing very little information and using energisers to fill the remainder of the time.	5/2/2016 8:28 PM
80	Everyone was off topic and finished early. Couldn't hear/understand what was going on.	5/2/2016 8:24 PM
81	Speaker didn't show	5/2/2016 8:20 PM
82	I thought it might help me because I do stress a lot and I have anxiety but it was what I already heard. In addition the girl who put it on seemed really nervous and it just wasn't flowing right.	5/2/2016 7:36 PM
83	Not very entertaining or well led.	5/2/2016 5:57 PM
84	jose is a reptile	5/2/2016 5:40 PM
85	Drew was exemplary at his workshop	5/2/2016 5:36 PM
86	Spent almost the entire time playing an ice breaker. Then when it became time to explain hkw to expand service all they advised was service project ideas, rather than how to get students to show up to events more.	5/2/2016 5:29 PM
87	Learned a lot	5/2/2016 11:33 AM

88	It wasn't as good as the public speaking workshop from the Zone K Spring Zone Rally	5/2/2016 10:58 AM
89	The district board members did not speak about Key Club in any way and only focused on their personal life.	5/2/2016 10:46 AM
90	I didn't learn anything but how to play the game"soulmate"	5/2/2016 10:07 AM

1	Very informative!!	5/7/2016 10:30 AM
2	The interaction with other advisor's out side of the workshops helped.	5/7/2016 8:55 AM
3	Graduating!	5/6/2016 5:50 PM
4	DCON definitely inspired me to get really involved in Key Club and make our school's club really good for the upcoming year. Since DCON I have been telling everybody I meet to join. It also inspired me to run for LTG next year.	5/6/2016 5:13 PM
5	I learned some good advice mainly by looking at what other key clubs did, the sessions were good at making me think of things my key club should do that we hadn't thought about, like summer session, but the information and advice was pretty general.	5/6/2016 12:32 PM
6	I definitely had lots of Ideas leaving but it would have been nice to get to know how other schools do service projects.	5/6/2016 7:38 AM
7	I feel like I got most of my information from the Service Fair, the third workshop, and speaking to other key clubbers. That was good	5/5/2016 9:39 PM
8	I am graduating :( but will join CKI	5/5/2016 9:06 PM
9	I am retiring at the end of this school year, but plan to remain active by attending meetings and participating in events. I have requested to become a member of our Kiwanis Club.	5/5/2016 8:34 AM
10	Nothing new...	5/5/2016 7:43 AM
11	CKI and expanding service did help with my endeavors to start a CKI in my university next year though.	5/5/2016 6:45 AM
12	Space ran out at the President/VP workshops so our upcoming president and vp was unable to go to one of the main reasons they went to DCON.	5/5/2016 5:51 AM
13	Some information I already knew from DMC's. Other infomation was helpful and gave good ideas.	5/5/2016 12:55 AM
14	The workshops were uninspired and were almost entirely the people telling us how to do stuff using powerpoints we could access anywhere. There was also a lack of service idea ones	5/4/2016 11:08 PM

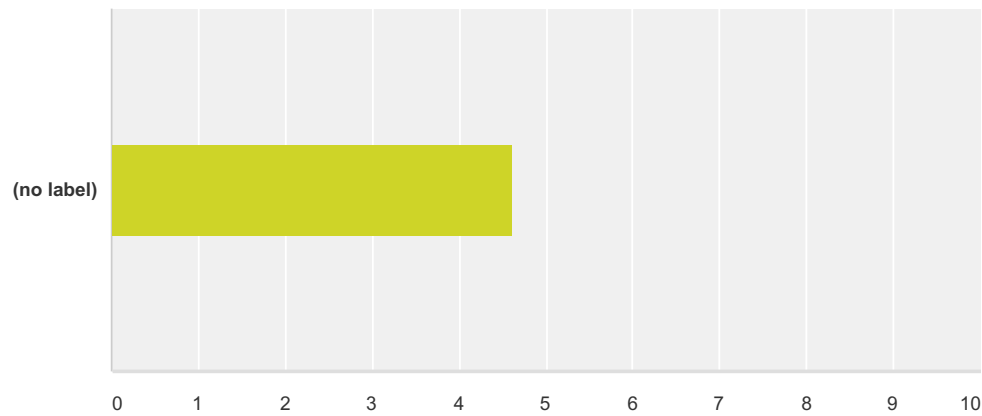

15	It was very helpful	5/4/2016 8:37 PM
16	I'll definitely need to learn more from the previous secretary (I'm the secretary elect fyi) but as far as basics this definitely gave me a general idea of what all my responsibilities are!	5/4/2016 8:23 PM
17	My daughter will be graduating this year. However, I thought the convention was well organized and very helpful in helping to plan for next year. The advisor taking over found the workshops very helpful.	5/4/2016 7:50 PM
18	I am new to Key Club advising and new to DCON, and I learned a lot. I can really talk it all up next year!!!	5/4/2016 8:45 AM
19	The Key Club members eyes opened at our possibilities. Very exciting for me as an advisor.	5/4/2016 1:56 AM
20	My members said that the workshops were really good and that they have a lot of great information to bring back to the club.	5/3/2016 9:23 PM
21	Learned a lot but this was more about making memories!	5/3/2016 7:05 PM
22	It gave us inspiration to look up to, and also the workshops helped educate us in our roles better.	5/3/2016 6:34 PM
23	We could not leave until Friday after school	5/3/2016 3:41 PM
24	There should be reminders about the auctions during caucus in because many students were unaware of this.	5/3/2016 12:01 PM
25	No new ideas for projects or leadership. I have a promising group this year and we really didn't come away with much from the sessions. LGTs running sessions did not seem prepared or particularly knowledgeable.	5/3/2016 10:52 AM
26	So many new ideas, and things to enhance the traditions already in place	5/3/2016 9:55 AM
27	Seems like it provided some quality information for the students, but advisor training was limited and seemed too unstructured.	5/3/2016 9:22 AM
28	Nothing for advisors, unless you were new	5/3/2016 9:16 AM
29	I would have liked to see more workshops about more relevant things to each club such as about project eliminate or service projects and the process behind getting them started.	5/3/2016 8:14 AM
30	Neither I nor my students learned anything that we could take back to our club. My kids were upset because a lot of the workshops were either the same thing from our Spring Zone Rally and KCKC or the presenters had the kids play "matchmaker" for the entire time. Friday was a very disappointing day.	5/3/2016 8:10 AM
31	wanted to stay in the advisors WS, but the first one was sooooo boring, I just did not want to fall asleep-love the 2 presenters, but really needed to step it up.	5/3/2016 7:55 AM
32	There should be fruit at the breakfast.	5/3/2016 7:08 AM
33	I learned the majority thru club training and because my second and third workshops were just bad I can tell you that I didn't learn much	5/3/2016 6:24 AM
34	Sadly :(	5/3/2016 12:29 AM
35	I did not feel I was provided with any more info on how to serve more, just on how the board members will do it.	5/2/2016 11:34 PM
36	Create new workshops	5/2/2016 11:21 PM
37	I learned so many things I did not know about key club and I believe that I will be the best Vice President the key club in my school has ever had	5/2/2016 10:20 PM
38	Based on comments from other advisors of clubs we support who attended for 1st time, really good.	5/2/2016 10:07 PM
39	I am a graduating senior.	5/2/2016 10:02 PM
40	Refer to #12.	5/2/2016 9:30 PM
41	I'm graduating, but on previous years I attended it's been really helpful :)	5/2/2016 9:06 PM
42	would like to have more information on governor project	5/2/2016 9:01 PM
43	Feeling ready to take on my club's problems for the next year!	5/2/2016 8:59 PM
44	REally wished they sold stuff at dcon, like key club merchandise. Pinsssss. bracers and cutesy stuff	5/2/2016 8:56 PM
45	Some of the information offered seemed like common sense basic information	5/2/2016 8:38 PM
46	Overall, DCON provided helpful information that will aide me in my club's administration next year.	5/2/2016 8:28 PM
47	I'm graduating	5/2/2016 8:23 PM
48	Should teach how to exactly go where you want to and how to do it precisely	5/2/2016 5:36 PM

49	Most of the information shared was already established in my club and its only our 3rd year. But i got some good ideas from other clubs.	5/2/2016 5:29 PM
50	I feel that the workshops didn't go much in detail.	5/2/2016 10:58 AM

1	The aura of service, the inspiring leaders that are gathered in one room already gives you the impression that Key Club is much larger than you think it is. When I heard most of the speakers at DCON, I knew exactly that it was truly a District LEADERSHIP Conference	5/6/2016 7:41 PM
2	As a member I thought it was more about team building than leadership.	5/6/2016 6:49 PM
3	Leadership was a fundamental part in my position and I felt DCON gave great tips for leadership	5/6/2016 5:26 PM
4	I learned about new ideas from other key clubs and before I had no idea of all the awards that were given out for key club, which motivates me to have my key club do more and better in the coming year.	5/6/2016 12:32 PM
5	I understand how leadership works and now understand more about what key club is here for.	5/6/2016 7:38 AM
6	Not much	5/5/2016 9:39 PM
7	Again, nothing new.	5/5/2016 7:43 AM
8	I didn't learn anything, but I planned and was successful working with my club together	5/4/2016 11:08 PM
9	I've had a lot of experience in leadership so this year it didn't really teach me anything new but I did love getting to see our district board and how they each function differently in their respective roles.	5/4/2016 8:23 PM
10	My members were not happy with certain aspects (that I've mentioned above) but they seem really excited and motivated to get back to the club and implement what they've learned.	5/3/2016 9:23 PM
11	It really helps inspire you to be a better key clubber!	5/3/2016 7:05 PM
12	We could not leave until Friday after school	5/3/2016 3:41 PM
13	Not much education for the kids on how higher office works from what I heard.	5/3/2016 10:52 AM
14	I did enjoy meeting other advisors.	5/3/2016 8:17 AM
15	It was great to see the district board and understand how much goes into the process of both being elected and running for office.	5/3/2016 8:14 AM
16	not a thing	5/3/2016 8:10 AM
17	I didn't really learn about leadership but just got more inspired to serve	5/3/2016 6:24 AM

18	Taught me a lot, I really appreciate it	5/2/2016 10:20 PM
19	would have been nice to have workshops on how to meet criteria for different awards	5/2/2016 9:01 PM
20	Inspired to run for an Officer position in my club after DCON.	5/2/2016 8:59 PM
21	Much of it was simply helpful review.	5/2/2016 8:28 PM

1	Already knew a lot	5/6/2016 9:36 PM
2	I did not know about all tje key club branches that much and the different things our club could do, like make a video encompassing the whole year. I also learned a lot more about key club government structure beyond the regular president and councilw members of a high school's key club.	5/6/2016 12:32 PM
3	Too little	5/5/2016 9:39 PM
4	learned alot about the board and where the govvrners project comes from.	5/5/2016 7:33 PM
5	Nothing new	5/5/2016 7:43 AM
6	Learned about key club but more about myself as a person	5/5/2016 12:32 AM
7	I learned a bit about higher office and Kiwanis realtions	5/4/2016 11:08 PM
8	I've learned a bit more about the jobs of each officer but nothing really all that new.	5/4/2016 8:23 PM
9	I feel like there was alot more information this year but that can be overwhelming to the students.	5/4/2016 7:36 PM
10	This was one of the worst DCONs that I've attended. That being said, it was still good. It's just that the others were much better, especially for the price paid.	5/3/2016 9:23 PM
11	I realized how big Key Club can be	5/3/2016 7:05 PM
12	Going to the House of Delegates as a spectator and hearing informed Kiwanians helped show how vast and diverse Key Club is and how it's organized.	5/3/2016 6:34 PM
13	DCON teaches everybody what Key Club is on a district scale and that is what is so cool about it.	5/3/2016 4:09 PM
14	We could not leave until Friday after school	5/3/2016 3:41 PM
15	I always learn something but didn't get very many new ideas.	5/3/2016 10:52 AM
16	There seems to be quite a bit of politics going on with the board and the impression given is that it is who you know that matters not merit	5/3/2016 8:26 AM

17	It gave me much more insight into the club than can be found from my own club and the website. By information I mean about the district board.	5/3/2016 8:14 AM
18	Well my first year I learned a lot but this year being my second I didn't really learn much more	5/3/2016 6:24 AM
19	Learned things I didn't even know existed!	5/2/2016 11:18 PM
20	Learned so many things that I wouldn't have known if I didn't go	5/2/2016 10:20 PM
21	would be nice to have service fair earlier in the convention schedule - many people felt they were "done" after lunch and were enjoying the pool, etc. DID NOT want to drag down to service fair - perhaps could be a workshop or set up in a room/etc for longer time to explore new ideas	5/2/2016 9:01 PM
22	I never really imagined that Key Club would be as large as it is.	5/2/2016 8:59 PM
23	Before coming, I did not know a lot about Key Club but now know a lot and DCON was a fantastic place for me to learn more about Key Club.	5/2/2016 8:32 PM
24	Being my first year in Key Club, DCON helped me grow my love for community service and Key Club even more.	5/2/2016 8:28 PM
25	It really tough me how large Key Club really was.	5/2/2016 8:24 PM
26	I've come to really love it sad that I have to go	5/2/2016 8:23 PM
27	I've learned a lot. I didnt know there were so many leadership oppurtunities.	5/2/2016 7:36 PM

5	No doubt I will	5/6/2016 5:38 PM
6	As Key Club Treasurer, I am going to DCON and experience the amazing adventure of meeting new people, workshop, and overall just fun.	5/6/2016 5:26 PM
7	I will DEFINITELY be coming back, it was the best experience of my life.	5/6/2016 5:13 PM
8	Definitely coming back it was a lot of fun.	5/6/2016 12:32 PM
9	Next year will be my last year as part of KCI before I join CKI, so YES IM ATTENDING!!! HOPE THEY ADD A SERVICE PROJECT!!!	5/5/2016 9:39 PM
10	But I hope to attend as a member of CKI	5/5/2016 9:06 PM
11	was very enjoyable i will love to attend again!!! can't wait	5/5/2016 7:33 PM
12	AWESOME, MAYBE HAVE A SECOND MEET AND GREET ON THE SECOND NIGHT? MAKE THE ASSEMBLIES SHORTER!	5/5/2016 10:43 AM
13	I think it is a great place for Students see all their hard work pay off & get feed back from other clubs on how to be better. Also very inspiring!	5/5/2016 9:16 AM
14	WHO WOULDN'T	5/5/2016 12:32 AM
15	I'm definitely going because I'm very invested in my school's club, but the experience this year is not a compelling factor	5/4/2016 11:08 PM
16	Graduating May 2016.. ICON though!!!!	5/4/2016 10:25 PM

17	Sign me up!	5/4/2016 8:37 PM
18	oF COURSE I WOULD, Key Club is amazing and I don't see why there is no '100% YES' choice!!!!	5/4/2016 8:23 PM
19	Of course!	5/4/2016 8:20 PM
20	My daughter is graduating and going to college in the fall.	5/4/2016 7:50 PM
21	I want to go next year but the club sponsor doesn't because it is too much paperwork for her. Our club currently goes only every other year. I have been unsuccessful in changing her mind.	5/4/2016 7:38 PM
22	Just wish there was more things to keep the students awake as far as in between events for them. I understand that this is not a vacation but KEY club is about having fun while doing the work.	5/4/2016 7:36 PM
23	The only reason I wouldn't is if i had something extremely important, But i still made it to most this year when i had a funeral on sunday.	5/4/2016 7:09 PM
24	If I wasn't graduating I would attend again.	5/4/2016 12:48 PM
25	If I weren't graduating, I would definitely come back!	5/4/2016 11:26 AM
26	Meals could be improved on. Food was either cold or lukewarm at best. One night dinner was a hamburger. That was it. No sides. Please go back to filling rooms if requested. I believe the reason you ran out of rooms is because you did not do this. It is a financial hardship for clubs to pay for a double or triple because they don't know who to ask to find additional roommates. On a good note, registration was probably the easiest ever. Love the checklist!!	5/4/2016 9:14 AM
27	And I hope to bring many more key clubbers with me.	5/4/2016 1:56 AM
28	It was very well organized and exceeded my expectations. Great job, Matt and team.	5/3/2016 9:27 PM
29	Despite the disappointments, my club wouldn't miss DCON for the world! They just hope that next year brings back the calibre that they have become accustomed to from previous years.	5/3/2016 9:23 PM
30	I would always return!	5/3/2016 7:05 PM
31	I will come every single year.	5/3/2016 6:34 PM
32	Circle K though.	5/3/2016 6:03 PM
33	Anything for Key Club <3	5/3/2016 4:09 PM
34	I felt that this DCON involved everyone and this was the first event that I ever had that I enjoyed so much. I did not even want to leave because the set up was nice and well organized.	5/3/2016 3:44 PM
35	I am moving to another state.	5/3/2016 1:37 PM
36	I'm graduating, maybe for the CKI pool party I'll be there	5/3/2016 12:01 PM
37	At current time, not scheduled to return as Faculty Advisor for club. I would definitely attend again if I was in an advisor position again and students were attending.	5/3/2016 9:22 AM
38	It's very sad that this is my last year of high school, but if not, I will definitely attend DCON next year!	5/3/2016 9:06 AM
39	I found things to be unorganized and chaotic. I believe there should have been more events to keep everyone preoccupied instead of allowing students to run around the hotel with hours of free time. There could been workshops throughout Saturday during that large gap while delegates voted. It also didn't make it fair to delegates by having to stay in the room for hours to vote while everyone else would hang out at the pool or run around the hotel.	5/3/2016 8:14 AM
40	My students and I look forward to this event every year. I will attend because they want to but I will think twice about sitting in the advisor session again.	5/3/2016 8:10 AM
41	This year may have not been as good as last year but that does not mean that I won't go next year.	5/3/2016 6:24 AM
42	Although Key Club and Dcon are full of nice and friendly people, there are some members who cannot look pass race and treat my club members and I differently because of it. Therefore, I decided not to go to Dcon.	5/3/2016 5:48 AM
43	I'll come back as a CKI member! Trust me!	5/3/2016 12:29 AM
44	I'm going to go!	5/2/2016 11:18 PM
45	I will attend DCON because this event really motivates my students and they love it, but I would enjoy it much more if it were organized more like 2 years ago. I was very unhappy with the fact that DCON initially would not pair up students from different schools to fill rooms, then as a result of trying to fill rooms I had to register very late and ended up having to get moved around anyways. I would definitely have preferred to have my own room and my 4 students who initially thought they would be rooming together would have been much happier if they did not have to get split up into four different rooms with 3 complete strangers each.	5/2/2016 10:45 PM

46	If my club fundraiser right, we hope to send more of our club.	5/2/2016 10:22 PM
47	If I have the money then definitely	5/2/2016 10:20 PM
48	I would definitely attend next year if I could, considering either chaperoning or maybe going as a part of CKI.	5/2/2016 10:02 PM
49	graduating :(	5/2/2016 9:14 PM
50	none of the large group activities were started in a timely manner.	5/2/2016 9:01 PM
51	Can't wait!	5/2/2016 8:59 PM
52	I will join CKI and hopefully come !!	5/2/2016 8:56 PM
53	CAN'T WAIT	5/2/2016 8:37 PM
54	It was a great experience and I also plan on attending at least ICON 2017, in addition.	5/2/2016 8:28 PM
55	I will come back because I feel it is important to have my students see what other clubs are doing.	5/2/2016 8:27 PM
56	definitely am!!!	5/2/2016 8:20 PM
57	I would attend it again in a heart beat. I loved it and I really bonded with my club members that went.	5/2/2016 7:36 PM
58	Will be in college out of state	5/2/2016 12:13 PM
59	The schedule is very packed, children are constantly running, the changes in attire are constant, and the prayer should not be included. The kids should have more time to mingle, and be allowed to go to universal studios at least one night.	5/2/2016 11:02 AM
60	This DCON inspired me to try and run for a higher position next year.	5/2/2016 10:58 AM

2	Thanks for all the work	5/7/2016 11:59 AM
3	DCON was AMAZING!	5/7/2016 10:30 AM
4	Can you please extend curfew for like at least 30 mins more? & Perhaps instead of having judges judge an entry for a contest why not let the key club members vote instead. It's the voice of the people who matter because, a couple of people's opinions can be biased and really it would be more fair to be honest. & thanks for a unique experience.	5/7/2016 8:45 AM
5	I loved DCON and am very excited to attend next year! I had a fun and educational time, and hope that next year's conference will be even better!	5/7/2016 3:53 AM
6	please add more vegan options	5/7/2016 1:52 AM
7	I truly enjoyed the service fair projects and the meeting of new friends. It was a good event held and enjoyed by all. Again, I must say, that the planning committee did an excellent job and, in fact, the registration procedure was the best ever for us. I also was appreciative of having the seating plan provided ahead of time. Excellent decision.	5/6/2016 11:56 PM
8	DCON was so amazing. Our club was just chartered this year and we weren't expecting it to have the huge impact it did. Unfortunately, I'm a senior and won't be in Key Club next year but DCON really made me wish I had known about Key Club earlier.	5/6/2016 11:01 PM
9	IT WAS SO FUN! I LEARNED HOW BIG THE ORGANIZATION IS!	5/6/2016 10:23 PM
10	The DJ was cool but we need someone who can bring some "Miami" to these people, someone whose be VERY cultured when it comes to different types of music. I.E. Jersey Club Music	5/6/2016 8:22 PM
11	Thank you so much ! The organization of it is incredible !	5/6/2016 7:35 PM
12	Extremely amazing. I believe giving less free time, and allotting it all towards after dinner (more at night) would make it more socially interesting.	5/6/2016 7:33 PM
13	fix the awards process. Dawn should be more organized or at least have the committee available with an information sheet saying why the award was disqualified	5/6/2016 7:03 PM
14	Great job!	5/6/2016 6:49 PM
15	Keep DCON awesome!	5/6/2016 5:45 PM
16	DCON 2015 - 2016 was the greatest!	5/6/2016 5:26 PM
17	My personal opinion was that the selection of workshops this year was bland. None of them really stood out to our members. But I enjoyed the other parts of the conference, especially the speaker at the opening session!	5/6/2016 4:27 PM
18	The pin was really cute, but I wish key club was selling more pins for DCON. I was so ready to buy them, but then I found out they were not being sold.	5/6/2016 12:32 PM
19	Nope	5/6/2016 11:02 AM
20	Please add ANY Florida District Service project! I dont even care if its "Clean your hotel rooms so the hotel workers feel appreciated" Project. Something please! Key Club is about being service, the socializing and having fun can be incorporated into the service. but SERVICE first. Please	5/5/2016 9:39 PM
21	Loved it as always! Can't wait till next year!	5/5/2016 9:35 PM
22	Fantastic as always!	5/5/2016 9:09 PM
23	DCON was the best event I've ever been too and I can't wait to attend it again!	5/5/2016 8:17 PM
24	i would be nice to a nurse or doctor on the premises if anything happens	5/5/2016 7:33 PM
25	Super excited for next year! I also made friends and I enjoyed being surrounded by so much positivity!	5/5/2016 7:32 PM

26	Overall, I found the conference both enjoyable and extremely informative. The only suggestion I would have for next year would be to hold the conference at an earlier time in the month. I had exams every day the week after the conference, so the timing was a little too close for comfort.	5/5/2016 5:50 PM
27	DCON was amazing and inspired me to become a greater part of Key Club and a greater leader in general. I am so thankful for Key Club/CKI/Kiwanis for what they have taught me and how they have inspired me, as well as many others, to become a better person.	5/5/2016 5:10 PM
28	Overall, this is an incredibly well run event.	5/5/2016 4:34 PM
29	Thank You for all your hard work and dedication to Key Club :)	5/5/2016 4:12 PM
30	This was my first year attending DCON and I absolutely loved it! I am so motivated and can't wait for next years' DCON!	5/5/2016 3:29 PM
31	Better variety of food choices	5/5/2016 2:39 PM
32	This was the best DCON ever	5/5/2016 2:12 PM
33	It was a beautiful event and an amazing experience. I'm extremely glad that my senior year I was able to spend with friends, classmates, and fellow key clubbers learning just how great the club is for our schools, communities, and us as the future leaders.	5/5/2016 11:18 AM
34	We had an amazing time at our first DCON! We can't wait to put everything we learned into practice next year! Thanks for a wonderful experience!	5/5/2016 9:41 AM
35	Love this event & hope to bring more students next year.	5/5/2016 9:16 AM
36	Questions not for adult response..seems to be more for Key clubber's response	5/5/2016 9:07 AM
37	The food was not good this time. Hamburger with a side of chicken? Really? Need more sides besides salad.	5/5/2016 7:43 AM
38	awesome dcon !!	5/5/2016 1:07 AM
39	One of the best highschool memories I ever had.	5/5/2016 12:55 AM
40	SHANE MARRR FOR PRESIDENT	5/5/2016 12:32 AM
41	Everything was just amazing ! Can't wait till next year!	5/4/2016 11:42 PM
42	I ?? DCON	5/4/2016 11:13 PM
43	The food could have been better, especially for vegetarians. There has been a great improvement, but I still lived off of the desserts because of the limited options (the burger meal especially)	5/4/2016 11:08 PM
44	It's been a good run, Florida District! This year's DCON was the best yet and I'm going to miss Key Club like crazy. Shout out to Bonachea for putting on a great DCON. Much love to all of you who work so hard for this organization. I will remember this for my whole life.	5/4/2016 10:57 PM
45	Thank you to everyone who made DCON the best experience I've ever had!! Thanks so all the staff who and board of putting up with us crazy Key Clubbers! Definately can't wait for next year!	5/4/2016 10:52 PM
46	The food should be better. If the food can't be better it could at least be separated from the vegetarian food we had a strong religious vegetarian have a wrap with meat and it was very upsetting to her and she really wanted to just go home. Over all ny whole school enjoyed DCON!!!!	5/4/2016 10:25 PM
47	I didn't learn much about Key club as an organization itself but I was taught pretty well in how to lead a key flu let us have access to the wifi in the conference area some of most of my friend and I had no signal there so when we were lost or couldn't find our group we had no way in communicating to each other to find each other	5/4/2016 9:58 PM
48	I hope to see DCON information earlier than this year's. We almost weren't able to attend bc of this factor. Would love to see DCON website and info up prior to Christmas break.	5/4/2016 9:56 PM
49	Keep up the good work!! Rave sticks were a hit!	5/4/2016 9:56 PM
50	Take off casual attire for general sessions. I loved the professional attires on the students.	5/4/2016 9:46 PM
51	I was able to meet some of very influential young adults who i believed were able to make an impact on my life	5/4/2016 9:31 PM
52	You're all doing great. :)	5/4/2016 9:14 PM
53	The food could have been better	5/4/2016 9:05 PM
54	Great Job This year keep up the good work.	5/4/2016 8:53 PM
55	DCON has given me hope in my generation :)	5/4/2016 8:49 PM

56	Allow us KeyClubers, to use the gym, for free.	5/4/2016 8:46 PM
57	The food provided for lunches and dinner, except the banquet, was terrible and caused myself and many others to become sick. The vegetarian options were not separated from the rest of the food provided. Vegetarian options should be a separate line	5/4/2016 8:37 PM
58	Thank you so much to the staff for an incredible weekend.	5/4/2016 8:37 PM
59	One of the best experiences of my life. Don't play the same music when we attend evening sessions please. Pick from different genres as long as it is appropriate. Also conduct song request for the evening sessions/ball.	5/4/2016 8:26 PM
60	It was so fun and I don't think I've ever enjoyed anything so much in my life! :)	5/4/2016 8:23 PM
61	Much attention was given to ensure the safety of the student's however my two students Lexia Gary and Katherine Justus left the hotel without letting me know that Katherine's parents picked the girls up. Only after waiting in the lobby for an hour did I find out they had left and we're on the highway when I called Katherine to get an update. This is very rude behavior when they knew I was waiting on their parents before I could leave per my commitment to be their chaperone so THEY were able to attend DCON	5/4/2016 8:22 PM
62	The awards committee and communication with said committee this year was by far the most unorganized. There had been a lot of forging when it came to service hours. As a host school, I was able to judge awards and see what actually went on in the room and see just how "rigged" the system was. There needs to be new people in charge of the awards committee who do not have a bias standpoint.	5/4/2016 8:11 PM
63	PLEASE match students from other schools into rooms next year. We had only 3 attend and needed to pay extra due to this.	5/4/2016 7:52 PM
64	I enjoyed DCON very much this year! Had a wonderful time at the banquet! Really enjoyed Shane's farewell address.	5/4/2016 7:50 PM
65	IT WAS LIT	5/4/2016 7:47 PM
66	DCON was an amazing experience and I will cherish it forever. Although the food most of the time was not enjoyable. It's was extremely mediocre. But real good time.	5/4/2016 7:39 PM
67	Please don't run out of water.	5/4/2016 7:30 PM
68	They need the music to be louder at the Governor's Ball. The level of sound was perfect at the Meet and Greet. I would have stayed longer at the Governor's Ball but the music was not loud enough for me.	5/4/2016 7:22 PM
69	Bring some sort of action service back. My students really missed the walk for Eliminate, which also provided more structured time. ALSO make the lanyards and other endowment merchandise potential add on s during registration. If we could do it in advance, we would have ordered items for ALL members attending.	5/4/2016 7:14 PM
70	Workshop time was far too long for the 11 slide presentation that I was assigned. Besides that, I had a great time at DCON 2016!!	5/4/2016 7:14 PM
71	LOVED IT SO MUCH	5/4/2016 7:09 PM
72	Thank you for organizing such an amazing conference!	5/4/2016 7:08 PM
73	Just on the breakfast..should have more fruits less carbohydrates...otherwise great!	5/4/2016 10:22 AM
74	Each division needs its own space for the "Meet your LTG" session. We had three divisions in our room, and it was not an ideal situation. This also didn't take the whole time, so if extra space is not available, times could be staggered. 15-20 minutes is all that is needed for this session. Overall, I really enjoyed the weekend and am excited to talk it up to my club next year.	5/4/2016 8:45 AM
75	I would appreciate one stop check in. I had to go to 4 places (and walked back & forth 3 times from my room) to get the tee shirts, badges, lanyards, and room key. Also, my impression from the bulletin was there was no wifi at the resort. Didn't bring my lap top only to find out it was available in my room. Not happy!	5/4/2016 1:56 AM
76	The food and ball could have been better and the dining staffs carefulness could have been better. An incident occurred where a young woman had eaten chicken which is strictly against her religious beliefs because of the mislabeled food item. It should be the staffs responsibility to label all the food correctly so that an incident similar to this one does not repeat.	5/3/2016 10:44 PM
77	Inter-school interactions should be more encouraged next year through different activities or organization of students.	5/3/2016 9:49 PM
78	The check in was my only real issue. The students who were supposed to text us when our rooms were ready did not and we sat in the lobby for 3+ hours. I went to check twice and was told the rooms were not ready, but they did not check with registration and the keys were there and ready the whole time. We got keys at 5:15pm. They need a better system than writing numbers on a list and forgetting to let people know.	5/3/2016 9:27 PM
79	BETTER FOOD!!!! PLEAAAASSSSEEE	5/3/2016 8:00 PM

80	The gluten free items offered by the hotel was essentially salad. The breakfasts were not GF friendly at all, nor was the lunch one day (sandwiches and salad). If they're going to offer GF as a choice, it should be more than lettuce. The GF dinner at the banquet was edible.	5/3/2016 7:47 PM
81	The meet & greet sucked! The music variety was horrible. It felt like we were at a rave basically. In the past two years the meet & greet was one of the best parts of DCON and this year it was a let down.	5/3/2016 7:09 PM
82	I liked that there was a costume contest the first night!	5/3/2016 7:05 PM
83	What happens to the footage recorded on those really expensive camera's. We need that footage for our clubs!	5/3/2016 7:01 PM
84	There were some instances of slander on social media of the District candidates. I can only speak for what other people have brought to my attention, but a specific post that comes to mind was on Yik Yak, an anonymous, location-based social media. The post stated that Drew Valenti had sex with the person who posted it in the Parking Lot last night. This kind of slander is extremely unacceptable and unprofessional.	5/3/2016 6:34 PM
85	It was extremely fun. Though our club had problems with receiving our officer tags (e.g. President) on our name tags; in fact we didn't get them at all even though we went to the reception desk several times. One of the adults that me and my club spoke to was rude and disrespectful to us, but other than that, DCON was fun and exciting.	5/3/2016 6:21 PM
86	Thanks for an amazing Last DCON!	5/3/2016 6:03 PM
87	I am the incoming editor at West Port Highschool in division 6 and before I attended DCON I had no idea of the great work that DCON has done or even the complexity of the organization. I was not even aware of the role of lieutenant governor (which u would have run for if I was aware).Now that I have attended DCON and have been informed of its great work I will definitely devote a lot my time to the club.	5/3/2016 4:11 PM
88	Please send our enrollment patch!	5/3/2016 3:45 PM
89	Certain people made me feel more welcome than others. As a faculty representative and a fairly new sponsor, it was disconcerting that anyone would want to make me feel unwelcome at all.	5/3/2016 3:41 PM
90	it was lovely!!	5/3/2016 3:28 PM
91	Overall very fun	5/3/2016 2:54 PM
92	I thought more time could be devoted to student workshops. Most of DCON is about the voting & recognitions, but more time can be devoted to instructional sessions. Some workshops can be student lead, but to have expert presenters in leadership & various areas would be more beneficial.	5/3/2016 2:18 PM
93	I think that the morning breakfast should last at least a half hour longer.	5/3/2016 2:15 PM
94	Need better food	5/3/2016 1:51 PM
95	My students shared with me that during the third session, District Board Questions and Answer panel, no adult was present in the room. The conversation degraded to topics not relevant to Key Club or to service making some students uncomfortable.	5/3/2016 1:37 PM
96	Can't wait to hear about DCON 2017	5/3/2016 12:01 PM
97	Awards - 1. This was the first year we had to mail in the Single Service and Club Poster. This cost all clubs money to mail these items. The clubs should be permitted to bring the application and the items ( Single Service & Poster) to DCON.	5/3/2016 11:40 AM
98	PLEASE streamline registration process. We waited until 6:30 to finally get our rooms. We were never told where to go and the checklist did not specify.	5/3/2016 10:52 AM
99	I had a problem with one of our rooms. I spoke with Heather and she was spectacular. She corrected the problem and handled it like a pro. Thanks Ms. Heather. From Ms. Allen boyd Anderson	5/3/2016 10:43 AM
100	As far as awards go, we sent in at least 3 awards that we did not get recognized for and were wondering why? Governors Project, Single Service, and Kiwanis Family... We also got Governor's Citation but no one told us until we saw our name on the screen. I had to hunt down the awards chair to get our ribbons. I know its little stuff, but the kids worked hard all year and not to be recognized was a downer!	5/3/2016 10:24 AM
101	I encourage all advisors and even parents to attend.	5/3/2016 9:55 AM
102	DCON was excellent, I missed it the second I walked out of the premises.	5/3/2016 9:46 AM
103	My friend was relieved of her Lieutenant Governor position because she broke one stupid rule. EXPRESS THE VERY CORE VALUES YOU INSTILL IN YOUR CLUBS!!!!!!!	5/3/2016 9:40 AM

104	In comparison to other years, I felt that this DCON was not as organized. The dress code was not strictly enforced and there were mishaps in terms of what people should be wearing which day. I was upset to see what we usually wear business professional attire the first night and this year we did not. Also, the students chosen to speak this year were not as eloquent as in other years. While DCON was fun and engaging, it could have been structured better.	5/3/2016 9:37 AM
105	It was nice to have the opening session in casual attire. Dress code for the Governor's Banquet and Ball should have been more strictly enforced since there were way to many girls with extremely short dresses. Vegetarian meals need to be improved on. Some music selections during general assemblies contained profanity which contradicted the guidelines for good behavior for attendees.	5/3/2016 9:34 AM
106	offer some exercise, stretching, or yoga, or walking group. a lot of travel the first day compounded by a lot of sitting. these jids and adults need to stretch, move. understand that its unhealthy to sit for hours on end	5/3/2016 9:23 AM
107	Great accommodations, but a bit too much down time between activities.	5/3/2016 9:22 AM
108	Advisor orientation poorly timed every year. By the time we get there and get the kids settled in, it's the only time we can eat dinner and make sure they eat. Therefore, we never attend. Also, the banners for our badges stating who is an officer and who is an advisor should be included in our registration envelopes. We could not find where they were as staff sent us to several different places. Neither the kids nor the advisors got any.	5/3/2016 9:16 AM
109	Congrats to the new District Board Members! Also, you guys did a great job hosting DCON! Keep up the good work!	5/3/2016 9:06 AM
110	I would like the board to be more open about the election and the awards process.	5/3/2016 8:26 AM
111	Unless there was an overwhelming vote to eliminate eggs from breakfast, they should always be included. Pancakes are pure carbs.	5/3/2016 8:25 AM
112	The conference structure was well planned and organized. Nice job! The sessions for advisors need to be meatier. Last year, the advisor session was a "round table" type of discussion and very helpful. Perhaps these could be divided in to organization sizes so that large clubs meet with large clubs, small clubs with small clubs, etc.	5/3/2016 8:17 AM
113	Not necessarily related to DCON, but I would like to see more information on the website for incoming key club to get info about the district board and luetinnant governer.	5/3/2016 8:14 AM
114	There are some clubs that won awards that provide students with community service hours for donating items. For example, if you donate one pair of socks, you get two hours of service or depending on the size toy you bring in, will depend on the amount of service hours you are given. This is an unfair advatage especially to students who come from title one schools and live in poverty. It was very discouraging to watch the same school win every award while knowing they were not following what Key Club has established as what does and doesnot count for service hours.	5/3/2016 8:10 AM
115	The food was undercooked	5/3/2016 8:07 AM
116	Food was extremely limited- no sides for most meals, very few options, ran out of vegetarian meals	5/3/2016 7:58 AM
117	I was very pleased there was an emphasis on prayer again, as it is in the Key Club Pledge. I also liked the seperate room for the advisors breakfast. It is a lot easier to hear the speaker when you are not in a huge room roped off from everyone else as it had been in the past.	5/3/2016 7:55 AM
118	The attempt to include all religions during prayer was improved upon this year compared to last. However, certain references to "the creator" and such, in itself excludes certain religions. If a prayer is to be used, it needs to be as vague as possible, not focusing on one type of "creator" or "father", as not all religions share this perspesctive or viewpoint. If trying to be accepting to all religions, a silent prayer may be best. Again, certain verbiage during prayers, suggest a specific religion, which excludes some and is insensitive to certain beliefs.	5/3/2016 7:47 AM
119	Need a workshop on professionalism/ethics. Key Club members should set the example on campus.	5/3/2016 7:39 AM
120	DCON was such an amazing experience and I enjoyed every minute of it with my friends. This conference showed me that Key Club is so much more than a school club.	5/3/2016 7:11 AM
121	Put fruit im the breakfast. Make the workshops be shorter or put more information in them so people don't just their for a half hour doing nothing.	5/3/2016 7:08 AM
122	There should be more mixers because not many kids knew people outside of their group.	5/3/2016 6:50 AM
123	Need to provide more school club meeting time to discuss information learned/planning for next year. Need to provide more time for school teaming (local h.s.s planning/working together).	5/3/2016 6:46 AM
124	Maybe doing something for the people that auctioned people off at the Caucasuses, we never got to "dance" with the people we auctioned off. Kind of ridiculous especially how the ball was organized, maybe having better music instead of some trash rap music. Also maybe implementing paper cups for getting water at the ball, all those big plastic cups quickly ran out and went to waste. The party was still great but could've been better. Thank you	5/3/2016 6:43 AM

125	Need to announce all awards that clubs can get if they were to apply, need to show why the quality went down and the price went up. Should show winning score sheets so that clubs can see how close they came so that they know and the annual achievement should be verified before being considered	5/3/2016 6:24 AM
126	Bad timing - could DCON possibly be moved back a few weeks next year? End of April is a bad time for students	5/3/2016 5:28 AM
127	Dress code was not enforced. Liberal political views of students should NOT be permitted in speeches! I would like to see more outside (organized) activities for the kids - guided nature trail walks, field day events, study succession for AP or EOC testing, The vulgar dancing during the talent show should be eliminated! Students need help mixing during lunch and down time! Offering a golf scramble would be great too.	5/3/2016 4:56 AM
128	I loved everything and it was super exciting but please put more activities for first day and make sure that meet your LTG is after the workshops because I got to my room for the few minutes and knocked out.	5/3/2016 2:33 AM
129	I love love love everything about key club in general so DCON was just the icing on the already sweet cake. Needing fewer business outfits was very nice and convenient. Earlier curfew if possible...? Scholarship/award recognition ceremonies were always fun to watch- I received two scholarships myself.	5/3/2016 12:29 AM
130	Since we were incredibly close to Universal Studios AND Disney World!!! I don't see why we could not go to one of these parks Sunday after all those workshops and meetings all weekend. I mean I would pay extra to go. If that was included in the trip, it would have been worth it but since it wasn't it made my first DCON experience... Just okay but mostly boring. Also STOP SERVING BREAKFAST SO EARLY IF YOU PLAN ON SENDING US BACK TO OUR ROOMS AT 11 ALMOST 12. I fell asleep during the workshops, I couldn't focus on anything.	5/3/2016 12:13 AM
131	Food was horrible again, I'd pay more for better food next year. More healthy options would be great instead of all carbs. Also, a zone coordinator Bob Filicia yelled at our chaperone for just standing waiting at the registration desk as well as yelling at us multiple times throughout the trip, not very encouraging. Overall though, my club and I had a blast. Thanks again for allowing us to have this amazing opportunity!	5/2/2016 11:43 PM
132	There were not many food options which was a large problem, I wound up needing to spend a lot of extra money because of the lack of healthy options. Some speakers seemed to be a little bit unprofessional and possibly in the future, should be observed more before on stage at DCON. Also, the dress code was not at all enforced, although the other girls in my club and I went out of our way to make sure we had all the right things. Some outfits were actually inappropriate to the point where they made some people uncomfortable. So, it was surprising to me that at a Kiwanis event, this would not be addressed.	5/2/2016 11:34 PM
133	Had a great time, thank you!	5/2/2016 11:19 PM
134	Love Key Club!	5/2/2016 11:18 PM
135	DCON made me sad that I did not know as much about key club last years. if i had known as much as i know now there is no doubt that i would have run for It governor this year. I am in division 6 and go to West Port High School and DCON was an amazing experience for me	5/2/2016 11:17 PM
136	I would like more time to connect with other advisors. Especially during workshop time this could be an easy time to brainstorm ideas and share strategies. I thought the advisor lounge was a waste. Every time i went there to try to talk to others it was empty. Maybe have refreshments there or a more inviting space. Food this year was okay, but i think some side dishes were needed to go with the sandwich lunch and burger dinner. Some chips and fruit would be great. I liked the pasta lunch addition, that was my favorite meal.	5/2/2016 11:01 PM
137	For both years that I've attended DCON, I along with the majority of people around me have had trouble hearing the questions that were asked to candidates at Friday's caucus. If someone could have a microphone that could be passed to whoever is asking a question to a candidate that could fix this problem.	5/2/2016 10:48 PM
138	There needs to be sessions for Saturday. The students have to much time on their hand. Also, there needs to be someone verifying awards are done correctly. It's very disappointing when a student attending does not get recognized for an award they have earned. There needs to be someone available to research as well as correct PP presentation.	5/2/2016 10:46 PM
139	Healthier breakfast food options would be nice.	5/2/2016 10:45 PM
140	The vents should have been more professional in the sense that those attending should have been required to wear business casual/professional rather than just casual	5/2/2016 10:23 PM
141	Organize the app with the booklet given , more chairs in all events and better food.	5/2/2016 10:20 PM
142	We must make sure that an adult is present at all workshops. Nobody liked the hamburgers Sat. Eve - cooked raw. Don't make clubs mail in any awards - too costly. Thanks for a great DCON	5/2/2016 10:18 PM
143	I don't like the dance parties. I feel like you don't really meet people there and some of the dancing was inappropriate. I think there should be a different meet and greet activity such as an ice cream social.	5/2/2016 10:17 PM

144	Matthew Did an amazing job	5/2/2016 10:08 PM
145	DCON is my favorite part of Key Club, besides service. It's always great to meet new friends that I continue to stay in touch with to this day.	5/2/2016 10:02 PM
146	Awesome DCON	5/2/2016 9:55 PM
147	Key Club is awesome ! Definitely the best club I am in!	5/2/2016 9:52 PM
148	I was not particularly impressed by the awards and the club of the year. I feel like the standards to receive hours should be strengthened so that you can't just buy them or do as little possible to get them. I feel that Hialeah high had very simple ways to get hours such as bringing in a box of crayons and receiving three hours and I don't feel that that is fair to the other clubs and students in particular. When they do this it strengthens the chance of them getting scholarships over other students for doing not as much and I feel like Manatee high school was more deserving of club of the year.	5/2/2016 9:50 PM
149	I am extremely thankful I had the pleasure of attending this year's DCON, it really inspired my officers and I and gave us many ideas for next year, which we have already started planning! Very excited due to DCON. Very helpful.	5/2/2016 9:44 PM
150	There needs to be a stronger definition of what an hour of service is. It is extremely unfair for regular members like myself and the rest of my club who actually go out into the community and put in REAL hours when Hialeah goes and sells 5 dollar locks and each member is awarded with 5 service hours for each lock they buy. That's corrupt and shady and unfair. Personally, I think Hialeah should be stripped of all their awards they received. It is frustrating to see key clubbers who go outside and put work and sweat into their hours.	5/2/2016 9:40 PM
151	Overall, DCON was an amazing experience that I am confident I will attend again. I truly loved it and I really can't wait for next year! It really opened me up as well as my fellow peers. I'm very glad I attended DCON, and I'd like to thank those who made it possible :) Though it was very sad to leave and see everyone retire, attending for the smiles and laughs was completely and utterly worth it :)	5/2/2016 9:36 PM
152	I know how hard it is to feed 2000 but I honestly think we could make it simpler especially the breakfast. Also I heard people say they missed the box lunches. Not sure which is more economical and I understand that had to come first.	5/2/2016 9:34 PM
153	I really did enjoy my first year at DCON though I wish the bedrooms that we were in looked better and didn't have any non-working lights	5/2/2016 9:32 PM
154	The FOOD was the worst ever. Seriously? 5 Star Resort and food like that? Hotel Staff were great. Food sucked. Overall Conference was good. Well planned, ran smoothly, kids did a good job. Our school's kids had a great time. Advisor's workshop need to offer more hands on opportunities to learn about what other clubs are doing.	5/2/2016 9:30 PM
155	Key club is life	5/2/2016 9:22 PM
156	the opening assembly and the K family assembly should be professional dress	5/2/2016 9:15 PM
157	Vegetarian food...that needs some major help. Also, more free time would be nice.	5/2/2016 9:14 PM
158	Well organized -- advisors did a good job with the kids	5/2/2016 9:07 PM
159	I have attended DCON all four years of my high school career and I am always impressed by how well everything runs and it has helped me learn so much about Key Club as a whole, the district of Florida, and all the district board. I appreciate everything Key Club has done for me and I will continue on with CKI in college. This truly has been a life changing experience	5/2/2016 9:06 PM
160	went to Advisor lounge several times during the weekend - VERY DISAPPOINTED - there was nothing there - candy, snacks, coffee, even notes of appreciation from Key Club members - what was the purpose of this?? Very difficult to deal with rooming issues Also would be nice if there was a listing of what order to register - 1) get general registration info (2) pick up armbands, etc. Also would have been nice to have forms available for Oratorical & talent show students to complete -- would be nice to have fresh fruit at breakfast - also food seemed to be put away before ending time.	5/2/2016 9:01 PM
161	Wish I would've known about key club earlier. Great opportunities and would've campaigned for a board member position. DCON is a wonderful opportunity for key club and the future. Loved it.	5/2/2016 9:00 PM
162	Let the teens handle it! They did a great job this year!	5/2/2016 8:59 PM
163	Please talk to the hotel about having the vegetarian meals labeled more clearly, or have them on a different table.	5/2/2016 8:58 PM
164	Choose dates that do not interfere with AP exams	5/2/2016 8:58 PM
165	The timing of the convention was bad, considering many people take AP classes and testing started the following Monday. Many people I networked with felt the same. Perhaps holding the convention a week or two before would have been more beneficial and efficient. Other than that, it was well organized and I highly enjoyed it!	5/2/2016 8:57 PM
166	CALEB IS BAAAAEEEE. I LOVE SHANEE. AND DANIEEEEE. ZONE J ALL THE WAAAAAYYYYYYYYYYYYYYYY	5/2/2016 8:56 PM

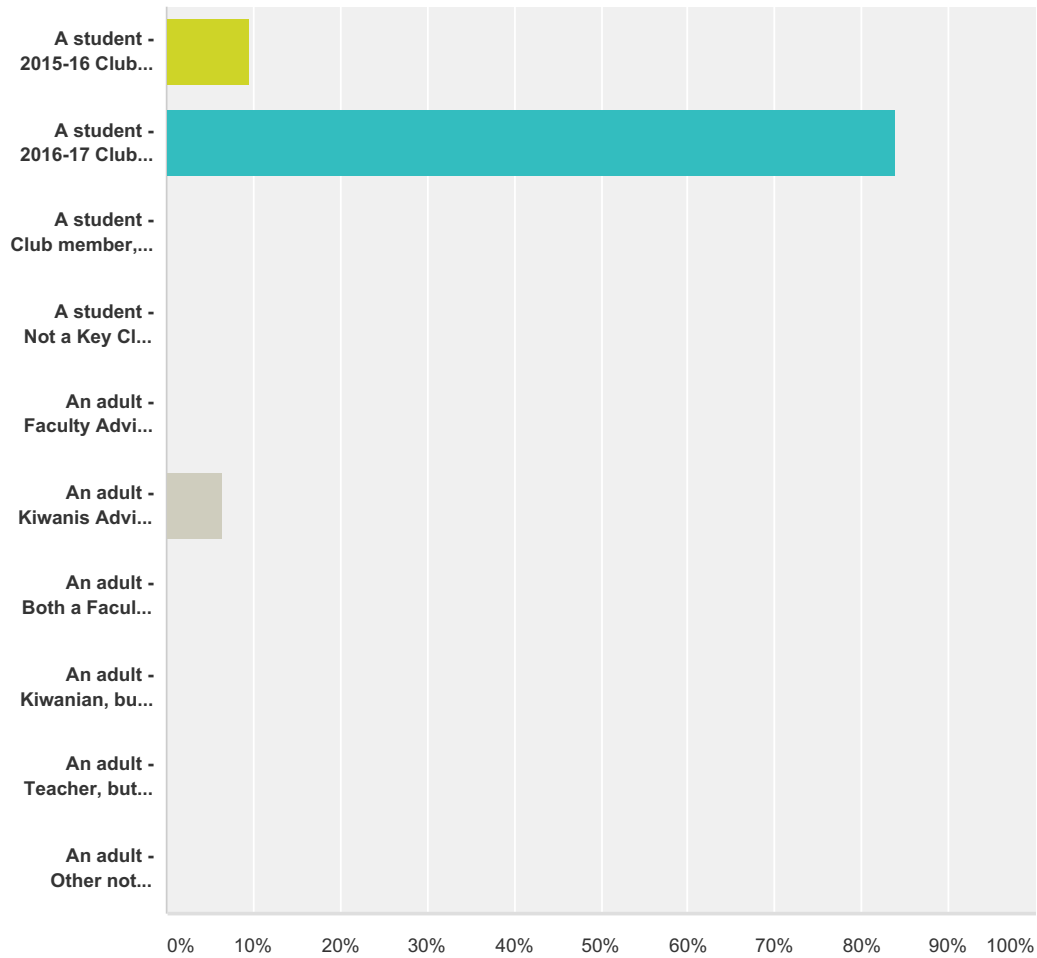

167	It was very awkward for the icon chair to read from the TelePrompter a wrong price for icon only to have the next kid correct it. It looked like she was set up to be embarrassed on purpose	5/2/2016 8:52 PM
168	I love key club so much and I cried when I got home thinking about how I only have two more years left	5/2/2016 8:46 PM
169	Okay is not the same as ok JUST SAYING.	5/2/2016 8:46 PM
170	There are many teachers who attend this event, use them for your workshop, they teach for a living	5/2/2016 8:44 PM
171	make new category above platinum for clubs over 200 members give or take	5/2/2016 8:37 PM
172	As a new advisor I felt that some of the Kiwanis members were not particularly friendly, while others were. I did like the organization of the sergeant at arms and I felt that my students were well watched after. I however feel an event like this needs to review its medical protocol. A few students and advisors alike did get food poisoning, which is surprising, but the food was sub par. A continental breakfast would have been much more appealing than the uncooked eggs that were served. Also I saw a few pieces of chicken that looked less than cooked. If we are going to continue to cater to over 1600 individuals... Many of which are under the age of 18 then there needs to be a way to help the adults take care of minor ailments... An infirmary or a clinic would suffice. There needs to be more support for the advisors.	5/2/2016 8:34 PM
173	The food is not that great. Also my friend is a vegetarian, and she had a wrap with meat in it by accident because the food was incorrectly labeled. Other than the food being gross, it was one of the best weekends ever	5/2/2016 8:34 PM
174	One MAJOR problem, in my opinion: campaign staffers for candidates for the District Board of Trustees should not be allowed to serve in the House of Delegates as this will lead to a severe conflict of interest. Although the number is small, the fact that the District allows this raises serious concerns as to what both the District and International levels choose to investigate.	5/2/2016 8:28 PM
175	I feel like the only issue was the folders when we registered. Our club folder was missing stuff and got really mixed up. But other than that it was extremely amazing.	5/2/2016 8:27 PM
176	I was very disappointed with the overall lack of communication with check in. When I checked in my packet did not have any of the Delegate stickers, or advisor sticker we checked in at 5pm and did not receive a bag or any information. My packet did not have anything that other advisors had. I was not impressed with the way check in and registration was handled at all. My students felt unimportant because they were not treated the same as the other clubs. As a new Advisor I learned some things from the Conference but I was disappointed with my first impression of DCON and that was unprepared	5/2/2016 8:27 PM
177	I think the Saturday lunch should be casual dress as most students have free activity in the afternoon. The delegates can be professional dress. Overall a excellent and well organized weekend. Look forward to next year.	5/2/2016 8:23 PM
178	Imma really gonna miss keyclub but I plan to join could soon ya	5/2/2016 8:23 PM
179	I've learned so much this DCON I'm already counting down the days until the next one!	5/2/2016 8:20 PM
180	Since attending my first DCON, I have felt such a feeling of motivation and importance in my community and within the club!	5/2/2016 8:20 PM
181	n/a	5/2/2016 7:36 PM
182	Could we please retract clubs the true meaning of service, and what actually counts as a service hour, because I really feel like certain clubs have lost sight of that. Also, dress code needs to be enforced a bit more strictly next year.	5/2/2016 5:57 PM
183	I wish that there was more reinforcement as to what defines a Key Club service hour	5/2/2016 5:42 PM
184	The workshops could have been a bit better, regarding how the information was conveyed.	5/2/2016 5:40 PM
185	Make sure your key clubbers attending DCON are showing an attitude as a leader and are being respectful of one another. A lot of rude comments on yikyak and inappropriate behavior was occurring at DCON. Also make sure you're going through your workshops and that they're actually helpful. Because for some of my workshops the information is like "duh!" I was told that we should start a meeting with a bell .....duh	5/2/2016 5:29 PM
186	I never knew that donating items can be used to receive key club hours! I learned that from Hialeah	5/2/2016 1:39 PM
187	Over while decon was great, my only complaint is the governors ball and the food we were provided. Last years food was much better and so was the dance	5/2/2016 11:33 AM
188	DCON was better than what first-time Key Clubbers would expect of such a organization.	5/2/2016 10:58 AM
189	I hope these comments will be taken seriously and something will be done to correct this for the following year.	5/2/2016 10:46 AM
190	I think they're needed to be better accommodations for people with food restrictions.	5/2/2016 7:42 AM

191	The awards committee should provide specific feedback on all awards so that clubs can improve for next year. When asked they were rude and unbecoming of a servant organization. It was appalling and frankly something that would turn a lot of people away. Also it appears that the people in charge are giving the awards to the people from their own zones, so criteria and comments should definitely be addressed. Also the categories for clubs should be reevaluated. Grouping clubs with 89 people- 200 or 250 should be reevaluated on a statistical level.	5/2/2016 7:25 AM
192	Give students the opportunity to socialize with others and have fun. These year there were too many required meetings and sessions, not allowing students to actually enjoy the hotel, meet keyclubbers , and share with one another	5/2/2016 2:28 AM
193	Best time ever	5/1/2016 10:50 PM

4	Hialeah should not have won all those awards. They buy their hours by having members get 5 hours from donating one pack of crayons i.e. This is not service to the community in any way, it's just an easy tactic to get hours & win awards. Also, revise on distinguished awards. Certain "distinguished" officers won their award when they are not eligable nor sucessful in any way in their duty of their position.	5/2/2016 9:59 PM

2	The DJ was cool but we need someone who can bring some "Miami" to these people, someone whose be VERY cultured when it comes to different types of music. I.E. Jersey Club Music	5/6/2016 8:22 PM
3	Overall, I found the conference both enjoyable and extremely informative. The only suggestion I would have for next year would be to hold the conference at and earlier time in the month. I had exams every day the week after the conference, so the timing was a little too close for comfort.	5/5/2016 5:50 PM

2	Next time you should get a professional entertainer instead of using every talent act	5/6/2016 4:37 PM
3	The dancers left a bit to be desired	5/5/2016 8:51 PM
4	I did feel like one of the talents was more for a "club" setting.	5/5/2016 9:16 AM
5	The talented students always amaze me.	5/5/2016 8:34 AM
6	Bring back the voting. My students LOVED havign the ability to vote for talent and oratory.	5/4/2016 7:14 PM
7	Wonderful to see the kids show off their talents. I really enjoyed this.	5/4/2016 8:45 AM
8	I thought some of the acts were a bit risque in nature	5/3/2016 4:06 PM
9	Had fun for the talent show. I wish the zones could switch because again we were in the back the whole weekend.	5/3/2016 3:55 PM
10	The way that it was done was excellent. The students normally get restless after the talent portion is over. Anything after that is overkill.	5/3/2016 2:15 PM
11	I found some of the music in the featured talents acts to be inappropriate.	5/3/2016 1:37 PM
12	Love the talent contest, but some of the awards could have been put off until the Awards Ceremony the next day. Also, special guest entertainers are always a hit if the budget allows.	5/3/2016 8:56 AM
13	Some of the talents were inappropriate. As an adult I felt uncomfortable watching the inappropriate dancing and i felt it did not align with Key Club's core values.	5/3/2016 8:10 AM
14	Is there a way to just have the talent and do the awards at one of the other awards ceremonies?	5/3/2016 8:04 AM
15	I and everyone around us was apalled and embarressed of what appeared to be sleezy pole dancing by the single dancer who ended up actually winning one of the awards. It was the only negative comment I have about the conference. It was disgraceful and should have never been allowed in the first place. Key Club has better standards, C'mon!!!!!!	5/3/2016 7:55 AM
16	Students should be encouraged to select age apporprate songs & dances. 15 year old girls gyrating, while may be popular, should not be encouraged and certainly NOT win awards.	5/3/2016 7:44 AM

17	A lot of singers this year, I would have enjoyed seeing some more variety	5/3/2016 7:38 AM
18	My students said that it was a little boring.	5/2/2016 10:45 PM
19	Good, but not as good as 2014-15	5/2/2016 10:07 PM
20	disappointed that the entertainers were not better- some were same as last year	5/2/2016 9:01 PM
21	Flowed well. Broken up so as to keep stop dents interested.	5/2/2016 9:00 PM
22	For the price of the convention I expected to see professional entertainment	5/2/2016 8:52 PM
23	Such talent!	5/2/2016 8:34 PM

1	Too long	5/7/2016 8:55 AM
2	A bit long	5/5/2016 4:34 PM
3	It is pretty long	5/5/2016 9:16 AM
4	Included more information abotu the groups/ events/ projects that are winning. What did those groups do to earn the awards? OR publish a document later that provides that info.	5/4/2016 7:14 PM
5	When the talent show winners were announced, it would have been nice to have a small reminder of what their talent had been. It was hard to remember what everyone sang or did by the next morning. Maybe a little video clip from the night before (like 10 seconds) could be played after the announcement.	5/4/2016 8:45 AM
6	It was a little slow and a little boring at times. Maybe it would be better to do all the awards the clubs one at one time.	5/3/2016 3:55 PM
7	We did not receive our banner patch for enrollment growth.	5/3/2016 3:45 PM
8	Boring if you aren't winning any awards.	5/3/2016 10:52 AM
9	Looooonngggg.... but with the amount of awards being given it is understandable.	5/3/2016 8:56 AM
10	This felt redundant after the previous evening of award presentations.	5/3/2016 8:17 AM
11	Should have started on time though	5/3/2016 7:55 AM
12	It seemed to move along quicker than last years. It also seemed like there were less awards given than last year.	5/3/2016 7:47 AM
13	Their money is very long. It would be nice if we can interspersed that one with other things like the entertainment assembly .	5/3/2016 7:38 AM
14	I liked that some of the banner patches that used to be in our registration packets were given onstage instead. The kids were surprised when their name was called and it allowed them to be recognized on stage.	5/2/2016 11:01 PM
15	My students were completely bored.	5/2/2016 10:45 PM
16	very difficult to follow -	5/2/2016 9:01 PM
17	There was not enough seating in certain sections.	5/2/2016 8:34 PM

3	Also a bit long	5/5/2016 4:34 PM
4	Great, wonder how when the LG's are retired & new LG's welcomed the time spent hugging & crying (which is so sweet & understandable) could be hurried. I did notice the audience was a little restless waiting.	5/5/2016 9:16 AM
5	Although I appreciated the goodbyes between the old & new officers.....they hugged too long.	5/4/2016 1:56 AM
6	When the LTGs entered they were going way too fast and someone should have let them go one at a time. The lady that was speaking couldn't say their names fast enough. I know last year they all came down the center walkway one at a time and I thought that was much better than having them all come down at once.	5/3/2016 3:55 PM
7	.	5/3/2016 2:15 PM
8	The chicken was tough.	5/3/2016 8:17 AM
9	Shane's speech was inspiring and heart warming. His speech changed lives with that speech.	5/3/2016 8:10 AM
10	Enjoyed it all, even though we were far, far, far away in almost another galaxy. Our students had a wonderful dining experience and the pinning ceremony and farewells were very touching, not a dry eye at our table.	5/3/2016 7:55 AM
11	Great job with the seating it was very organized	5/3/2016 7:38 AM
12	The many tear felt goodbyes should be done at another time. I was offended by the liberal political comments made by the exiting governor!	5/3/2016 4:56 AM
13	It was really difficult to see and pay attention while sitting all the way at the back.	5/2/2016 10:45 PM
14	Table seating for clubs winning Governor's Citation in past had been given better seats than we got this year.	5/2/2016 10:07 PM
15	terrible that it started late - did not enjoy pictures of BOARD on screen - liked seeing candid of people attending current DCON in past	5/2/2016 9:01 PM
16	Was hard to hear in the back, and difficult to get in and out since the tables went all the way to the back wall.	5/2/2016 8:58 PM
17	The hotel staff did an amazing job	5/2/2016 8:57 PM

18	It was hard to hear the speakers	5/2/2016 8:52 PM
19	Some moments went on too long.	5/2/2016 8:34 PM
20	Very long and a little confusing	5/2/2016 8:22 PM
21	It took way too long, much of this could've been done in private	5/2/2016 11:02 AM

1	Too crowded and ran out of water	5/7/2016 8:55 AM
2	I did not go, but my students said it was better than last year & fun.	5/5/2016 9:16 AM
3	Less supervision in the space than normal. Some dancing was inappropriate and invasive. Students left for that reason.	5/4/2016 7:14 PM
4	Students mentioned it was really crowded, and I think many of them opted for the pool instead. But the ones who went seemed to have a great time.	5/4/2016 8:45 AM
5	We only stayed for a few minutes because of the music. Barely any current music was played. People were just standing on the dance floor not dancing. The DJ also played a lot of Spanish music. Most of the non-Spanish people walked off the dance floor when this came on.	5/3/2016 3:55 PM
6	Not good music, too many kids, not nearly enough supervision.	5/3/2016 10:52 AM
7	Sound needed to be cranked up a little more. We were on the dance floor and could not really hear what song was playing. Maybe ask the DJ for a clearer sound with amplified bass, instead of just bass and no tenor/higher sounds.	5/3/2016 8:56 AM
8	too much hispanic music our students wanted to dance, but seemed every other song was from hispanic genre.	5/3/2016 7:55 AM
9	My students had fun but said the DJ could have been better.	5/2/2016 10:45 PM
10	Some of my students left the Ball due to inappropriate dancing and music.	5/2/2016 10:17 PM

1	If I was a new advisor I would have left after the first one, which our new faculty advisor did. There was nothing that would help any of us there.	5/7/2016 8:55 AM
2	Not prepared, extremely non-informational.	5/6/2016 4:55 PM
3	The husband and wife team were a lovely couple; however, the presentation had an abundance of "common sense" information that even new advisors would know. The handout was great, though. Many people don't realize the resources available to the club and advisors on floridakeyclub.org. The handout was information taken from the website.	5/5/2016 9:09 PM
4	There is a lot for first year advisors, but I'd like to see a few more options overall.	5/5/2016 4:34 PM
5	I felt that the content was more about the organization and its background than information that would help advisors.	5/5/2016 9:41 AM
6	Need differentiated workshops. Not a one size fits all for new and seasoned advisors.	5/4/2016 9:14 AM
7	I didn't really learn anything new. Maybe took one or two gems of info, but that's it.	5/4/2016 8:45 AM
8	I am afraid I was nodding off.	5/4/2016 1:56 AM
9	Way to long and they dragged it out. Being a teacher, I am used to efficiency, and that workshop could have been done in 30 minutes.	5/3/2016 3:55 PM
10	Information was geared towards brand new advisors. Powerpoint slides were read to audience. No chance opportunity for interaction with other advisors.	5/3/2016 1:37 PM
11	more prepared	5/3/2016 11:05 AM
12	BORING. Geared toward newly chartered clubs and very very slow moving. Couldn't stay awake.	5/3/2016 10:52 AM
13	I am a veteran advisor and they went over the basics of chartering a club and how to do stuff I already knew. It was not helpful.	5/3/2016 10:24 AM
14	Not going to lie, I almost fell asleep. The information was great, but maybe there should be a "new advisors" workshop and a "seasoned advisors" workshop.	5/3/2016 8:56 AM
15	Spouses were arguing with each other and simply read Power Points. Opposite of the teacher from last year, who came from Indianapolis. Even brand new advisors commented that it was a waste of their time.	5/3/2016 8:25 AM

16	The information was truly not helpful for me.	5/3/2016 8:17 AM
17	The advisors workshop was titled "First Year Advisors" but all of us were required to sit in this session. The presenters stood at the front of the room and read a script. I learned absolutely nothing. There was no opportunity for us to learn from one another or to share ideas. There was no energy or excitement in the room. It was a huge waste of time.	5/3/2016 8:10 AM
18	I knew most of the info. Was pretty generic	5/3/2016 8:07 AM
19	I got a lot of useful information for my club	5/3/2016 8:04 AM
20	Boring-did not get anything new	5/3/2016 7:55 AM
21	The presenter started by saying that she was a last minute addition, and that she didn't create any of the materials. She gave us a packet, and then proceeded to read to us from it. Presenters alluded to techniques by bragging about their own zone's accomplishments, but failed to provide any workable, helpful, and constructive solutions to issues that we may be facing. What we have to remember for next year is that we are speaking to a roomful of educators. We know when someone is unprepared and we don't have patience for being talked at. It would be nice to have time to speak to other advisors since they're the ones who do it everyday.	5/3/2016 7:38 AM
22	It was very basic even for a new advisor and very boring I am sorry to say.	5/2/2016 11:01 PM
23	The information provided was very good but the delivery was AWFUL - very slow and unorganized.	5/2/2016 10:45 PM
24	Since I have been a faculty advisor for three years, I did not gain much from the information provided as it was for new advisors.	5/2/2016 10:17 PM
25	Very very boring	5/2/2016 9:34 PM
26	Too long	5/2/2016 9:32 PM
27	Presenters almost read to us. Boring. Tedious. Little interaction. Several years ago, some of the workshops had Faculty Advisors from very active schools give presentations about their clubs....what they did..membership, meetings, awards, responsibilities, rules, etc. These workshops were outstanding. Questions were asked, audience participated. Best session ever. There needs to be more of those types.	5/2/2016 9:30 PM
28	nothing new for me	5/2/2016 9:15 PM
29	same info we have heard many times before	5/2/2016 9:01 PM
30	boring and it it not apply to all the people in the room.	5/2/2016 8:44 PM
31	Wasn't particularly helpful.	5/2/2016 8:34 PM
32	Needed to know the basics not a history lesson	5/2/2016 8:22 PM
33	Boring, I can read the rules myself	5/2/2016 11:02 AM
34	It was boring a repetitive, I learned nothing	5/2/2016 7:25 AM

1	Nothing for us to share or learn	5/7/2016 8:55 AM
2	My students came to me after the District Board Q and A panel and were shell-shocked by the inappropriate conversations that occurred during this adult-free session. I am appalled at the conversations that transpired by our supposed "upstanding" District Board.	5/6/2016 4:55 PM
3	This session was a Q&A session that was tremendously helpful. Maybe providing a session specific to first time faculty advisors?	5/5/2016 9:41 AM
4	I was exhausted & needed to take a small nap.	5/5/2016 8:34 AM
5	Overall, students mentioned that their sessions were too long. They said they could have all been about 30 minutes. That's how much time was filled with real information. After that, it seemed like time was being wasted. I would definitely shorten the sessions in the future.	5/4/2016 8:45 AM
6	Questions and answers were very helpful.	5/4/2016 1:56 AM
7	Icebreakers don't belong in conference sessions. Wasted most of the session on one icebreaker and then didn't get any new info when it did finally start. No new ideas or resources. Very disappointing.	5/3/2016 10:52 AM

3	I am new to Key Club advising and new to DCON, and I learned a lot. I can really talk it all up next year!!!	5/4/2016 8:45 AM
4	The Key Club members eyes opened at our possibilities. Very exciting for me as an advisor.	5/4/2016 1:56 AM
5	No new ideas for projects or leadership. I have a promising group this year and we really didn't come away with much from the sessions. LGTs running sessions did not seem prepared or particularly knowledgeable.	5/3/2016 10:52 AM
6	Neither I not my students learned anything that we could take back to our club. My kids were upset because a lot of the workshops were either the same thing from our Spring Zone Rally and KCKC or the presenters had the kids play "matchmaker" for the entire time. Friday was a very disappointing day.	5/3/2016 8:10 AM
7	wanted to stay in the advisors WS, but the first one was soooooo boring, I just did not want to fall asleep-love the 2 presenters, but really needed to step it up.	5/3/2016 7:55 AM

1	I feel like there was alot more information this year but that can be overwhelming to the students.	5/4/2016 7:36 PM
2	I always learn something but didn't get very many new ideas.	5/3/2016 10:52 AM
3	would be nice to have service fair earlier in the convention schedule - many people felt they were "done" after lunch and were enjoying the pool, etc. DID NOT want to drag down to service fair - perhaps could be a workshop or set up in a room/etc for longer time to explore new ideas	5/2/2016 9:01 PM

1	If I have kids that want to go I'll be there	5/7/2016 8:55 AM
2	I think it is a great place for Students see all their hard work pay off & get feed back from other clubs on how to be better. Also very inspiring!	5/5/2016 9:16 AM
3	Just wish there was more things to keep the students awake as far as in between events for them. I understand that this is not a vacation but KEY club is about having fun while doing the work.	5/4/2016 7:36 PM
4	Meals could be improved on. Food was either cold or lukewarm at best. One night dinner was a hamburger. That was it. No sides. Please go back to filling rooms if requested. I believe the reason you ran out of rooms is because you did not do this. It is a financial hardship for clubs to pay for a double or triple because they don't know who to ask to find additional roommates. On a good note, registration was probably the easiest ever. Love the checklist!!	5/4/2016 9:14 AM
5	And I hope to bring many more key clubbers with me.	5/4/2016 1:56 AM
6	It was very well organized and exceeded my expectations. Great job, Matt and team.	5/3/2016 9:27 PM
7	I am moving to another state.	5/3/2016 1:37 PM
8	My students and I look forward to this event every year. I will attend because they want to but I will think twice about sitting in the advisor session again.	5/3/2016 8:10 AM
9	I will attend DCON because this event really motivates my students and they love it, but I would enjoy it much more if it were organized more like 2 years ago. I was very unhappy with the fact that DCON initially would not pair up students from different schools to fill rooms, then as a result of trying to fill rooms I had to register very late and ended up having to get moved around anyways. I would definitely have preferred to have my own room and my 4 students who initially thought they would be rooming together would have been much happier if they did not have to get split up into four different rooms with 3 complete strangers each.	5/2/2016 10:45 PM
10	none of the large group activities were started in a timely manner.	5/2/2016 9:01 PM
11	I will come back because I feel it is important to have my students see what other clubs are doing.	5/2/2016 8:27 PM

12	The schedule is very packed, children are constantly running, the changes in attire are constant, and the prayer should not be included. The kids should have more time to mingle, and be allowed to go to universal studios at least one night.	5/2/2016 11:02 AM

5	We had an amazing time at our first DCON! We can't wait to put everything we learned into practice next year! Thanks for a wonderful experience!	5/5/2016 9:41 AM
6	Love this event & hope to bring more students next year.	5/5/2016 9:16 AM
7	awesome dcon !!	5/5/2016 1:07 AM
8	Much attention was given to ensure the safety of the student's however my two students Lexia Gary and Katherine Justus left the hotel without letting me know that Katherine's parents picked the girls up. Only after waiting in the lobby for an hour did I find out they had left and we're on the highway when I called Katherine to get an update. This is very rude behavior when they knew I was waiting on their parents before I could leave per my commitment to be their chaperone so THEY were able to attend DCON	5/4/2016 8:22 PM
9	PLEASE match students from other schools into rooms next year. We had only 3 attend and needed to pay extra due to this.	5/4/2016 7:52 PM
10	Bring some sort of action service back. My students really missed the walk for Eliminate, which also provided more structured time. ALSO make the lanyards and other endowment merchandise potential add on s during registration. If we could do it in advance, we would have ordered items for ALL members attending.	5/4/2016 7:14 PM
11	Each division needs its own space for the "Meet your LTG" session. We had three divisions in our room, and it was not an ideal situation. This also didn't take the whole time, so if extra space is not available, times could be staggered. 15-20 minutes is all that is needed for this session. Overall, I really enjoyed the weekend and am excited to talk it up to my club next year.	5/4/2016 8:45 AM
12	I would appreciate one stop check in. I had to go to 4 places (and walked back & forth 3 times from my room) to get the tee shirts, badges, lanyards, and room key. Also, my impression from the bulletin was there was no wifi at the resort. Didn't bring my lap top only to find out it was available in my room. Not happy!	5/4/2016 1:56 AM
13	The check in was my only real issue. The students who were supposed to text us when our rooms were ready did not and we sat in the lobby for 3+ hours. I went to check twice and was told the rooms were not ready, but they did not check with registration and the keys were there and ready the whole time. We got keys at 5:15pm. They need a better system than writing numbers on a list and forgetting to let people know.	5/3/2016 9:27 PM
14	The gluten free items offered by the hotel was essentially salad. The breakfasts were not GF friendly at all, nor was the lunch one day (sandwiches and salad). If they're going to offer GF as a choice, it should be more than lettuce. The GF dinner at the banquet was edible.	5/3/2016 7:47 PM
15	Please send our enrollment patch!	5/3/2016 3:45 PM
16	I thought more time could be devoted to student workshops. Most of DCON is about the voting & recognitions, but more time can be devoted to instructional sessions. Some workshops can be student lead, but to have expert presenters in leadership & various areas would be more beneficial.	5/3/2016 2:18 PM
17	I think that the morning breakfast should last at least a half hour longer.	5/3/2016 2:15 PM
18	My students shared with me that during the third session, District Board Questions and Answer panel, no adult was present in the room. The conversation degraded to topics not relevant to Key Club or to service making some students uncomfortable.	5/3/2016 1:37 PM
19	PLEASE streamline registration process. We waited until 6:30 to finally get our rooms. We were never told where to go and the checklist did not specify.	5/3/2016 10:52 AM
20	I had a problem with one of our rooms. I spoke with Heather and she was spectacular. She corrected the problem and handled it like a pro. Thanks Ms. Heather. From Ms. Allen Boyd Anderson	5/3/2016 10:43 AM

21	As far as awards go, we sent in at least 3 awards that we did not get recognized for and were wondering why? Governors Project, Single Service, and Kiwanis Family... We also got Governor's Citation but no one told us until we saw our name on the screen. I had to hunt down the awards chair to get our ribbons. I know its little stuff, but the kids worked hard all year and not to be recognized was a downer!	5/3/2016 10:24 AM
22	Unless there was an overwhelming vote to eliminate eggs from breakfast, they should always be included. Pancakes are pure carbs.	5/3/2016 8:25 AM
23	The conference structure was well planned and organized. Nice job! The sessions for advisors need to be meatier. Last year, the advisor session was a "round table" type of discussion and very helpful. Perhaps these could be divided in to organization sizes so that large clubs meet with large clubs, small clubs with small clubs, etc.	5/3/2016 8:17 AM
24	There are some clubs that won awards that provide students with community service hours for donating items. For example, if you donate one pair of socks, you get two hours of service or depending on the size toy you bring in, will depend on the amount of service hours you are given. This is an unfair advatage especially to students who come from title one schools and live in poverty. It was very discouraging to watch the same school win every award while knowing they were not following what Key Club has established as what does and doesnot count for service hours.	5/3/2016 8:10 AM
25	The food was undercooked	5/3/2016 8:07 AM
26	I was very pleased there was an emphasis on prayer again, as it is in the Key Club Pledge. I also liked the seperate room for the advisors breakfast. It is a lot easier to hear the speaker when you are not in a huge room roped off from everyone else as it had been in the past.	5/3/2016 7:55 AM
27	The attempt to include all religions during prayer was improved upon this year compared to last. However, certain references to "the creator" and such, in itself excludes certain religions. If a prayer is to be used, it needs to be as vague as possible, not focusing on one type of "creator" or "father", as not all religions share this perspesctive or viewpoint. If trying to be accepting to all religions, a silent prayer may be best. Again, certain verbiage during prayers, suggest a specific religion, which excludes some and is insensitive to certain beliefs.	5/3/2016 7:47 AM
28	Dress code was not enforced. Liberal political views of students should NOT be permitted in speeches! I would like to see more outside (organized) activities for the kids - guided nature trail walks, field day events, study succession for AP or EOC testing, The vulgar dancing during the talent show should be eliminated! Students need help mixing during lunch and down time! Offering a golf scramble would be great too.	5/3/2016 4:56 AM
29	I would like more time to connect with other advisors. Especially during workshop time this could be an easy time to brainstorm ideas and share strategies. I thought the advisor lounge was a waste. Every time i went there to try to talk to others it was empty. Maybe have refreshments there or a more inviting space. Food this year was okay, but i think some side dishes were needed to go with the sandwich lunch and burger dinner. Some chips and fruit would be great. I liked the pasta lunch addition, that was my favorite meal.	5/2/2016 11:01 PM
30	Healthier breakfast food options would be nice.	5/2/2016 10:45 PM
31	We must make sure that an adult is present at all workshops. Nobody liked the hamburgers Sat. Eve - cooked raw. Don't make clubs mail in any awards - too costly. Thanks for a great DCON	5/2/2016 10:18 PM
32	I know how hard it is to feed 2000 but I honestly think we could make it simpler especially the breakfast . Also I heard people say they missed the box lunches. Not sure which is more economical and I understand that had to come first.	5/2/2016 9:34 PM
33	The FOOD was the worst ever. Seriously? 5 Star Resort and food like that? Hotel Staff were great. Food sucked. Overall Conference was good. Well planned, ran smoothly, kids did a good job. Our school's kids had a great time. Advisor's workshop need to offer more hands on opportunities to learn about what other clubs are doing.	5/2/2016 9:30 PM
34	the opening assembly and the K family assembly should be professional dress	5/2/2016 9:15 PM
35	Well organized -- advisors did a good job with the kids	5/2/2016 9:07 PM
36	went to Advisor lounge several times during the weekend - VERY DISAPPOINTED - there was nothing there - candy, snacks, coffee, even notes of appreciation from Key Club members - what was the purpose of this?? Very difficult to deal with rooming issues Also would be nice if there was a listing of what order to register - 1) get general registration info (2) pick up armbands, etc. Also would have been nice to have forms available for Oratorical & talent show students to complete -- would be nice to have fresh fruit at breakfast - also food seemed to be put away before ending time.	5/2/2016 9:01 PM
37	Please talk to the hotel about having the vegetarian meals labeled more clearly, or have them on a different table.	5/2/2016 8:58 PM
38	It was very awkward for the icon chair to read from the TelePrompter a wrong price for icon only to have the next kid correct it. It looked like she was set up to be embarrassed on purpose	5/2/2016 8:52 PM
39	There are many teachers who attend this event, use them for your workshop, thye teach for a living	5/2/2016 8:44 PM

40	As a new advisor I felt that some of the Kiwanis members were not particularly friendly, while others were. I did like the organization of the sergeant at arms and I felt that my students were well watched after. I however feel an event like this needs to review its medical protocol. A few students and advisors alike did get food poisoning, which is surprising, but the food was sub par. A continental breakfast would have been much more appealing than the uncooked eggs that were served. Also I saw a few pieces of chicken that looked less than cooked. If we are going to continue to cater to over 1600 individuals... Many of which are under the age of 18 then there needs to be a way to help the adults take care of minor ailments... An infirmary or a clinic would suffice. There needs to be more support for the advisors.	5/2/2016 8:34 PM
41	I was very disappointed with the overall lack of communication with check in. When I checked in my packet did not have any of the Delegate stickers, or advisor sticker we checked in at 5pm and did not receive a bag or any information. My packet did not have anything that other advisors had. I was not impressed with the way check in and registration was handled at all. My students felt unimportant because they were not treated the same as the other clubs. As a new Advisor I learned somethings from the Conference but I was disappointed with my first impression of DCON and that was unprepared	5/2/2016 8:27 PM
42	I think the Saturday lunch should be casual dress as most students have free activity in the afternoon. The delegates can be professional dress. Overall a excellent and well organized weekend. Look forward to next year.	5/2/2016 8:23 PM
43	The awards committee should provide specific feedback on all awards so that clubs can improve for next year. When asked they were rude and unbecoming of a servant organization. It was appalling and frankly something that would turn a lot of people away. Also it appears that the people in charge are giving the awards to the people from their own zones, so criteria and comments should definitely be addressed. Also the categories for clubs should be reevaluated. Grouping clubs with 89 people- 200 or 250 should be reevaluated on a statistical level.	5/2/2016 7:25 AM

1	The speaker was barely audible as his mic was too low and he would not pause for us to take notes. He was also just reading off of his presentation and had few technological skills to help us in advising us about the position.	5/5/2016 9:06 PM

3	I found things to be unorganized and chaotic. I believe there should have been more events to keep everyone preoccupied instead of allowing students to run around the hotel with hours of free time. There could been workshops throughout Saturday during that large gap while delegates voted. It also didn't make it fair to delegates by having to stay in the room for hours to vote while everyone else would hang out at the pool or run around the hotel.	5/3/2016 8:14 AM
4	Although Key Club and Dcon are full of nice and friendly people, there are some members who cannot look pass race and treat my club members and I differently because of it. Therefore, I decided not to go to Dcon.	5/3/2016 5:48 AM
5	I would definitely attend next year if I could, considering either chaperoning or maybe going as a part of CKI.	5/2/2016 10:02 PM

2	It was a beautiful event and an amazing experience. I'm extremely glad that my senior year I was able to spend with friends, classmates, and fellow key clubbers learning just how great the club is for our schools, communities, and us as the future leaders.	5/5/2016 11:18 AM
3	The food should be better. If the food can't be better it could at least be separated from the vegetarian food we had a strong religious vegetarian have a wrap with meat and it was very upsetting to her and she really wanted to just go home. 8	In comparison to other years, I felt that this DCON was not as organized. The dress code was not strictly enforced and there were mishaps in terms of what people should be wearing which day. I was upset to see what we usually wear business professional attire the first night and this year we did not. Also, the students chosen to speak this year were not as eloquent as in other years. While DCON was fun and engaging, it could have been structured better.	5/3/2016 9:37 AM

1	The music choice did not inspire turning up	5/6/2016 10:17 PM
2	The music was not diverse at all, it was only hip hop. The room was too small for all the people, and we were in formal dress so there wasn't much room to dance to hip hop. The music was so loud it gave me a headache. It could hardly be called a ball.	5/6/2016 5:13 PM

I was not even aware of the role of leutinate governor (which u would have run for if I was aware).Now that I have attended DCON and have been informed of its great work I will definitely devote a lot my time to the club.	5/3/2016 4:11 PM

8	The timing of the convention was bad, considering many people take AP classes and testing started the following Monday. Many people I networked with felt the same. 1	Too crowded. It was not formal and was more like a club.	5/6/2016 6:49 PM
2	The only thing that I did not enjoy about the dance was the choice of music. Next year the Governor's Ball should have music that is more similar to all the sessions.	5/4/2016 7:32 PM
3	Could have been a more spacious dance floor and not end so early.	5/3/2016 7:05 PM

7	I'm from the Cayman Islands and the music that was playing at the ball was good, but myself as well as the others from Cayman would have liked some music from our background like soca (machel montano)	5/2/2016 8:52 PM

2	Super excited for next year! I also made friends and I enjoyed being surrounded by so much positivity!	5/5/2016 7:32 PM
3	One of the best experiences of my life. Don't play the same music when we attend evening sessions please. Pick from different genres as long as it is appropriate. Also conduct song request for the evening sessions/ball.	5/4/2016 8:26 PM
4	I liked that there was a costume contest the first night!	5/3/2016 7:05 PM
5	Congrats to the new District Board Members! Also, you guys did a great job hosting DCON! Keep up the good work!	5/3/2016 9:06 AM
6	Put fruit in the breakfast. Make the workshops be shorter or put more information in them so people don't just sit for a half hour doing nothing.	5/3/2016 7:08 AM
7	Since we were incredibly close to Universal Studios AND Disney World!!! I don't see why we could not go to one of these parks Sunday after all those workshops and meetings all weekend. I mean I would pay extra to go. If that was included in the trip, it would have been worth it but since it wasn't it made my first DCON experience... Just okay but mostly boring. Also STOP SERVING BREAKFAST SO EARLY IF YOU PLAN ON SENDING US BACK TO OUR ROOMS AT 11 ALMOST 12. I fell asleep during the workshops, I couldn't focus on anything.	5/3/2016 12:13 AM
8	I was not particularly impressed by the awards and the club of the year. I feel like the standards to receive hours should be strengthened so that you can't just buy them or do as little possible to get them. I feel that Hialeah high had very simple ways to get hours such as bringing in a box of crayons and receiving three hours and I don't feel that that is fair to the other clubs and students in particular. When they do this it strengthens the chance of them getting scholarships over other students for doing not as much and I feel like Manatee high school was more deserving of club of the year.	5/2/2016 9:50 PM
9	Let the teens handle it! They did a great job this year!	5/2/2016 8:59 PM
10	I love Key Club so much and I cried when I got home thinking about how I only have two more years left	5/2/2016 8:46 PM

1	I thought an Awards Session in the morning would feel odd, but the way it was executed made it really great (regardless of the time).	5/4/2016 9:14 PM
2	Lots of hate on specific schools that win many awards. I feel like this shouldn't occur since it's about cooperation not competition.	5/4/2016 6:54 PM

3	The food was not as good as expected. For the price of the trip, we expected the food to have been much better, and did not like the long breaks between the Farwell for goodbyes and photos between the on stage members. That was unnecessary, and took up too much time.	5/2/2016 11:34 PM

1	It felt just like the Friday Entertainment session. Both of the events were fun and interactive (I still think it's funny how there were rave sticks), but I think they had more potential as a fun session for bonding. In terms of the music selection, songs with inappropriate parts that were blurred out shouldn't have been set to play in the first place because everyone screamed the lyrics on the top of their lungs anyway and all that really did was make the adults nervous/shocked/uncomfortable/hesitant to play more upbeat, "danceable" music.	5/4/2016 9:14 PM
2	Played inappropriate music and was really crowded in a small room	5/4/2016 8:53 PM
3	Music was not very good. Couldn't see in the room. Should have been set up more as a formal dance ( as expected with the name "ball")	5/2/2016 11:34 PM
4	It was out of control and not classy whatsoever so my freinds and I left early to go to the pool.	5/2/2016 5:57 PM
5	play better music	5/2/2016 5:38 PM

1	I learned some good advice mainly by looking at what other key clubs did, the sessions were good at making me think of things my key club should do that we hadn't thought about, like summer session, but the information and advice was pretty general.	5/6/2016 12:32 PM

1	The pin was really cute, but I wish key club was selling more pins for DCON. I was so ready to buy them, but then I found out they were not being sold.	5/6/2016 12:32 PM
2	Keep up the good work!! Rave sticks were a hit!	5/4/2016 9:56 PM
3	You're all doing great. :)	5/4/2016 9:14 PM
4	Great Job This year keep up the good work.	5/4/2016 8:53 PM
5	The meet & greet sucked! The music variety was horrible. It felt like we were at at a rave basically. In the past two years the meet & greet was one of the best parts of DCON and this year it was a let down.	5/3/2016 7:09 PM
6	There were not many food options which was a large problem, I wound up needing to spend a lot of extra money because of the lack of healthy options. Some speakers seemed to be a little bit unprofessional and possibly in the future, should be observed more before on stage at DCON. Also, the dress code was not at all enforced, although the other girls in my club and I went out of our way to make sure we had all the right things. Some outfits were actually inappropriate to the point where they made some people uncomfortable. So, it was surprising to me that at a Kiwanis event, this would not be addressed.	5/2/2016 11:34 PM
7	Overall, DCON was an amazing experience that I am confident I will attend again. I truly loved it and I really can't wait for next year! It really opened me up as well as m fellow peers. I'm very glad I attended DCON, and I'd like to thank those who made it possible :) Though it was very sad to leave and see everyone retired, attending for the smiles and laughs was completely and utterly worth it :)	5/2/2016 9:36 PM
8	Could we please retract clubs the true meaning of service, and what actually counts as a service hour, because I really feel like certain clubs have lost sight of that. Also, dress code needs to be enforced a bit more strictly next year.	5/2/2016 5:57 PM

5	Great Concept, just difficult for us to get energized because of how early it was.	5/3/2016 6:34 PM
6	Very melancholy, also somewhat biased	5/2/2016 11:43 PM
7	i was falling asleep through it... this was likely do to a lack of participation by my club as we were not informed of the many catagories, so there was a lack of interest. Next year this will change as I will be club President	5/2/2016 11:17 PM
8	It was good, but there were practically no seats. My sister had to sit on the floor and ended up just sitting outside the entire time because of how annoying it was sitting on the floor.	5/2/2016 10:20 PM
9	It could of been better my schools name was spelled wrong and the awards got mixed up.	5/2/2016 5:29 PM

1	Let people chose what song to play. Please.	5/7/2016 8:45 AM
2	Need a better dj to play music the crowd wants	5/6/2016 6:22 PM
3	It was still a dance, but I wouldn't call it a ball, and there weren't any slow dances which was extremely disappointing. There needs to be some slow dances!	5/6/2016 5:13 PM
4	Wasn't really a 'Ball', it was more of a high school dance...if you know what I mean.	5/5/2016 4:12 PM

1	It didn't anything new . Most of the information was common sense. I was expecting more out of it . Like deeper into the idea of public speaking. But it was just basics you could have learned by asking anyone or even by thinking of it.	5/6/2016 7:35 PM
2	Lesson part was really short and the activity was very time consuming/uninteresting.	5/5/2016 4:12 PM
3	Speakers were a bit uncertain about the information that they were presenting	5/5/2016 2:12 PM
4	Did not help me at all	5/5/2016 6:10 AM
5	No one showed up to give the presentation	5/4/2016 11:08 PM
6	Pretty unorganized	5/4/2016 10:52 PM
7	I could've chosen a better one.	5/4/2016 8:37 PM
8	Hosts were good, very engaging	5/4/2016 7:58 PM
9	BORING. Extremely slow and uneventful.	5/4/2016 7:39 PM
10	No structure was pretty pointless	5/4/2016 7:09 PM
11	Presentation got off to a slow start. Didn't discuss much trivia. Just a bunch of kids showing off their weird talents.	5/4/2016 11:26 AM
12	The powerpoint was extremely short and we ended with about 20-30 minutes to spare.	5/3/2016 6:34 PM
13	Give more tips for public speaking	5/3/2016 2:54 PM
14	This workshop was very good and taught me a lot of service project opportunities!!	5/3/2016 9:40 AM
15	Shane and Jose opened up about a lot of tbing	5/3/2016 7:14 AM
16	Not really giving us the chance to try public speaking	5/3/2016 6:43 AM
17	Very well done- with our new governor of course!	5/2/2016 11:43 PM
18	It was just being read off slides and I already knew everything she said.	5/2/2016 10:22 PM
19	The workshop made me stressed because of how much reading and preparation had to be made to have no stress	5/2/2016 10:20 PM

20	I like the trivia, but there's a lot of people who go twice so they know all the answers/ tell their friends the answers by the second session.	5/2/2016 9:16 PM
21	Speakers ended very early, providing very little information and using energisers to fill the remainder of the time.	5/2/2016 8:28 PM
22	Spent almost the entire time playing an ice breaker. Then when it became time to explain hkw to expand service all they advised was service project ideas, rather than how to get students to show up to events more.	5/2/2016 5:29 PM
23	Learned a lot	5/2/2016 11:33 AM

2	Some information I already knew from DMC's. Other information was helpful and gave good ideas.	5/5/2016 12:55 AM
3	The workshops were uninspired and were almost entirely the people telling us how to do stuff using powerpoints we could access anywhere. There was also a lack of service idea ones	5/4/2016 11:08 PM
4	It was very helpful	5/4/2016 8:37 PM
5	It gave us inspiration to look up to, and also the workshops helped educate us in our roles better.	5/3/2016 6:34 PM

7	I learned so many things I did not know about key club and I believe that I will be the best Vice President the key club in my school has ever had	5/2/2016 10:20 PM
8	Overall, DCON provided helpful information that will aide me in my club's administration next year.	5/2/2016 8:28 PM
9	Most of the information shared was already established in my club and its only our 3rd year. But i got some good ideas from other clubs.	5/2/2016 5:29 PM

1	The aura of service, the inspiring leaders that are gathered in one room already gives you the impression that Key Club is much larger than you think it is. When I heard most of the speakers at DCON, I knew exactly that it was truly a District LEADERSHIP Confrence	5/6/2016 7:41 PM
2	I didn't learn anything, but I planned and was successful working with my club together	5/4/2016 11:08 PM

2	DCON was AMAZING!	5/7/2016 10:30 AM
3	Can you please extend curfew for like at least 30 mins more? & Prehaps instead of having judges judge an entry for a contest why not let the key club members vote instead. It's the voice of the people who matter because, a couple of people's opinions can be biased and really it would be more fair to be honest. & thanks for a unique experience.	5/7/2016 8:45 AM
4	I loved DCON and am very excited to attend next year! I had a fun and educational time, and hope that next year's conference will be even better!	5/7/2016 3:53 AM

13	Thank you to everyone who made DCON the best experience I've ever had!! Thanks so all the staff who and board of putting up with us crazy Key Clubbers! Definately can't wait for next year!	5/4/2016 10:52 PM

17	LOVED IT SO MUCH	5/4/2016 7:09 PM
18	The food and ball could have been better and the dining staffs carefulness could have been better. An incident occurred where a young woman had eaten chicken which is strictly against her religious beliefs because of the mislabeled food item. It should be the staffs responsibility to label all the food correctly so that an incident similar to this one does not repeat.	5/3/2016 10:44 PM
19	BETTER FOOD!!!! PLEAAAASSSSEEE	5/3/2016 8:00 PM
20	There were some instances of slander on social media of the District candidates. I can only speak for what other people have brought to my attention, but a specific post that comes to mind was on Yik Yak, an anonymous, location-based social media. The post stated that Drew Valenti had sex with the person who posted it in the Parking Lot last night. This kind of slander is extremely unacceptable and unprofessional.	5/3/2016 6:34 PM
21	It was extremely fun. Though our club had problems with receiving our officer tags (e.g. President) on our name tags; in fact we didn't get them at all even though we went to the reception desk several times. One of the adults that me and my club spoke to was rude and disrespectful to us, but other than that, DCON was fun and exciting.	5/3/2016 6:21 PM
22	Overall very fun	5/3/2016 2:54 PM
23	My friend was relieved of her Lieutenant Governor position because she broke one stupid rule. EXPRESS THE VERY CORE VALUES YOU INSTILL IN YOUR CLUBS!!!!!!!	5/3/2016 9:40 AM
24	Maybe doing something for the people that auctioned people off at the Caucuses, we never got to "dance" with the people we auctioned off. Kind of ridiculous especially how the ball was organized, maybe having better music instead of some trash rap music. Also maybe implementing paper cups for getting water at the ball, all those big plastic cups quickly ran out and went to waste. The party was still great but could've been better. Thank you	5/3/2016 6:43 AM

25	Food was horrible again, I'd pay more for better food next year. More healthy options would be great instead of all carbs. Also, a zone coordinator Bob Filicia yelled at our chaperone for just standing waiting at the registration desk as well as yelling at us multiple times throughout the trip, not very encouraging. Overall though, my club and I had a blast. Thanks again for allowing us to have this amazing opportunity!	5/2/2016 11:43 PM
26	DCON made me sad that I did not know as much about key club last years. if i had known as much as i know now there is no doubt that i would have run for It governor this year. I am in division 6 and go to West Port High School and DCON was an amazing experience for me	5/2/2016 11:17 PM
27	For both years that I've attended DCON, I along with the majority of people around me have had trouble hearing the questions that were asked to candidates at Friday's caucus. If someone could have a microphone that could be passed to whoever is asking a question to a candidate that could fix this problem.	5/2/2016 10:48 PM
28	The vents should have been more professional in the sense that those attending should have been required to wear business casual/professional rather than just casual	5/2/2016 10:23 PM
29	Organize the app with the booklet given , more chairs in all events and better food.	5/2/2016 10:20 PM
30	Key Club is awesome ! Definitely the best club I am in!	5/2/2016 9:52 PM
31	I am extremely thankful I had the pleasure of attending this years DCON, it really inspired my officers and I and gave us many ideas for next year, which we have already started planning! Very excited due to DCON. Very helpful.	5/2/2016 9:44 PM
32	I really did enjoy my first year at dcon though I wish the bedrooms that we were in looked better and didn't have any non-working lights	5/2/2016 9:32 PM
33	Vegetarian food...that needs some major help. Also, more free time would be nice.	5/2/2016 9:14 PM
34	One MAJOR problem, in my opinion: campaign staffers for candidates for the District Board of Trustees should not be allowed to serve in the House of Delegates as this will lead to a severe conflict of interest. Although the number is small, the fact that the District allows this raises serious concerns as to what both the District and International levels choose to investigate.	5/2/2016 8:28 PM
35	Make sure your key clubbers attending DCON are showing an attitude as a leader and are being respectful of one another. A lot of rude comments on yikyak and inappropriate behavior was occurring at DCON. Also make sure youre going throuh your workshops and that theyre actually helpful. Because for some of my workshops the infprmation is like "duh!" I was told that we should start a meeting with a bell .....duh	5/2/2016 5:29 PM
36	Over while decon was great, my only complaint is the governors ball and the food we were provided. Last years food was much better and so was the dance	5/2/2016 11:33 AM

3	The speaker was more entertaining than last year but you could tell that our trustee was being forced into saying y'all.	5/3/2016 6:24 AM

1	Very entertaining filled again, with great music. Amazing talent and unique Key Club members.	5/6/2016 5:26 PM
2	Last year was better but could've been judged harder, I think some people shouldn't have qualified	5/5/2016 12:32 AM
3	Consider having a paid act like the hypnotist from years ago or the dance group.	5/4/2016 7:45 AM

2	Great, the awards were very fantastic and gave me motivation for next year DCON to win many awards for home school of.	5/6/2016 5:26 PM
3	NOT BORING!!!! I say that in a good way	5/5/2016 12:32 AM
4	There was a lot of forging of awards and when questions were asked, we were dismissed by the adult advisor for the awards and contest committee. Allowing clubs to forge hours and claim they have attended events such as zone rallies and ICON just encourages this behavior to cheat and lie and brings dishonor to the prestigious name of Key Club and taints our integrity. The judging process should be much more in depth with verifications of Annual Achievement Reports and not have student judging but instead use an imparcial committee of adults to judge.	5/4/2016 7:45 AM
5	It was good with its flow but there were many awards that were not advertised through out the year so no one knew about them, the contest awards seem to have been chosen very biasly and I recommend enforcing the you can't vote on something you have a club from your division ins	5/3/2016 6:24 AM
6	Kind of boring. Maybe add a little excitement to it?	5/2/2016 8:46 PM

4	Having three presenters hasn't beneficial especially when there was only one pulling the weight. Also, I didn't understand why the candidates were presenting a workshop for a position they'd hope they would get elected into and would have the District Treasurer standing in the back.	5/4/2016 7:45 AM

I was not even aware of the role of leutinate governor (which u would have run for if I was aware).Now that I have attended DCON and have been informed of its great work I will definitely devote a lot my time to the club.	5/3/2016 4:11 PM

8	The timing of the convention was bad, considering many people take AP classes and testing started the following Monday. Many people I networked with felt the same. 6	I had to seek out what documents my club was required to turn in on my own. 1	Very entertaining filled again, with great music. Amazing talent and unique Key Club members.	5/6/2016 5:26 PM
2	I and everyone around us was apalled and embarressed of what appeared to be sleezy pole dancing by the single dancer who ended up actually winning one of the awards. It was the only negative comment I have about the conference. It was disgraceful and should have never been allowed in the first place. Key Club has better standards, C'mon!!!!!!	5/3/2016 7:55 AM
3	Some of the talent acts were not key club appropriate and it would have been way better if there was an actual entertainer	5/3/2016 6:24 AM

4	Should have started on time though	5/3/2016 7:55 AM
5	It was good with its flow but there were many awards that were not advertised through out the year so no one knew about them, the contest awards seem to have been chosen very biasly and I recommend enforcing the you can't vote on something you have a club from your division ins	5/3/2016 6:24 AM

4	Enjoyed it all, even though we were far, far, far away in almost another galaxy. Our students had a wonderful dining experience and the pinning ceremony and farewells were very touching, not a dry eye at our table.	5/3/2016 7:55 AM
5	They did not bring sweet tea, coffee, and only gave one glass of water with no refills. The salad was whatever and my friend that's a vegetarian did not like her option. Also some of the LTG awards shouldn't have been renamed.	5/3/2016 6:24 AM

2	Great information.	5/6/2016 5:42 PM
3	Such a great workshop, taught me the responsibility of being club treasurer and the duties I must do in order to expedite a successful year in the governor's project.	5/6/2016 5:26 PM
4	I didn't learn that much	5/5/2016 10:51 PM
5	Seemed to run out of information, had periods of time with no stimulus	5/4/2016 8:37 PM
6	The presenters were amazing! They were very relatable and kept the crowd engaged.	5/4/2016 11:26 AM
7	Jose was very helpful in teaching all of the club secretaries how to do their job!	5/3/2016 8:52 AM
8	Boring-did not get anything new	5/3/2016 7:55 AM
9	All of the information was basic, which I expected but once we were done, there was lots of time left and we sat and did nothing. Well we played a game which was boring.	5/3/2016 7:08 AM
10	I would have attended, but it said for NEW advisors.	5/3/2016 6:46 AM
11	Although one out of the 3 people that headed our workshop seemed qualified, I feel it should have been our district treasurer Elieen teaching it because she has the most experience and is the best qualified	5/3/2016 6:24 AM
12	The advice given at this work shop was invaluable. It taught me a lot about how I can lead my club.	5/2/2016 10:48 PM
13	So boring I almost fell asleep on the stranger next to me	5/2/2016 10:20 PM
14	Since I have been a faculty advisor for three years, I did not gain much from the information provided as it was for new advisors.	5/2/2016 10:17 PM

1	Not a lot of helpful information.	5/6/2016 5:42 PM
2	Quite dull, most of the tips to deal stress I already practiced, other than that it was educational.	5/6/2016 5:26 PM
3	The presenters could have been more thorough	5/4/2016 8:37 PM
4	Presentation got off to a slow start. Didn't discuss much trivia. Just a bunch of kids showing off their weird talents.	5/4/2016 11:26 AM
5	The speaker didn't show up. I left after 20 minutes.	5/3/2016 8:29 AM
6	Loved all the shared ideas	5/3/2016 7:55 AM
7	It was amusing but not all to helpfull.	5/3/2016 7:08 AM
8	No one showed up to talk about the workshop and I sat in a room for an hour doing nothing productive.	5/3/2016 6:24 AM
9	Really fun and informative and good practice.	5/2/2016 10:46 PM
10	It was just being read off slides and I already knew everything she said.	5/2/2016 10:22 PM
11	The workshop made me stressed because of how much reading and preparation had to be made to have no stress	5/2/2016 10:20 PM
12	I and about twenty other people showed up for this workshop, but the speaker never showed up. We did not figure out that the person was not coming at all until one of the student attendees went to talk to someone in charge. We were never apologized to or told the reason for the speaker's absence.	5/2/2016 8:53 PM
13	Learned a lot	5/2/2016 11:33 AM

1	My daughter will be graduating this year. However, I thought the convention was well organized and very helpful in helping to plan for next year. The advisor taking over found the workshops very helpful.	5/4/2016 7:50 PM
2	wanted to stay in the advisors WS, but the first one was soooooo boring, I just did not want to fall asleep-love the 2 presenters, but really needed to step it up.	5/3/2016 7:55 AM

4	I learned the majority thru club training and because my second and third workshops were just bad I can tell you that I didn't learn much	5/3/2016 6:24 AM

3	As Key Club Treasurer, I am going to DCON and experience the amazing adventure of meeting new people, workshop, and overall just fun.	5/6/2016 5:26 PM
4	My daughter is graduating and going to college in the fall.	5/4/2016 7:50 PM
5	I want to go next year but the club sponsor doesn't because it is too much paperwork for her. Our club currently goes only every other year. I have been unsuccessful in changing her mind.	5/4/2016 7:38 PM
6	Just wish there was more things to keep the students awake as far as in between events for them. I understand that this is not a vacation but KEY club is about having fun while doing the work.	5/4/2016 7:36 PM
7	If I weren't graduating, I would definitely come back!	5/4/2016 11:26 AM

1	Extremely amazing. I believe giving less free time, and allotting it all towards after dinner (more at night) would make it more socially interesting.	5/6/2016 7:33 PM
2	Great job!	5/6/2016 6:49 PM
3	DCON 2015 - 2016 was the greatest!	5/6/2016 5:26 PM
4	Nope	5/6/2016 11:02 AM
5	DCON was the best event I've ever been too and I can't wait to attend it again!	5/5/2016 8:17 PM
6	Better variety of food choices	5/5/2016 2:39 PM
7	awesome dcon !!	5/5/2016 1:07 AM
8	The food provided for lunches and dinner, except the banquet, was terrible and caused myself and many others to become sick. The vegetation options were not separated from the rest of the food provided. Vegetarian options should be a separate line	5/4/2016 8:37 PM
9	I enjoyed DCON very much this year! Had a wonderful time at the banquet! Really enjoyed Shane's farewell address.	5/4/2016 7:50 PM
10	IT WAS LIT	5/4/2016 7:47 PM
11	The food and ball could have been better and the dining staffs carefulness could have been better. An incident occurred where a young woman had eaten chicken which is strictly against her religious beliefs because of the mislabeled food item. It should be the staffs responsibility to label all the food correctly so that an incident similar to this one does not repeat.	5/3/2016 10:44 PM
12	The check in was my only real issue. The students who were supposed to text us when our rooms were ready did not and we sat in the lobby for 3+ hours. I went to check twice and was told the rooms were not ready, but they did not check with registration and the keys were there and ready the whole time. We got keys at 5:15pm. They need a better system than writing numbers on a list and forgetting to let people know.	5/3/2016 9:27 PM
13	it was lovely!!	5/3/2016 3:28 PM
14	Congrats to the new District Board Members! Also, you guys did a great job hosting DCON! Keep up the good work!	5/3/2016 9:06 AM
15	I was very pleased there was an emphasis on prayer again, as it is in the Key Club Pledge. I also liked the seperate room for the advisors breakfast. It is a lot easier to hear the speaker when you are not in a huge room roped off from everyone else as it had been in the past.	5/3/2016 7:55 AM
16	Put fruit im the breakfast. Make the workshops be shorter or put more information in them so people don't just their for a half hour doing nothing.	5/3/2016 7:08 AM
17	Need to provide more school club meeting time to discuss information learned/planning for next year. Need to provide more time for school teaming (local h.s's planning/working together).	5/3/2016 6:46 AM
18	Need to announce all awards that clubs can get if they were to apply, need to show why the quality went down and the price went up. Should show winning score sheets so that clubs can see how close they came so that they know and the annual achievement should be verified before being considered	5/3/2016 6:24 AM
19	Dress code was not enforced. Liberal political views of students should NOT be permitted in speeches! I would like to see more outside (organized) activities for the kids - guided nature trail walks, field day events, study succession for AP or EOC testing, The vulgar dancing during the talent show should be eliminated! Students need help mixing during lunch and down time! Offering a golf scramble would be great too.	5/3/2016 4:56 AM
20	For both years that I've attended DCON, I along with the majority of people around me have had trouble hearing the questions that were asked to candidates at Friday's caucus. If someone could have a microphone that could be passed to whoever is asking a question to a candidate that could fix this problem.	5/2/2016 10:48 PM
21	Organize the app with the booklet given , more chairs in all events and better food.	5/2/2016 10:20 PM
22	Matthew Did an amazing job	5/2/2016 10:08 PM
23	Key Club is awesome ! Definitely the best club I am in!	5/2/2016 9:52 PM

24	I am extremely thankful I had the pleasure of attending this years DCON, it really inspired my officers and I and gave us many ideas for next year, which we have already started planning! Very excited due to DCON. Very helpful.	5/2/2016 9:44 PM
25	It was very awkward for the icon chair to read from the TelePrompter a wrong price for icon only to have the next kid correct it. It looked like she was set up to be embarrassed on purpose	5/2/2016 8:52 PM
26	The food is not that great. Also my friend is a vegetarian, and she had a wrap with meat in it by accident because the food was incorrectly labeled. Other than the food being gross, it was one of the best weekends ever	5/2/2016 8:34 PM
27	Over while decon was great, my only complaint is the governors ball and the food we were provided. Last years food was much better and so was the dance	5/2/2016 11:33 AM

2	Love it! It's convenient!	5/5/2016 9:35 PM
3	Not everyone has phones and need to rely on the paper schedule. For example, on the paper schedule the talent show was casual but on the app it was business casual. Everyone was confused.	5/5/2016 4:12 PM

1	My only issue was that most if it was awards. I wouldn't have as much of an issue with this if there wasn't already a whole other event just for awards.	5/6/2016 5:13 PM
2	Bring back the hired entertainment--some of those acts were baaaaaad. And too many musical numbers- this isn't American Idol.	5/5/2016 7:43 AM
3	There were too many speeches in between so it took a way from the talent. "	5/3/2016 6:50 AM

1	The music was not diverse at all, it was only hip hop. The room was too small for all the people, and we were in formal dress so there wasn't much room to dance to hip hop. The music was so loud it gave me a headache. It could hardly be called a ball.	5/6/2016 5:13 PM
2	Wasn't really a 'Ball', it was more of a high school dance...if you know what I mean.	5/5/2016 4:12 PM
3	AMAZING, WAS BETTER THAN MY SCHOOL'S HOMECOMING. I LOVED HOW THERE WAS MUSIC FOR EVERY PERSON.	5/5/2016 10:43 AM

6	The space in which the ball was held was crowded.	5/4/2016 8:09 PM

8	The only thing that I did not enjoy about the dance was the choice of music. Next year the Governor's Ball should have music that is more similar to all the sessions.	5/4/2016 7:32 PM
9	The best ball I have ever went to.	5/3/2016 3:44 PM
10	The room was clearly way too small to fit everyone on the dance floor. We were literally on top of each other trying to dance.	5/3/2016 7:11 AM

10	DCON was an amazing experience and I will cherish it forever. Although the food most of the time was not enjoyable. It's was extremely mediocre. But real good time.	5/4/2016 7:39 PM
11	Thank you for organizing such an amazing conference!	5/4/2016 7:08 PM
12	My friend was relieved of her Lieutenant Governor position because she broke one stupid rule. EXPRESS THE VERY CORE VALUES YOU INSTILL IN YOUR CLUBS!!!!!!!	5/3/2016 9:40 AM
13	The conference structure was well planned and organized. Nice job! The sessions for advisors need to be meatier. Last year, the advisor session was a "round table" type of discussion and very helpful. Perhaps these could be divided in to organization sizes so that large clubs meet with large clubs, small clubs with small clubs, etc.	5/3/2016 8:17 AM
14	DCON was such an amazing experience and I enjoyed every minute of it with my friends. This conference showed me that Key Club is so much more than a school club.	5/3/2016 7:11 AM
15	There should be more mixers because not many kids knew people outside of their group.	5/3/2016 6:50 AM
16	Maybe doing something for the people that auctioned people off at the Caucuses, we never got to "dance" with the people we auctioned off. Kind of ridiculous especially how the ball was organized, maybe having better music instead of some trash rap music. Also maybe implementing paper cups for getting water at the ball, all those big plastic cups quickly ran out and went to waste. The party was still great but could've been better. Thank you	5/3/2016 6:43 AM
17	I don't like the dance parties. I feel like you don't really meet people there and some of the dancing was inappropriate. I think there should be a different meet and greet activity such as an ice cream social.	5/2/2016 10:17 PM
18	Wish I would've known about key club earlier. Great opportunities and would've campaigned for a board member position. DCON is a wonderful opportunity for key club and the future. Loved it.	5/2/2016 9:00 PM
19	Okay is not the same as ok JUST SAYING.	5/2/2016 8:46 PM
20	One MAJOR problem, in my opinion: campaign staffers for candidates for the District Board of Trustees should not be allowed to serve in the House of Delegates as this will lead to a severe conflict of interest. Although the number is small, the fact that the District allows this raises serious concerns as to what both the District and International levels choose to investigate.	5/2/2016 8:28 PM
21	Since attending my first DCON, I have felt such a feeling of motivation and importance in my community and within the club!	5/2/2016 8:20 PM
22	Best time ever	5/1/2016 10:50 PM

4	Before letting the contestants go on stage it should be judged to see if they actually have "talent". It was horrible watching a girl dance to music that I can personally dance to in my bathroom. The fact the she won shows what the judges pay attention to.	5/2/2016 10:07 AM

1	Needs more food choices	5/3/2016 10:23 AM
2	There was a group of racist women behind our pre-dominantly colored school. The young women and their advisors were making very rude comments. However, the governor's farewell address was absolutely beautiful.	5/3/2016 5:48 AM
3	The food was not as good as expected. For the price of the trip, we expected the food to have been much better, and did not like the long breaks between the Farwell for goodbyes and photos between the on stage members. That was unnecessary, and took up too much time.	5/2/2016 11:34 PM
4	I teared up ??	5/2/2016 9:06 PM
5	My entire club was very emotional that night with the speeches and everything going on.	5/2/2016 7:36 PM

2	It was amazing!	5/5/2016 5:10 PM
3	Could have used a better dj	5/3/2016 2:54 PM
4	The rude group of racist young ladies and their advisor kept whispering to other key clubbers to stay away from us. So as president, I told my club members if they wish to leave they may. We all left.	5/3/2016 5:48 AM
5	Music was not very good. Couldn't see in the room. Should have been set up more as a formal dance ( as expected with the name "ball")	5/2/2016 11:34 PM
6	I am not really one into raves. It wasnt fun for me being a socially awkward person. Not every song has to be one you jump up and down to.	5/2/2016 7:36 PM
7	The music was horrible, the past years I have been there were great. Then they change the Dj to music people can't even dance too.	5/2/2016 10:07 AM

6	A lot of it was what I already knew about my position, but there were a few interesting points. However the students finished fast so they ended up just playing games like matchmaker which, while it is fun, can be slightly annoying because I went there to learn.	5/2/2016 7:36 PM

1	Keep DCON awesome!	5/6/2016 5:45 PM
2	DCON was amazing and inspired me to become a greater part of Key Club and a greater leader in general. I am so thankful for Key Club/CKI/Kiwanis for what they have taught me and how they have inspired me, as well as many others, to become a better person.	5/5/2016 5:10 PM

5	Thanks for an amazing Last DCON!	5/3/2016 6:03 PM
6	Overall very fun	5/3/2016 2:54 PM
7	Since we were incredibly close to Universal Studios AND Disney World!!! I don't see why we could not go to one of these parks Sunday after all those workshops and meetings all weekend. I mean I would pay extra to go. If that was included in the trip, it would have been worth it but since it wasn't it made my first DCON experience... Just okay but mostly boring. Also STOP SERVING BREAKFAST SO EARLY IF YOU PLAN ON SENDING US BACK TO OUR ROOMS AT 11 ALMOST 12. I fell asleep during the workshops, I couldn't focus on anything.	5/3/2016 12:13 AM
8	There were not many food options which was a large problem, I wound up needing to spend a lot of extra money because of the lack of healthy options. Some speakers seemed to be a little bit unprofessional and possibly in the future, should be observed more before on stage at DCON. Also, the dress code was not at all enforced, although the other girls in my club and I went out of our way to make sure we had all the right things. Some outfits were actually inappropriate to the point where they made some people uncomfortable. So, it was surprising to me that at a Kiwanis event, this would not be addressed.	5/2/2016 11:34 PM
9	I was not particularly impressed by the awards and the club of the year. I feel like the standards to receive hours should be strengthened so that you can't just buy them or do as little possible to get them. I feel that Hialeah high had very simple ways to get hours such as bringing in a box of crayons and receiving three hours and I don't feel that that is fair to the other clubs and students in particular. When they do this it strengthens the chance of them getting scholarships over other students for doing not as much and I feel like manatee high school was more deserving of club of the year.	5/2/2016 9:50 PM
10	There needs to be a stronger definition of what an hour of service is. It is extremely unfair for regular members like myself and the rest of my club who actually go out into the community and put in REAL hours when Hialeah goes and sells 5 dollar locks and each member is awarded with 5 service hours for each lock they buy. That's corrupt and shady and unfair. Personally, I think Hialeah should be stripped of all their awards they received. It is frustrating to true key clubbers who go outside and put work and sweat into their hours.	5/2/2016 9:40 PM
11	I have attended DCON all four years of my high school career and I am always impressed by how well everything runs and it has helped me learn so much about Key Club as a whole, the district of Florida, and all the district board. I appreciate everything Key Club has done for me and I will continue on with CKI in college. This truly has been a life changing experience	5/2/2016 9:06 PM
12	n/a	5/2/2016 7:36 PM
13	I wish that there was more reinforcement as to what defines a Key Club service hour	5/2/2016 5:42 PM
14	I never knew that donating items can be used to receive key club hours! I learned that from Hialeah	5/2/2016 1:39 PM

1	The music was not diverse at all, it was only hip hop. The room was too small for all the people, and we were in formal dress so there wasn't much room to dance to hip hop. The music was so loud it gave me a headache. It could hardly be called a ball.	5/6/2016 5:13 PM
2	Wasn't really a 'Ball', it was more of a high school dance...if you know what I mean.	5/5/2016 4:12 PM
3	AMAZING, WAS BETTER THAN MY SCHOOL'S HOMECOMING. I LOVED HOW THERE WAS MUSIC FOR EVERY PERSON.	5/5/2016 10:43 AM
4	No lights and not very loud.	5/5/2016 7:43 AM
5	The room was a bit crowded.	5/4/2016 8:37 PM
6	The space in which the ball was held was crowded.	5/4/2016 8:09 PM
7	DJ was horrible. Never get that DJ again. Didn't like the room it was in, made it feel even more packed Prefer that room they had it in in 2014	5/4/2016 7:58 PM
8	The only thing that I did not enjoy about the dance was the choice of music. Next year the Governor's Ball should have music that is more similar to all the sessions.	5/4/2016 7:32 PM
9	The best ball I have ever went to.	5/3/2016 3:44 PM
10	The room was clearly way too small to fit everyone on the dance floor. We were literally on top of each other trying to dance.	5/3/2016 7:11 AM
11	For the love of god and all that is holy, please play better music.	5/3/2016 6:39 AM
12	More room needed.	5/2/2016 8:46 PM
13	Very hard to talk to people with such loud music and dark lighting	5/2/2016 5:36 PM

10	DCON was an amazing experience and I will cherish it forever. Although the food most of the time was not enjoyable. It's was extremely mediocre. But real good time.	5/4/2016 7:39 PM
11	Thank you for organizing such an amazing conference!	5/4/2016 7:08 PM
12	My friend was relieved of her Lieutenant Governor position because she broke one stupid rule. EXPRESS THE VERY CORE VALUES YOU INSTILL IN YOUR CLUBS!!!!!!!	5/3/2016 9:40 AM
13	The conference structure was well planned and organized. Nice job! The sessions for advisors need to be meatier. Last year, the advisor session was a "round table" type of discussion and very helpful. Perhaps these could be divided in to organization sizes so that large clubs meet with large clubs, small clubs with small clubs, etc.	5/3/2016 8:17 AM
14	DCON was such an amazing experience and I enjoyed every minute of it with my friends. This conference showed me that Key Club is so much more than a school club.	5/3/2016 7:11 AM
15	There should be more mixers because not many kids knew people outside of their group.	5/3/2016 6:50 AM
16	Maybe doing something for the people that auctioned people off at the Caucuses, we never got to "dance" with the people we auctioned off. Kind of ridiculous especially how the ball was organized, maybe having better music instead of some trash rap music. Also maybe implementing paper cups for getting water at the ball, all those big plastic cups quickly ran out and went to waste. The party was still great but could've been better. Thank you	5/3/2016 6:43 AM
17	I don't like the dance parties. I feel like you don't really meet people there and some of the dancing was inappropriate. I think there should be a different meet and greet activity such as an ice cream social.	5/2/2016 10:17 PM
18	Wish I would've known about key club earlier. Great opportunities and would've campaigned for a board member position. DCON is a wonderful opportunity for key club and the future. Loved it.	5/2/2016 9:00 PM
19	Okay is not the same as ok JUST SAYING.	5/2/2016 8:46 PM
20	One MAJOR problem, in my opinion: campaign staffers for candidates for the District Board of Trustees should not be allowed to serve in the House of Delegates as this will lead to a severe conflict of interest. Although the number is small, the fact that the District allows this raises serious concerns as to what both the District and International levels choose to investigate.	5/2/2016 8:28 PM
21	Since attending my first DCON, I have felt such a feeling of motivation and importance in my community and within the club!	5/2/2016 8:20 PM
22	Best time ever	5/1/2016 10:50 PM

2	SHANE MARRR FOR PRESIDENT	5/5/2016 12:32 AM
3	In comparison to other years, I felt that this DCON was not as organized. The dress code was not strictly enforced and there were mishaps in terms of what people should be wearing which day. I was upset to see what we usually wear business professional attire the first night and this year we did not. Also, the students chosen to speak this year were not as eloquent as in other years. While DCON was fun and engaging, it could have been structured better.	5/3/2016 9:37 AM
4	offer some exercise, stretching, or yoga, or walking group. a lot of travel the first day compounded by a lot of sitting. these jids and adults need to stretch, move. understand that its unhealthy to sit for hours on end	5/3/2016 9:23 AM
5	Could we please retract clubs the true meaning of service, and what actually counts as a service hour, because I really feel like certain clubs have lost sight of that. Also, dress code needs to be enforced a bit more strictly next year.	5/2/2016 5:57 PM

1	IT WAS SO FUN! I LEARNED HOW BIG THE ORGANIZATION IS!	5/6/2016 10:23 PM
2	i would be nice to a nurse or doctor on the premises if anything happens	5/5/2016 7:33 PM
3	The food could have been better, especially for vegetarians. There has been a great improvement, but I still lived off of the desserts because of the limited options (the burger meal especially)	5/4/2016 11:08 PM
4	BETTER FOOD!!!! PLEAAAASSSSEEE	5/3/2016 8:00 PM
5	I liked that there was a costume contest the first night!	5/3/2016 7:05 PM
6	I am the incoming editor at West Port Highschool in division 6 and before I attended DCON I had no idea of the great work that DCON has done or even the complexity of the organization. I was not even aware of the role of leutenant governor (which u would have run for if I was aware).Now that I have attended DCON and have been informed of its great work I will definitely devote a lot my time to the club.	5/3/2016 4:11 PM
7	DCON was excellent, I missed it the second I walked out of the premises.	5/3/2016 9:46 AM
8	I loved everything and it was super exciting but please put more activities for first day and make sure that meet your LTG is after the workshops because I got to my room for the few minutes and knocked out.	5/3/2016 2:33 AM
9	DCON made me sad that I did not know as much about key club last years. if i had known as much as i know now there is no doubt that i would have run for Lt governor this year. I am in division 6 and go to West Port High School and DCON was an amazing experience for me	5/2/2016 11:17 PM
10	I would like more time to connect with other advisors. Especially during workshop time this could be an easy time to brainstorm ideas and share strategies. I thought the advisor lounge was a waste. Every time i went there to try to talk to others it was empty. Maybe have refreshments there or a more inviting space. Food this year was okay, but i think some side dishes were needed to go with the sandwich lunch and burger dinner. Some chips and fruit would be great. I liked the pasta lunch addition, that was my favorite meal.	5/2/2016 11:01 PM
11	The vents should have been more professional in the sense that those attending should have been required to wear business casual/professional rather than just casual	5/2/2016 10:23 PM
12	went to Advisor lounge several times during the weekend - VERY DISAPPOINTED - there was nothing there - candy, snacks, coffee, even notes of appreciation from Key Club members - what was the purpose of this?? Very difficult to deal with rooming issues Also would be nice if there was a listing of what order to register - 1) get general registration info (2) pick up armbands, etc. Also would have been nice to have forms available for Oratorical & talent show students to complete -- would be nice to have fresh fruit at breakfast - also food seemed to be put away before ending time.	5/2/2016 9:01 PM
13	Make sure your key clubbers attending DCON are showing an attitude as a leader and are being respectful of one another. A lot of rude comments on yikyak and inappropriate behavior was occurring at DCON. Also make sure youre going through your workshops and that theyre actually helpful. Because for some of my workshops the information is like "duh!" I was told that we should start a meeting with a bell .....duh	5/2/2016 5:29 PM

2	Can you please extend curfew for like at least 30 mins more? & Perhaps instead of having judges judge an entry for a contest why not let the key club members vote instead. 3	He did a very good job about keeping a good flow. We never became disinterested and his bubbly attitude perked up some of the people next to me who were almost about to fall asleep.	5/3/2016 6:34 PM

1	The talent was not very good. maybe have an app to have a audience vote	5/6/2016 7:03 PM
2	Too many dancing acts. Needs more variety	5/5/2016 10:39 AM
3	loved how fun the two ltg hosts were	5/4/2016 9:56 PM
4	Did not like the stoping I between each act	5/4/2016 8:08 PM
5	This isn't really in Kiwanis' control, but I think it would be cool to have more variety in the talent show acts. Most were arts based except for the Rubix Cube Guy.	5/3/2016 6:34 PM
6	I disagreed with the talent portion.	5/2/2016 9:01 PM
7	Some of the entertainment was absolutely beautiful, however some of the dance numbers were absolutely embarrassing to Key Club International. The young lady from Hialeah High as well as the duo wearing tights and a plaid shirt tied around their waists were so trashy, I could barely stand to watch it. The fact that one of them actually received an award for her "dance" is beyond my comprehension. The lyrics to the songs and the nature of the dance should have never been approved by the individuals in charge of the talent auditions. It's truly makes me wonder what type of people are leading our district. Myself, my faculty advisor, and my Kiwanis advisor were in absolute shock that this organization was allowed to be belittled by the inappropriate conduct of the dancers.	5/2/2016 10:46 AM

1	not organized. The Awards committee does not have information as to why an award was not received. They should be available on Thursday arrival for advisors to discuss why the award was received or not. This is a problem every year and Dawn is not approachable.	5/6/2016 7:03 PM
2	Great Concept, just difficult for us to get energized because of how early it was.	5/3/2016 6:34 PM

4	It was significantly too long and drab. I saw many members sleeping and quite a few did not attend	5/2/2016 9:01 PM
5	I was made aware of the judging process and am upset about it. All the entries should have the same equal opportunity and should not be split into small groups within the contest category and judged by separate people. All entries of the same category needs to be judged by the same person/people.	5/2/2016 10:46 AM

7	There were some instances of slander on social media of the District candidates. I can only speak for what other people have brought to my attention, but a specific post that comes to mind was on Yik Yak, an anonymous, location-based social media. The post stated that Drew Valenti had sex with the person who posted it in the Parking Lot last night. This kind of slander is extremely unacceptable and unprofessional.	5/3/2016 6:34 PM
8	It was extremely fun. Though our club had problems with receiving our officer tags (e.g. President) on our name tags; in fact we didn't get them at all even though we went to the reception desk several times. One of the adults that me and my club spoke to was rude and disrespectful to us, but other than that, DCON was fun and exciting.	5/3/2016 6:21 PM
9	As far as awards go, we sent in at least 3 awards that we did not get recognized for and were wondering why? Governors Project, Single Service, and Kiwanis Family... We also got Governor's Citation but no one told us until we saw our name on the screen. I had to hunt down the awards chair to get our ribbons. I know its little stuff, but the kids worked hard all year and not to be recognized was a downer!	5/3/2016 10:24 AM
10	Bad timing - could DCON possibly be moved back a few weeks next year? End of April is a bad time for students	5/3/2016 5:28 AM
11	Food was horrible again, I'd pay more for better food next year. More healthy options would be great instead of all carbs. Also, a zone coordinator Bob Filicia yelled at our chaperone for just standing waiting at the registration desk as well as yelling at us multiple times throughout the trip, not very encouraging. Overall though, my club and I had a blast. Thanks again for allowing us to have this amazing opportunity!	5/2/2016 11:43 PM
12	I really did enjoy my first year at dcon though I wish the bedrooms that we were in looked better and didn't have any non-working lights	5/2/2016 9:32 PM
13	Well organized -- advisors did a good job with the kids	5/2/2016 9:07 PM
14	The timing of the convention was bad, considering many people take AP classes and testing started the following Monday. Many people I networked with felt the same. Perhaps holding the convention a week or two before would have been more beneficial and efficient. Other than that, it was well organized and I highly enjoyed it!	5/2/2016 8:57 PM
15	I hope these comments will be taken seriously and something will be done to correct this for the following year.	5/2/2016 10:46 AM
16	I think they're needed to be better accommodations for people with food restrictions.	5/2/2016 7:42 AM
17	Give students the opportunity to socialize with others and have fun. These year there were too many required meetings and sessions, not allowing students to actually enjoy the hotel, meet keyclubbers , and share with one another	5/2/2016 2:28 AM

1	Being only my second DCON, I'd say this year it was great to see all the other Key Clubbers in their shirt #BETHEKEY #KEYCLUBPRIDE. I liked how the dress code policy allowed schools that would get there late to not have to rush to get into formal wear	5/5/2016 9:39 PM
2	Best guest speaker ever	5/5/2016 2:12 PM
3	So much fun and very eventful.	5/4/2016 8:56 PM

1	I liked the entertainment for the most part. However, the talent part, while still great, left me wondering how some performances were allowed on stage. While some were great, some were raunchy and downright not very Key Club	5/5/2016 9:39 PM
2	There were a lot of dance acts. We need a greater variety of acts.	5/5/2016 2:12 PM
3	Can we have more people perform talents and not so many awards	5/4/2016 9:58 PM
4	The setup felt awkward; it kind of felt like a response to the question: "Hey what would happen if we were to just put teenagers in a dim-lit room with some music." The music selection could have been better.	5/4/2016 9:14 PM
5	Need to keep in mind that the dances should be more appropriate.	5/3/2016 7:39 AM

1	I liked the Awards Ceremony very much. Except that the dress code was dismal. For Awards, its social norm to be in your best professional wear. Some people were dressed in slashed-up jeans and sneakers.	5/5/2016 9:39 PM
2	It was going on to early for me to be awake an excited but it was still great	5/4/2016 9:58 PM

1	Music was overall not music you dance to. For example, I'd love to see someone actually have fun to Stressed Out, and frankly at the ball I didnt. But overall, awesome	5/5/2016 9:39 PM
2	Dancing was not what I expected	5/5/2016 6:10 AM
3	The music was okay but not typically my music so I don't think people would like to just have a dance based off the music I like to hear at dances	5/4/2016 9:58 PM
4	It felt just like the Friday Entertainment session. Both of the events were fun and interactive (I still think it's funny how there were rave sticks), but I think they had more potential as a fun session for bonding. In terms of the music selection, songs with inappropriate parts that were blurred out shouldn't have been set to play in the first place because everyone screamed the lyrics on the top of their lungs anyway and all that really did was make the adults nervous/shocked/uncomfortable/hesitant to play more upbeat, "danceable" music.	5/4/2016 9:14 PM
5	Played inappropriate music and was really crowded in a small room	5/4/2016 8:53 PM
6	I love dancing so I enjoyed myself, but the songs weren't that great and it felt more like a school dance than a "ball"	5/2/2016 8:37 PM
7	Music was not the best.	5/2/2016 8:24 PM

1	The information was sped through. I knew most of the material, and the icebreaker was ok	5/5/2016 9:39 PM
2	The speaker was barely audible as his mic was too low and he would not pause for us to take notes. He was also just reading off of his presentation and had few technological skills to help us in advising us about the position.	5/5/2016 9:06 PM
3	Very boring. Not interactive at all.	5/5/2016 2:12 PM
4	Went by very quickly but good information	5/5/2016 6:10 AM
5	The speaker had a very low voice and it sounded like he didn't want to do it so he rushed through it and I didn't receive all the information	5/4/2016 9:58 PM
6	Could have used a bit more content, or gone through the notes a bit slower (wasn't able to write down notes fast enough to keep up with the presentation)	5/4/2016 7:07 PM
7	It just restated everything provided in my 2016-2017 webmaster booklet so I did not find it very useful for this coming year	5/4/2016 5:50 PM
8	It ended far too soon, and seemed as though little preparation was made for the presentation.	5/3/2016 10:06 AM
9	20 mintue class, read the slides, rest of the time spent playing games	5/3/2016 7:39 AM
10	While the speaker was not the most interactive, it was a very informative workshop. Lots I learned and was opened up to. Already getting started on plans for next year!	5/2/2016 9:36 PM
11	It wasn't very specific, probably because the webmaster is a new position.	5/2/2016 8:37 PM
12	Information was very basic/common sense. Ended early and didn't seem very organized. Simply read off of powerpoint.	5/2/2016 8:24 PM

1	It was still a dance, but I wouldn't call it a ball, and there weren't any slow dances which was extremely disappointing. There needs to be some slow dances!	5/6/2016 5:13 PM
2	My roomies all said it was super fun.	5/4/2016 10:25 PM
3	Music could have been played better and the whole song didn't need to be played but the overall experience was great!	5/3/2016 4:11 PM
4	The music could have been better, instead of being one sided ( mostly Spanish songs) play a variety of songs from different genres	5/2/2016 11:12 PM
5	The dance could of be better like with slow songs	5/2/2016 8:29 PM

7	It was out of control and not classy whatsoever so my freinds and I left early to go to the pool.	5/2/2016 5:57 PM

3	Nope	5/6/2016 11:02 AM
4	The food should be better. If the food can't be better it could at least be separated from the vegetarian food we had a strong religious vegetarian have a wrap with meat and it was very upsetting to her and she really wanted to just go home. Over all ny whole school enjoyed DCON!!!!	5/4/2016 10:25 PM
5	The food could have been better	5/4/2016 9:05 PM
6	Please don't run out of water.	5/4/2016 7:30 PM
7	I am the incoming editor at West Port Highschool in division 6 and before I attended DCON I had no idea of the great work that DCON has done or even the complexity of the organization. I was not even aware of the role of leutinate governor (which u would have run for if I was aware).Now that I have attended DCON and have been informed of its great work I will definitely devote a lot my time to the club.	5/3/2016 4:11 PM
8	I would like more time to connect with other advisors. Especially during workshop time this could be an easy time to brainstorm ideas and share strategies. I thought the advisor lounge was a waste. Every time i went there to try to talk to others it was empty. Maybe have refreshments there or a more inviting space. Food this year was okay, but i think some side dishes were needed to go with the sandwich lunch and burger dinner. Some chips and fruit would be great. I liked the pasta lunch addition, that was my favorite meal.	5/2/2016 11:01 PM
9	the opening assembly and the K family assembly should be professional dress	5/2/2016 9:15 PM
10	Wish I would've known about key club earlier. Great opportunities and would've campaigned for a board member position. DCON is a wonderful opportunity for key club and the future. Loved it.	5/2/2016 9:00 PM
11	Imma really gonna miss keyclub but I plan to join could soon ya	5/2/2016 8:23 PM
12	Could we please retract clubs the true meaning of service, and what actually counts as a service hour, because I really feel like certain clubs have lost sight of that. Also, dress code needs to be enforced a bit more strictly next year.	5/2/2016 5:57 PM

2	The Key Club members eyes opened at our possibilities. Very exciting for me as an advisor.	5/4/2016 1:56 AM
3	Neither I not my students learned anything that we could take back to our club. My kids were upset because a lot of the workshops were either the same thing from our Spring Zone Rally and KCKC or the presenters had the kids play "matchmaker" for the entire time. Friday was a very disappointing day.	5/3/2016 8:10 AM
4	Based on comments from other advisors of clubs we support who attended for 1st time, really good.	5/2/2016 10:07 PM

1	I truly enjoyed the service fair projects and the meeting of new friends. It was a good event held and enjoyed by all. Again, I must say, that the planning committee did an excellent job and, in fact, the registration procedure was the best ever for us. I also was appreciative of having the seating plan provided ahead of time. Excellent decision.	5/6/2016 11:56 PM
2	We had an amazing time at our first DCON! We can't wait to put everything we learned into practice next year! Thanks for a wonderful experience!	5/5/2016 9:41 AM
3	Bring some sort of action service back. My students really missed the walk for Eliminate, which also provided more structured time. ALSO make the lanyards and other endowment merchandise potential add on s during registration. If we could do it in advance, we would have ordered items for ALL members attending.	5/4/2016 7:14 PM
4	I would appreciate one stop check in. I had to go to 4 places (and walked back & forth 3 times from my room) to get the tee shirts, badges, lanyards, and room key. Also, my impression from the bulletin was there was no wifi at the resort. Didn't bring my lap top only to find out it was available in my room. Not happy!	5/4/2016 1:56 AM
5	The gluten free items offered by the hotel was essentially salad. The breakfasts were not GF friendly at all, nor was the lunch one day (sandwiches and salad). If they're going to offer GF as a choice, it should be more than lettuce. The GF dinner at the banquet was edible.	5/3/2016 7:47 PM
6	offer some exercise, stretching, or yoga, or walking group. a lot of travel the first day compounded by a lot of sitting. these kids and adults need to stretch, move. understand that its unhealthy to sit for hours on end	5/3/2016 9:23 AM
7	There are some clubs that won awards that provide students with community service hours for donating items. For example, if you donate one pair of socks, you get two hours of service or depending on the size toy you bring in, will depend on the amount of service hours you are given. This is an unfair advantage especially to students who come from title one schools and live in poverty. It was very discouraging to watch the same school win every award while knowing they were not following what Key Club has established as what does and doesnot count for service hours.	5/3/2016 8:10 AM
8	We must make sure that an adult is present at all workshops. Nobody liked the hamburgers Sat. Eve - cooked raw. Don't make clubs mail in any awards - too costly. Thanks for a great DCON	5/2/2016 10:18 PM
9	I know how hard it is to feed 2000 but I honestly think we could make it simpler especially the breakfast . Also I heard people say they missed the box lunches. Not sure which is more economical and I understand that had to come first.	5/2/2016 9:34 PM
10	Please talk to the hotel about having the vegetarian meals labeled more clearly, or have them on a different table.	5/2/2016 8:58 PM
11	As a new advisor I felt that some of the Kiwanis members were not particularly friendly, while others were. I did like the organization of the sergeant at arms and I felt that my students were well watched after. I however feel an event like this needs to review its medical protocol. A few students and advisors alike did get food poisoning, which is surprising, but the food was sub par. A continental breakfast would have been much more appealing then the uncooked eggs that were served. Also I saw a few pieces of chicken that looked less than cooked. If we are going to continue to cater to over 1600 individuals... Many of which are under the age of 18 then there needs to be a way to help the adults take care of minor ailments... An infirmary or a clinic would suffice. There needs to be more support for the advisors.	5/2/2016 8:34 PM
12	I was very disappointed with the overall lack of communication with check in. When I checked in my packet did not have any of the Delegate stickers, or advisor sticker we checked in at 5pm and did not receive a bag or any information. My packet did not have anything that other advisors had. I was not impressed with the way check in and registration was handled at all. My students felt unimportant because they were not treated the same as the other clubs. As a new Advisor I learned some things from the Conference but I was disappointed with my first impression of DCON and that was unprepared	5/2/2016 8:27 PM
13	The awards committee should provide specific feedback on all awards so that clubs can improve for next year. When asked they were rude and unbecoming of a servant organization. It was appalling and frankly something that would turn a lot of people away. Also it appears that the people in charge are giving the awards to the people from their own zones, so criteria and comments should definitely be addressed. Also the categories for clubs should be reevaluated. Grouping clubs with 89 people- 200 or 250 should be reevaluated on a statistical level.	5/2/2016 7:25 AM

3	Some of the entertainment was absolutely beautiful, however some of the dance numbers were absolutely embarrassing to Key Club International. The young lady from Hialeah High as well as the duo wearing tights and a plaid shirt tied around their waists were so trashy, I could barely stand to watch it. The fact that one of them actually received an award for her "dance" is beyond my comprehension. The lyrics to the songs and the nature of the dance should have never been approved by the individuals in charge of the talent auditions. It's truly makes me wonder what type of people are leading our district. Myself, my faculty advisor, and my Kiwanis advisor were in absolute shock that this organization was allowed to be belittled by the inappropriate conduct of the dancers.	5/2/2016 10:46 AM

1	I was made aware of the judging process and am upset about it. All the entries should have the same equal opportunity and should not be split into small groups within the contest category and judged by separate people. 1	Fund raising an awesome workshop! Webinar was excruciatingly boring. Key club 101 had good content. Service ideas wasted 30 minutes with a stupid game. Time for movement between "classes " should be added.	5/3/2016 4:56 AM
2	I had to seek out what documents my club was required to turn in on my own. The website lead me fairly easily to finding these documents, but it would have been excellent had my club been emailed or contacted and told about what the exact forms were that were required to have been submitted.	5/2/2016 10:48 PM
3	It was hard to navigate and find information about the event	5/2/2016 9:01 PM

1	I and everyone around us was apalled and embarressed of what appeared to be sleezy pole dancing by the single dancer who ended up actually winning one of the awards. It was the only negative comment I have about the conference. It was disgraceful and should have never been allowed in the first place. Key Club has better standards, C'mon!!!!!!	5/3/2016 7:55 AM

1	IT WAS SO FUN! I LEARNED HOW BIG THE ORGANIZATION IS!	5/6/2016 10:23 PM
2	DCON was an amazing experience and I will cherish it forever. Although the food most of the time was not enjoyable. It's was extremely mediocre. But real good time.	5/4/2016 7:39 PM
3	The food and ball could have been better and the dining staffs carefulness could have been better. An incident occurred where a young woman had eaten chicken which is strictly against her religious beliefs because of the mislabeled food item. It should be the staffs responsibility to label all the food correctly so that an incident similar to this one does not repeat.	5/3/2016 10:44 PM
4	The check in was my only real issue. The students who were supposed to text us when our rooms were ready did not and we sat in the lobby for 3+ hours. I went to check twice and was told the rooms were not ready, but they did not check with registration and the keys were there and ready the whole time. We got keys at 5:15pm. They need a better system than writing numbers on a list and forgetting to let people know.	5/3/2016 9:27 PM
5	BETTER FOOD!!!! PLEAAAASSSSEEE	5/3/2016 8:00 PM
6	I had a problem with one of our rooms. I spoke with Heather and she was spectacular. She corrected the problem and handled it like a pro. Thanks Ms. Heather. From Ms. Allen boyd Anderson	5/3/2016 10:43 AM
7	Congrats to the new District Board Members! Also, you guys did a great job hosting DCON! Keep up the good work!	5/3/2016 9:06 AM
8	I was very pleased there was an emphasis on prayer again, as it is in the Key Club Pledge. I also liked the seperate room for the advisors breakfast. It is a lot easier to hear the speaker when you are not in a huge room roped off from everyone else as it had been in the past.	5/3/2016 7:55 AM
9	Dress code was not enforced. Liberal political views of students should NOT be permitted in speeches! I would like to see more outside (organized) activities for the kids - guided nature trail walks, field day events, study succession for AP or EOC testing, The vulgar dancing during the talent show should be eliminated! Students need help mixing during lunch and down time! Offering a golf scramble would be great too.	5/3/2016 4:56 AM
10	For both years that I've attended DCON, I along with the majority of people around me have had trouble hearing the questions that were asked to candidates at Friday's caucus. If someone could have a microphone that could be passed to whoever is asking a question to a candidate that could fix this problem.	5/2/2016 10:48 PM
11	The food is not that great. Also my friend is a vegetarian, and she had a wrap with meat in it by accident because the food was incorrectly labeled. Other than the food being gross, it was one of the best weekends ever	5/2/2016 8:34 PM
12	Make sure your key clubbers attending DCON are showing an attitude as a leader and are being respectful of one another. A lot of rude comments on yikyak and inappropriate behavior was occuring at DCON. Also make sure youre going throuh your workshops and that theyre actually helpful. Because for some of my workshops the infprmation is like "duh!" I was told that we should start a meeting with a bell .....duh	5/2/2016 5:29 PM

1	This was the best DCON ever	5/5/2016 2:12 PM
2	The meet & greet sucked! The music variety was horrible. It felt like we were at a rave basically. In the past two years the meet & greet was one of the best parts of DCON and this year it was a let down.	5/3/2016 7:09 PM
3	Thanks for an amazing Last DCON!	5/3/2016 6:03 PM
4	As far as awards go, we sent in at least 3 awards that we did not get recognized for and were wondering why? Governors Project, Single Service, and Kiwanis Family... We also got Governor's Citation but no one told us until we saw our name on the screen. I had to hunt down the awards chair to get our ribbons. I know its little stuff, but the kids worked hard all year and not to be recognized was a downer!	5/3/2016 10:24 AM
5	Need to provide more school club meeting time to discuss information learned/planning for next year. Need to provide more time for school teaming (local h.s.'s planning/working together).	5/3/2016 6:46 AM

1	Pretty unorganized	5/4/2016 10:52 PM

3	No structure was pretty pointless	5/4/2016 7:09 PM

2	Great job!	5/6/2016 6:49 PM
3	Thank you to everyone who made DCON the best experience I've ever had!! Thanks so all the staff who and board of putting up with us crazy Key Clubbers! Definately can't wait for next year!	5/4/2016 10:52 PM

6	LOVED IT SO MUCH	5/4/2016 7:09 PM
7	There were not many food options which was a large problem, I wound up needing to spend a lot of extra money because of the lack of healthy options. Some speakers seemed to be a little bit unprofessional and possibly in the future, should be observed more before on stage at DCON. Also, the dress code was not at all enforced, although the other girls in my club and I went out of our way to make sure we had all the right things. Some outfits were actually inappropriate to the point where they made some people uncomfortable. So, it was surprising to me that at a Kiwanis event, this would not be addressed.	5/2/2016 11:34 PM
8	DCON is my favorite part of Key Club, besides service. It's always great to meet new friends that I continue to stay in touch with to this day.	5/2/2016 10:02 PM
9	The workshops could have been a bit better, regarding how the information was conveyed.	5/2/2016 5:40 PM
10	Over while decon was great, my only complaint is the governors ball and the food we were provided. Last years food was much better and so was the dance	5/2/2016 11:33 AM

1	Not everyone has phones and need to rely on the paper schedule. For example, on the paper schedule the talent show was casual but on the app it was business casual. Everyone was confused.	5/5/2016 4:12 PM

1	Next time you should get a professional entertainer instead of using every talent act	5/6/2016 4:37 PM
2	The performers chosen for the talent show got worse as the time progressed. But the actual award ceremony was really great	5/6/2016 7:38 AM

3	Wasn't really a 'Ball', it was more of a high school dance...if you know what I mean.	5/5/2016 4:12 PM
4	AMAZING, WAS BETTER THAN MY SCHOOL'S HOMECOMING. I LOVED HOW THERE WAS MUSIC FOR EVERY PERSON.	5/5/2016 10:43 AM

6	To crowded, bad music, left after ten mins.	5/5/2016 12:55 AM
7	The music was okay but not typically my music so I don't think people would like to just have a dance based off the music I like to hear at dances	5/4/2016 9:58 PM
8	Played inappropriate music and was really crowd in a small room	5/4/2016 8:53 PM
9	DJ was horrible. Never get that DJ again. Didn't like the room it was in, made it feel even more packed Prefer that room they had it in in 2014	5/4/2016 7:58 PM
10	Could have been a more spacious dance floor and not end so early.	5/3/2016 7:05 PM

14	Needed better modern music then rap	5/2/2016 10:46 PM
15	The music was kind of bad. Would have liked to hear more music played from Friday night's entertainment session.	5/2/2016 8:57 PM

1	It didn't anything new . Most of the information was common sense. I was expecting more out of it . Like deeper into the idea of public speaking. But it was just basics you could have learned by asking anyone or even by thinking of it.	5/6/2016 7:35 PM
2	It was very helpful, and Neil knew how to add flare to something that would usually be boring	5/6/2016 5:38 PM

3	DCON was amazing and inspired me to become a greater part of Key Club and a greater leader in general. I am so thankful for Key Club/CKI/Kiwanis for what they have taught me and how they have inspired me, as well as many others, to become a better person.	5/5/2016 5:10 PM
4	Thank You for all your hard work and dedication to Key Club :)	5/5/2016 4:12 PM
5	It was a beautiful event and an amazing experience. I'm extremely glad that my senior year I was able to spend with friends, classmates, and fellow key clubbers learning just how great the club is for our schools, communities, and us as the future leaders.	5/5/2016 11:18 AM

8	I didn't learn much about Key club as an organization itself but I was taught pretty well in how to lead a key flu let us have access to the wifi in the conference area some of most of my friend and I had no signal there so when we were lost or couldn't find our group we had no way in communicating to each other to find each other	5/4/2016 9:58 PM

14	DCON was such an amazing experience and I enjoyed every minute of it with my friends. This conference showed me that Key Club is so much more than a school club.	5/3/2016 7:11 AM
15	Put fruit im the breakfast. Make the workshops be shorter or put more information in them so people don't just their for a half hour doing nothing.	5/3/2016 7:08 AM
16	Maybe doing something for the people that auctioned people off at the Caucasuses, we never got to "dance" with the people we auctioned off. Kind of ridiculous especially how the ball was organized, maybe having better music instead of some trash rap music. Also maybe implementing paper cups for getting water at the ball, all those big plastic cups quickly ran out and went to waste. The party was still great but could've been better. Thank you	5/3/2016 6:43 AM
17	I loved everything and it was super exciting but please put more activities for first day and make sure that meet your LTG is after the workshops because I got to my room for the few minutes and knocked out.	5/3/2016 2:33 AM
18	DCON made me sad that I did not know as much about key club last years. if i had known as much as i know now there is no doubt that i would have run for It governor this year. I am in division 6 and go to West Port High School and DCON was an amazing experience for me	5/2/2016 11:17 PM
19	I don't like the dance parties. I feel like you don't really meet people there and some of the dancing was inappropriate. I think there should be a different meet and greet activity such as an ice cream social.	5/2/2016 10:17 PM
20	Key Club is awesome ! Definitely the best club I am in!	5/2/2016 9:52 PM
21	I was not particularly impressed by the awards and the club of the year. I feel like the standards to recieve hours should be strengthened so that you can't just buy them or do as little possible to get them. I feel that Hialeah high had very simple was to get hours such as bringing in a box of crayons and receiving three hours and I don't feel that that is fair to the other clubs and students in particular. When they do this it strengthens the chance of them getting scholarships over other students for doing not as much and I feel like manatee high school was more deserving of club of the year.	5/2/2016 9:50 PM
22	The timing of the convention was bad, considering many people take AP classes and testing started the following Monday. Many people I networked with felt the same. Perhaps holding the convention a week or two before would have been more beneficial and efficient. Other than that, it was well organized and I highly enjoyed it!	5/2/2016 8:57 PM

23	Okay is not the same as ok JUST SAYING.	5/2/2016 8:46 PM
24	I wish that there was more reinforcement as to what defines a Key Club service hour	5/2/2016 5:42 PM
25	I never knew that donating items can be used to receive key club hours! I learned that from Hialeah	5/2/2016 1:39 PM
26	DCON was better than what first-time Key Clubbers would expect of such a organization.	5/2/2016 10:58 AM

1	My personal opinion was that the selection of workshops this year was bland. None of them really stood out to our members. But I enjoyed the other parts of the conference, especially the speaker at the opening session!	5/6/2016 4:27 PM

5	The food provided for lunches and dinner, except the banquet, was terrible and caused myself and many others to become sick. The vegetation options were not separated from the rest of the food provided. Vegetarian options should be a separate line	5/4/2016 8:37 PM

12	I am extremely thankful I had the pleasure of attending this years DCON, it really inspired my officers and I and gave us many ideas for next year, which we have already started planning! Very excited due to DCON. Very helpful.	5/2/2016 9:44 PM
13	Vegetarian food...that needs some major help. Also, more free time would be nice.	5/2/2016 9:14 PM
14	One MAJOR problem, in my opinion: campaign staffers for candidates for the District Board of Trustees should not be allowed to serve in the House of Delegates as this will lead to a severe conflict of interest. Although the number is small, the fact that the District allows this raises serious concerns as to what both the District and International levels choose to investigate.	5/2/2016 8:28 PM
15	I've learned so much this DCON I'm already counting down the days until the next one!	5/2/2016 8:20 PM

1	The hosts were great and really entertaining.	5/6/2016 12:32 PM
2	I liked the entertainment for the most part. However, the talent part, while still great, left me wondering how some performances were allowed on stage. While some were great, some were raunchy and downright not very Key Club	5/5/2016 9:39 PM
3	The setup felt awkward; it kind of felt like a response to the question: "Hey what would happen if we were to just put teenagers in a dim-lit room with some music." The music selection could have been better.	5/4/2016 9:14 PM
4	This isn't really in Kiwanis' control, but I think it would be cool to have more variety in the talent show acts. Most were arts based except for the Rubix Cube Guy.	5/3/2016 6:34 PM
5	Great talent, though a little diversity would earn it a perfect score.	5/2/2016 8:59 PM

1	The food same as last year. Service, pretty good. I almost cried during Shane's Farewell Address (President of the United Key Club #Meagher2032), and that was an accomplishment. Great!	5/5/2016 9:39 PM
2	i think it lagged a bit when some people were finished eating they were waiting for it start	5/5/2016 7:33 PM

4	Food tasted great and everything had a nice flow to it.	5/3/2016 6:34 PM
5	It was better last year where things were going on during dinner, instead of having to wait for the ball for a half hour.	5/2/2016 11:43 PM
6	Cried!	5/2/2016 11:18 PM
7	Delicious!	5/2/2016 8:59 PM
8	The food was okay. The server never refilled our cups of water during dinner.	5/2/2016 10:02 AM

1	Music was overall not music you dance to. For example, I'd love to see someone actually have fun to Stressed Out, and frankly at the ball I didnt. But overall, awesome	5/5/2016 9:39 PM
2	There was no dance designated for those who bought a person in the endowment fund auction	5/4/2016 10:45 PM
3	It felt just like the Friday Entertainment session. Both of the events were fun and interactive (I still think it's funny how there were rave sticks), but I think they had more potential as a fun session for bonding. In terms of the music selection, songs with inappropriate parts that were blurred out shouldn't have been set to play in the first place because everyone screamed the lyrics on the top of their lungs anyway and all that really did was make the adults nervous/shocked/uncomfortable/hesitant to play more upbeat, "danceable" music.	5/4/2016 9:14 PM
4	The DJs played almost all the same songs as the dance Thursday Night	5/3/2016 6:34 PM
5	Not good music, too many kids, not nearly enough supervision.	5/3/2016 10:52 AM
6	Better than last year, but music selection was poor.	5/2/2016 11:43 PM
7	Not very interesting, and only appealing to a certain section of people.	5/2/2016 8:59 PM

1	It offered some good advice, but a lot of the information were things my key club could have come up with anyway.	5/6/2016 12:32 PM
2	I really liked how the speakers during the session (Martha Grace and Alyssa Frank) KNEW what she was saying	5/5/2016 9:39 PM
3	The powerpoint was extremely short and we ended with about 20-30 minutes to spare.	5/3/2016 6:34 PM
4	Icebreakers don't belong in conference sessions. Wasted most of the session on one icebreaker and then didn't get any new info when it did finally start. No new ideas or resources. Very disappointing.	5/3/2016 10:52 AM
5	Very well done- with our new governor of course!	5/2/2016 11:43 PM
6	This was also very informative. I learned a lot and was pretty surprised-- pleasantly, of course-- to find that we could actually work over the summer. As well was the information that pertained to maintaining the club over the summer useful! :)	5/2/2016 9:36 PM
7	Informative. Martha Grace was not a bad speaker.	5/2/2016 8:59 PM

1	I learned some good advice mainly by looking at what other key clubs did, the sessions were good at making me think of things my key club should do that we hadn't thought about, like summer session, but the information and advice was pretty general.	5/6/2016 12:32 PM
2	I feel like I got most of my information from the Service Fair, the third workshop, and speaking to other key clubbers. That was good	5/5/2016 9:39 PM
3	I am graduating :( but will join CKI	5/5/2016 9:06 PM
4	It gave us inspiration to look up to, and also the workshops helped educate us in our roles better.	5/3/2016 6:34 PM
5	No new ideas for projects or leadership. I have a promising group this year and we really didn't come away with much from the sessions. LGTs running sessions did not seem prepared or particularly knowledgeable.	5/3/2016 10:52 AM
6	Feeling ready to take on my club's problems for the next year!	5/2/2016 8:59 PM

1	I did not know about all tje key club branches that much and the different things our club could do, like make a video encompassing the whole year. I also learned a lot more about key club government structure beyond the regular president and councilw members of a high school's key club.	5/6/2016 12:32 PM
2	Too little	5/5/2016 9:39 PM
3	learned alot about the board and where the govnrners project comes from.	5/5/2016 7:33 PM

1	Thanks for all the work	5/7/2016 11:59 AM
2	The pin was really cute, but I wish key club was selling more pins for DCON. I was so ready to buy them, but then I found out they were not being sold.	5/6/2016 12:32 PM
3	Please add ANY Florida District Service project! I dont even care if its "Clean your hotel rooms so the hotel workers feel appreciated" Project. Something please! Key Club is about being service, the socializing and having fun can be incorporated into the service. but SERVICE first. Please	5/5/2016 9:39 PM

5	This was my first year attending DCON and I absolutely loved it! I am so motivated and can't wait for next years' DCON!	5/5/2016 3:29 PM
6	Everything was just amazing ! Can't wait till next year!	5/4/2016 11:42 PM
7	You're all doing great. :)	5/4/2016 9:14 PM
8	Allow us KeyClubers, to use the gym, for free.	5/4/2016 8:46 PM
9	Just on the breakfast..should have more fruits less carbohydrates...otherwise great!	5/4/2016 10:22 AM
10	There were some instances of slander on social media of the District candidates. I can only speak for what other people have brought to my attention, but a specific post that comes to mind was on Yik Yak, an anonymous, location-based social media. The post stated that Drew Valenti had sex with the person who posted it in the Parking Lot last night. This kind of slander is extremely unacceptable and unprofessional.	5/3/2016 6:34 PM
11	it was lovely!!	5/3/2016 3:28 PM
12	PLEASE streamline registration process. We waited until 6:30 to finally get our rooms. We were never told where to go and the checklist did not specify.	5/3/2016 10:52 AM
13	Since we were incredibly close to Universal Studios AND Disney World!!! I don't see why we could not go to one of these parks Sunday after all those workshops and meetings all weekend. I mean I would pay extra to go. If that was included in the trip, it would have been worth it but since it wasn't it made my first DCON experience... Just okay but mostly boring. Also STOP SERVING BREAKFAST SO EARLY IF YOU PLAN ON SENDING US BACK TO OUR ROOMS AT 11 ALMOST 12. I fell asleep during the workshops, I couldn't focus on anything.	5/3/2016 12:13 AM
14	Food was horrible again, I'd pay more for better food next year. More healthy options would be great instead of all carbs. Also, a zone coordinator Bob Filicia yelled at our chaperone for just standing waiting at the registration desk as well as yelling at us multiple times throughout the trip, not very encouraging. Overall though, my club and I had a blast. Thanks again for allowing us to have this amazing opportunity!	5/2/2016 11:43 PM
15	Love Key Club!	5/2/2016 11:18 PM
16	The vents should have been more professional in the sense that those attending should have been required to wear business casual/professional rather than just casual	5/2/2016 10:23 PM
17	Overall, DCON was an amazing experience that I am confident I will attend again. I truly loved it and I really can't wait for next year! It really opened me up as well as m fellow peers. I'm very glad I attended DCON, and I'd like to thank those who made it possible :) Though it was very sad to leave and see everyone retired, attending for the smiles and laughs was completely and utterly worth it :)	5/2/2016 9:36 PM
18	I really did enjoy my first year at dcon though I wish the bedrooms that we were in looked better and didn't have any non-working lights	5/2/2016 9:32 PM
19	Let the teens handle it! They did a great job this year!	5/2/2016 8:59 PM

1	Very entertaining filled again, with great music. Amazing talent and unique Key Club members.	5/6/2016 5:26 PM
2	Did not like the stoping I between each act	5/4/2016 8:08 PM
3	There were too many speeches in between so it took a way from the talent. "	5/3/2016 6:50 AM
4	It was very fun, but toward the end got boring and I just wanted to go sleep in my room	5/2/2016 10:20 PM
5	I wish the talent show wasn't interrupted with awards and speeches they should have been 2 diferent things	5/2/2016 8:38 PM
6	While I thought some performances were hands down amazing, two of them were inappropriate. Usually my advisor is pretty cool and chill with what is happening and she was covering her eyes saying what just happened.	5/2/2016 7:36 PM
7	Before letting the contestants go on stage it should be judged to see if they actually have "talent". It was horrible watching a girl dance to music that I can personally dance to in my bathroom. The fact the she won shows what the judges pay attention to.	5/2/2016 10:07 AM

2	Really long	5/3/2016 10:23 AM
3	It was good, but there were practically no seats. My sister had to sit on the floor and ended up just sitting outside the entire time because of how annoying it was sitting on the floor.	5/2/2016 10:20 PM

1	The food as amazing, props to the chefs, and the speech the District Board gave was inspirational and aspiring to see a group of member helping and contributing to the world. Personally the emotional appeal the officers gave were sympathetic and I felt moved by it.	5/6/2016 5:26 PM
2	Needs more food choices	5/3/2016 10:23 AM
3	There was a group of racist women behind our pre-dominantly colored school. The young women and their advisors were making very rude comments. However, the governor's farewell address was absolutely beautiful.	5/3/2016 5:48 AM
4	I didn't even really know Shane or the board but their farewells made me cry plus, really good food.	5/2/2016 10:22 PM
5	It was interesting, but also sad... I cried so much and I wasn't even on the stage but it was a very special moment.... Although the food was not the best, the ceremony was nice but they ended very late	5/2/2016 10:20 PM
6	I cried during Shane's speech	5/2/2016 9:22 PM
7	I teared up ??	5/2/2016 9:06 PM
8	Though I waited for quite a long time, a waiter never visited us with a pitcher to refill water. It felt like we were ignored or didn't have a waiter at all	5/2/2016 8:40 PM
9	Portions of food were very small	5/2/2016 8:38 PM
10	My entire club was very emotional that night with the speeches and everything going on.	5/2/2016 7:36 PM
11	The food was great.	5/2/2016 2:28 AM

1	Let people chose what song to play. Please.	5/7/2016 8:45 AM
2	Popular, dance/club music is always preferable. More of it at the dances would be appreciated	5/6/2016 5:45 PM
3	For the last day, the dance was splendid, amazing taste of music and filled of fun packed action in the dance floor!	5/6/2016 5:26 PM
4	The only thing that I did not enjoy about the dance was the choice of music. Next year the Governor's Ball should have music that is more similar to all the sessions.	5/4/2016 7:32 PM
5	The rude group of racist young ladies and their advisor kept whispering to other key clubbers to stay away from us. So as president, I told my club members if they wish to leave they may. We all left.	5/3/2016 5:48 AM
6	Too many kids just huddled together. My friends and I went to the pool instead.	5/2/2016 10:22 PM
7	It was good, but the only complaint was that it started way too late and nobody thought of extending curfew time since we had a WAY too short amount of time to enjoy ourselves.	5/2/2016 10:20 PM
8	It was LIT	5/2/2016 9:22 PM
9	I'm from the Cayman Islands and the music that was playing at the ball was good, but myself as well as the others from Cayman would have liked some music from our background like soca (machel montano)	5/2/2016 8:52 PM
10	Too dark	5/2/2016 8:40 PM
11	The room the ball was held in was way to small	5/2/2016 8:38 PM
12	I am not really one into raves. It wasnt fun for me being a socially awkward person. Not every song has to be one you jump up and down to.	5/2/2016 7:36 PM
13	The music was horrible, the past years I have been there were great. Then they change the Dj to music people can't even dance too.	5/2/2016 10:07 AM
14	Music was too quiet at the beginning and the music was to low.	5/2/2016 7:42 AM
15	The farewell banquet took too long and shorten our time in the dance. The music was also very bad and not something to dance to.	5/2/2016 2:28 AM

1	Always helpful for new secretaries :)	5/6/2016 5:45 PM
2	Great information.	5/6/2016 5:42 PM
3	Such a great workshop, taught me the responsibility of being club treasurer and the duties I must do in order to expedite a successful year in the governor's project.	5/6/2016 5:26 PM
4	I think that the workshop should have focused more on different actual key club events rather than just different service organizations by Kiwanis	5/4/2016 7:07 PM
5	Not very well organized	5/3/2016 6:50 AM
6	So boring I almost fell asleep on the stranger next to me	5/2/2016 10:20 PM
7	Because I'm not attending college in Florida, it really did not apply much to me on the Florida CKI level	5/2/2016 9:06 PM
8	The speaker did not have a microphone and did not speak loud enough, therefore people in the back such as myself could not hear them clearly.	5/2/2016 8:45 PM
9	A lot of it was what I already knew about my position, but there were a few interesting points. However the students finished fast so they ended up just playing games like matchmaker which, while it is fun, can be slightly annoying because I went there to learn.	5/2/2016 7:36 PM

1	Very unorganized this year	5/6/2016 5:45 PM
2	Almost repetitive as Club Treasurer workshop. Might be my fault, could've predicted that.	5/6/2016 5:42 PM
3	Amazing speakers, learn many great fundraising ideas for my school to raise for next year DCON. Fun activities and a great learning experience.	5/6/2016 5:26 PM
4	Could have used a bit more content, or gone through the notes a bit slower (wasn't able to write down notes fast enough to keep up with the presentation)	5/4/2016 7:07 PM
5	It ended far too soon, and seemed as though little preparation was made for the presentation.	5/3/2016 10:06 AM
6	It helped a lot and gave me ideas to share with my club.	5/2/2016 10:22 PM
7	Could not hear anything, room was too big but yet crowded , I couldn't even see the PowerPoint	5/2/2016 10:20 PM
8	I couldn't hear much from the back	5/2/2016 9:06 PM

10	Good interactions and sharing of ideas!	5/2/2016 8:40 PM
11	It was boring	5/2/2016 8:38 PM
12	Really needs to be a limited size, the bigger the crowd the less fun	5/2/2016 8:32 PM
13	The guy in charge was very boring and did not have any activities or icebreakers that could get everyone involved.	5/2/2016 2:28 AM

1	Could have been more interactive and engaging	5/6/2016 5:45 PM
2	Not a lot of helpful information.	5/6/2016 5:42 PM
3	Quite dull, most of the tips to deal stress I already practiced, other than that it was educational.	5/6/2016 5:26 PM
4	The amount of time allotted for this workshop was too much. As the presenter of this workshop, I was easily done in 30 minutes and was forced to play matchmaker for the remaining 20 minutes. I even added additional information to the presentation and still could not meet the time requirement.	5/4/2016 7:14 PM
5	She had no idea what she was doing	5/3/2016 10:23 AM
6	It was just being read off slides and I already knew everything she said.	5/2/2016 10:22 PM
7	The workshop made me stressed because of how much reading and preparation had to be made to have no stress	5/2/2016 10:20 PM
8	It was short and didn't teach me much about what I already didnt know	5/2/2016 9:06 PM
9	Room needs to be larger, surgery felt unprepared and didn't keep audience engaged.	5/2/2016 8:40 PM
10	I thought it might help me because I do stress a lot and I have anxiety but it was what I already heard. In addition the girl who put it on seemed really nervous and it just wasnt flowing right.	5/2/2016 7:36 PM
11	I didn't learn anything but how to play the game"soulmate"	5/2/2016 10:07 AM

1	Space ran out at the President/VP workshops so our upcoming president and vp was unable to go to one of the main reasons they went to DCON.	5/5/2016 5:51 AM

3	As Key Club Treasurer, I am going to DCON and experience the amazing adventure of meeting new people, workshop, and overall just fun.	5/6/2016 5:26 PM
4	Although Key Club and Dcon are full of nice and friendly people, there are some members who cannot look pass race and treat my club members and I differently because of it. Therefore, I decided not to go to Dcon.	5/3/2016 5:48 AM

1	Can you please extend curfew for like at least 30 mins more? & Perhaps instead of having judges judge an entry for a contest why not let the key club members vote instead. It's the voice of the people who matter because, a couple of people's opinions can be biased and really it would be more fair to be honest. & thanks for a unique experience.	5/7/2016 8:45 AM
2	Keep DCON awesome!	5/6/2016 5:45 PM
3	DCON 2015 - 2016 was the greatest!	5/6/2016 5:26 PM
4	DCON was the best event I've ever been too and I can't wait to attend it again!	5/5/2016 8:17 PM
5	Super excited for next year! I also made friends and I enjoyed being surrounded by so much positivity!	5/5/2016 7:32 PM
6	Workshop time was far too long for the 11 slide presentation that I was assigned. Besides that, I had a great time at DCON 2016!!	5/4/2016 7:14 PM
7	In comparison to other years, I felt that this DCON was not as organized. The dress code was not strictly enforced and there were mishaps in terms of what people should be wearing which day. I was upset to see what we usually wear business professional attire the first night and this year we did not. Also, the students chosen to speak this year were not as eloquent as in other years. While DCON was fun and engaging, it could have been structured better.	5/3/2016 9:37 AM
8	There should be more mixers because not many kids knew people outside of their group.	5/3/2016 6:50 AM
9	Had a great time, thank you!	5/2/2016 11:19 PM
10	Organize the app with the booklet given , more chairs in all events and better food.	5/2/2016 10:20 PM
11	Key club is life	5/2/2016 9:22 PM
12	I have attended DCON all four years of my high school career and I am always impressed by how well everything runs and it hs helped me learn so much about Key Club as a whole, the district of Florida, and all the district board. I appreciate everything Key Club has done for me and I will continue on with CKI in college. This truly has been a life changing experience	5/2/2016 9:06 PM

14	n/a	5/2/2016 7:36 PM
15	I think they're needed to be better accommodations for people with food restrictions.	5/2/2016 7:42 AM
16	Give students the opportunity to socialize with others and have fun. These year there were too many required meetings and sessions, not allowing students to actually enjoy the hotel, meet keyclubbers , and share with one another	5/2/2016 2:28 AM
