## How to do more as a club member

KEY CLUB INTERNATIONAL WOULD BE NOTHING WITHOUT THE BASE OF ITS PYRAMID - ITS MEMBERS. DESPITE WHAT MOST MEMBERS BELIEVE, THEY ARE NEVER "JUST A MEMBER." THERE ARE SO MANY WAYS MEMBERS CAN STEP UP TO THE PLATE AND BECOME A LEADER WITHOUT HOLDING AN OFFICER POSITION. IN THIS GUIDE, WE WILL TALK ABOUT ALL THE WAYS MEMBERS CAN MAKE AN EFFECTIVE CHANGE IN THEIR HOME, SCHOOL, AND COMMUNITY, ALONG WITH FULFILLING THEIR POTENTIAL AS LEADERS.

## Create Committees!

Committees are a great way to divide work in your club. It gives members an opportunity to work in groups on accomplishing a specific goal. Committees allow for members to interact with club officers and make a change in their club, and subsequently, their community. Designate committee chairs to lead their groups in accomplishing their assigned goals.

## Appoint Class Directors!

Class Directors are a liaison between club members and the club's board. They communicate from club officers to the members and vice versa. The Class Director roll allows for members to assume responsibility within their club and lead their grade level in service.

## Give Members a Voice!

Empowering members is one of the most effective ways to foster inclusiveness in your club. Allow for members to voice their opinions and introduce their own ideas. Members that come up with their own service projects should be given a chance to lead their own events.
