With over 36,000 members, Kiwanis Kids complete hundreds of thousands of hours of service every year! So why not tag along?

Key Club members play a vital role in the life of a Kiwanis Kid. As a Key Clubber you act as a mentor, an advisor, and more importantly, as a friend. Kiwanis Kids look up to Key Clubbers for advice and inspiration, so be sure to set a good example.

Here are just a few of the many service projects Key Club can do with Kiwanis Kids.

Clean up a Playground:

As a child you loved to play on the playground. Whether you preferred the swings or the slide, the love for the park was always there. So why not preserve this park of play for the children of today!

Join K-Kids in cleaning up a playground. In doing so you will be teaching them playground safety as well as the importance of preserving the Earth; and afterwards you can play with them on the newly cleaned playground.

Start a Book Drive:

This is an easy, simple project that almost anyone can do! This project will teach Kiwanis Kids the importance of giving to others who are in need.

First, you have to talk to either the Kiwanis Kids Faculty Advisor or the school principal to see if you are allowed to set up a book donation box in the school library.

Start a Campus Clean-Up:

Work with the faculty advisor or the school principal to establish a date every month where Key Club and Builders Club can work together to clean the school campus.

You'll teach Builders Club the importance of preserving the planet and you can use this time to bond with your Builders Club and answer any questions they may have about Key Club.

Start a Can Food Drive:

This is an easy project that practically anyone can do. This project will teach Builders Club the importance of helping those less fortunate.
