*"The scholarship allowed me to focus on adjusting to college, classes, and extracurriculars without worrying about finding a job my first semester of school."

*"Coming from a low-income family, it was very nice to see how happy my parents were when they received the news that I won the scholarship."*

## WHAT IS THE ENDOWMENT FUND?

The Florida Key Club Endowment Fund was established to provide college scholarships and funds to reduce the cost of the annual District Education and Leadership Conference (DCON).

The Endowment Fund focuses on funding opportunities for Key Club servant leaders and will fund at least twelve scholarships, nine of which will be \$2,000 each.

As the Endowment Fund grows, the number of funded scholarships will increase. However, growth is only possible with your help.

## HOW CAN I DONATE?

Donations are the primary way that the Florida Key Club Endowment Fund is supported. That means that we need help from you to grow the Endowment Fund into a powerful resource for our Key Clubbers.

Visit the Endowment Fund website ([floridakeyclub.org/endowment/](http://floridakeyclub.org/endowment/)) to donate today!

Can't commit to a monthly contribution? Ask your parents, friends or neighbors to help! Anything and everything can help grow the Endowment Fund. Just a one-time donation today brings the Florida District one step closer to it's goal. Why are you still reading? **DONATE TODAY!**

For a more detailed walkthrough, check out the Florida District of Key Club's YouTube for a step by step donation process.

## FAMILY INVOLVEMENT

We highly encourage all of our Key Clubbers to talk to their families about donating to the Endowment Fund!

One way adults can get involved is by participating in a recurring, tax-deductible donation. Setting aside a small amount of money every month/quarter/year is an extremely helpful way of growing the Endowment Fund, which, in turn, contributes to lower DCON prices and promotes scholarship opportunities.

Students may also ask the adults in their life to donate the money they would have spent on presents to the Endowment Fund. Since you may make donations in someone else's name, this not only helps the fund grow, but also makes your student eligible for other amazing awards!

*"It is amazing how a single scholarship can have such a large financial impact for a college student."*
