

Finding Roommates from Other Schools

District Education and Leadership Conference

April 2-5, 2020

Can't complete a desired district conference room type with registrants from your own school and need help finding roommates from other schools? These suggestions might help.

- Contact clubs from your division to see if they are also looking for roommates. If you don't have emails or phone numbers for other clubs, contact your Lieutenant Governor or Zone Administrator. Their contact information can be found at <http://floridakeyclub.org/contact-information/>.
- Use the room matching system inside the DCON registration system to make those connections and find roommates for you or your students.
- In some areas, the Lt. Governor or Zone Administrator may have set up a service to help clubs find roommates. Again, contact them to see if they can assist.

Having trouble contacting your Zone Administrator or Lt. Governor? Trying contacting:

Heather Locke, Facilities Administrator
Heather@floridakeyclub.org or (850) 591-9480

Sam Kerce, District Conference Administrator
AdaSam@floridakeyclub.org
