Summarize any other activities (service projects, icebreakers, etc.): A brief service project was conducted at the end of the KCKC in which Key Club members made tissue paper flowers to donate to retirement homes. A zone-wide fundraiser was conducted for Trick-or-Treat for UNICEF where clubs from Division 3A and Division 3B competed in an auction to see which club would get to pie their LTG in the face. A total of \$140 was raised for the Eliminate Project through this auction. A zone-wide spirit contest was also conducted to see which club would take home the Zone B mascot, Buster.

What worked or went well?: Based on feedback from the Key Club members who attended, the workshops went well over all and achieved their goal of effectually training both officers and members. In addition, the members enjoyed the flow of the KCKC and especially liked the

Trick-or-Treat for UNICEF fundraiser.

What would you do differently?: There was not an adequate amount of time for the service project, so the duration of the conference would preferably be lengthened in the future to add in enough time for a project. Furthermore, an ice breaker would be added to allow members to get to know each other better.
